Dear EPC World Outreach Committee,

I am writing to you on behalf of Crossworld to request recognition as a Cooperative Agency with EPC World Outreach. We desire to craft a Cooperative Agency Agreement between our two organizations for the mutual benefit of proclaiming the gospel among the least reached.

We recognize that partnering with like-minded organizations provides much-needed synergy to increase the effectiveness of individual missions, strategies, and outcomes for the purpose of carrying out the Great Commission of Jesus. We are excited about the possibility of joining together with you in this endeavor.

Specifically, we seek to come alongside and serve you in the recruitment, equipping, and sending of new missionary workers, ultimately seeing some candidates become members of Crossworld while maintaining their full relationship with EPC World Outreach.

I hope the attached document answers the questions you seek to evaluate an agreement between us. In it, you will find a brief history of our organization, information about our mission and philosophy of ministry, the essential truths upon which our mission stands, our goals as an organization, frequently asked questions about Crossworld, and more.

I am happy to answer any additional questions you may have as you evaluate this request and look forward to hearing from you soon.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Whitt". The signature is fluid and cursive, with a large initial "J" and a stylized "W".
