

45-26
From the AIC-Ordination Standards

The Ad-Interim Committee on Ordination Standards recommends that the 45th General Assembly **APPROVE** a “third year” for this committee to review and recommend any changes to our ordination standards.

RATIONALE:

The committee is requesting a third year in order to review the ordination standards themselves and present any recommendations to next year’s General Assembly. This is necessary to complete the final part of the charge we were given when we were initially established.
