I. Give a general description of the church and her ministry.

II. How has this church grown and or experienced revitalization? Please give a detailed description of the approaches to ministry that have led to growth.

III. Is the growth and revitalization of the nominated church reproducible? How could this church serve as a model of church growth and revitalization for the EPC as a whole?

IV. Please add any other comments or information you believe would be helpful to the selection committee:
