The Stated Clerk, in consultation with the Moderator, will appoint chairmen and recording clerks of each Standing Committee. Representation on each committee shall be Presbyterian. The Nominating Committee will elect Standing Committee personnel from Commissioner's registrations and Ruling Elder certifications received no later than May 31. The committee membership ratio should be as close as possible to the ratio of Ruling and Teaching Elders registered and certified as Commissioners. (Rules for Assembly IX.9-2).

Names and Standing Committee assignments are listed alphabetically by last name. Please be sure to read all material related to your committee, including the recommendations being referred to your committee, prior to the Standing Committee meeting either online or meeting Wednesday afternoon at 4:00 p.m. If your committee has business prior to the assembly, as per *Rules of Assembly* 9-3, you will receive email notification or reach out to the committee chair for any questions.

If you wish to speak to an issue referred to a committee to which you have not been assigned, you may approach the Chair of that Standing Committee and request the privilege of the floor to address that issue. Before privilege of the floor is granted all standing committees' members should have the opportunity to speak first. Commissioners who are not members of a standing committee may have voice at the standing committee at the discretion of the chair but do not have vote.

If your name is not listed, it is likely that your registration, meaning both Commissioner Certification (for Ruling Elders) and online registration was not completed by May 31 as required by *Rules for Assembly* IX.9-2. National Leadership Team members and Permanent Judicial Commission Members will receive resource assignments from the Stated Clerk, if not already noted below. Commissioners not assigned to a Standing Committee may attend a committee if room is available, but without vote. Privilege of the floor is at the discretion of the Chairman.
