## FOREWORD

The five sections of this volume are as follows:

**JOURNAL:** The minutes of the daily sessions of the Assembly. Though the Journal does not contain the documents that appear in the second section (Appendices), it does contain the recommendations made in those documents. Those recommendations appear in the Journal at the point at which they were considered. For ease of reference and cross-reference, the Journal is divided into articles. An index of this section appears at the end of the Journal. The reports of the 45th General Assembly committees are included at the end of the Journal section.

**APPENDICES:** The reports submitted to the Assembly by presbyteries, committees of the Church, and by other bodies for the Assembly's consideration. Reports appear in the Appendix in alphabetical order. All references to papers in the Appendix are by page number in the Journal.

**DOCUMENTS:** The primary documents adopted by the Assembly to govern its life and mission.

**DIRECTORY:** The members of the permanent committees of the Assembly are listed in this section. A directory of the churches, ministers, and presbytery officers is published separately.

**ANNUAL CHURCH REPORT:** A summary of the reports of the churches' financial and statistical statuses in the preceding year.

The Stated Clerk welcomes suggestions for the improvement of these annual volumes.

## **45th General Assembly**

### **Moderator TE Dave Strunk**

Dave grew up in a Christian home with two wonderful parents and the middle child between two sisters. He became a Christian at 9 years old, when his dad prayed with him on the living room couch. At the age of 17, Dave sensed a palpable and unrelenting call to pastoral ministry while on a church mission trip.

Being from Knoxville, TN, Dave went to the University of Tennessee, and immediately upon graduating in 2006 got married to his wife Laura and moved to Denver to attend Denver Seminary, where he graduated three years later (in 2009). Throughout seminary and following for ten years, he was involved at the volunteer, staff, and ordained level at Cherry Creek Presbyterian Church.

All three of the Strunk children were born in Colorado and baptized at CCPC. In 2016, the Strunks moved back to their home in Tennessee in order to plant an evangelistic church out of their mother church, Cedar Springs Presbyterian Church. Church of the Redeemer was launched in 2017 in Alcoa, TN, and Dave has been the lead pastor ever since.

## **45th General Assembly**

### **Moderator-elect TE Jack Cathey**

Jack Cathey is a Ruling Elder at Lake Forest Church in Huntersville, NC, where he and his wife Anne have been involved as founding members. Jack and Anne have two adult married children who reside in the greater Charlotte area. Jack is a graduate of Wake Forest University, where he completed his undergraduate degree in accounting. He also graduated from Virginia Tech, where he earned both a Master's and a Doctorate in accounting. After graduate school, Jack joined the faculty of the Turner School of Accountancy at the University of North Carolina, where he has been a member of the faculty for the past 36 years.

Jack grew up in a Christian home and committed his life to Christ at Windy Gap (a Young Life Camp) in 1975. Jack was first called and elected to serve as a Ruling Elder at Forest Hill Church in Charlotte, NC. During a time of significant growth, the Forest Hill Session voted to begin church planting. Jack voted in favor of this motion, and, much to his surprise, he found himself in a skating rink in Huntersville, NC, stacking chairs two years later. Being a part of starting and establishing Lake Forest has been a very fulfilling experience. He has served on the active session many times and has been a part of many search committees that hired staff as the church grew.

When Lake Forest Session felt the time was right to begin their own church planting work, Jack was appointed as a co-leader of the Church Multiplication Commission along with Teaching Elder Mike Moses. To date, Lake Forest has planted five new churches, including Storyhill Church, Lake Forest Westlake, Lake Forest El Buen Samaritano (a Spanish-speaking plant), Lake Forest UCity (a multi-ethnic plant), and Lake Forest Cabarrus.

### **45-02 CONVENING OF THE 45<sup>th</sup> GENERAL ASSEMBLY**

The 45<sup>th</sup> General Assembly of the Evangelical Presbyterian Church was called to order at 3:00 p.m. by Moderator, RE Victor Jones (Gulf South). The constituting prayer was offered by TE Michael Davis (Central South).

"Almighty God, we thank you and we praise you this day for the opportunity to serve as commissioners and guests of the 45<sup>th</sup> General Assembly and Gospel Priorities Summit of the Evangelical Presbyterian Church. We're thankful for the love, grace, and sacrifice demonstrated through the cross of our Lord, Jesus Christ. Empower us all to embody the words of scripture, that we might walk in humility, gentleness, patience, and bearing with one another in love, eager to maintain the unity and spirit of the bond of peace. At this General Assembly, help us to trust in your provisions, realizing your governance rules and reins over all that we do. Thank you, Lord.

Therefore Lord, we need to become more aware and mindful of your grace and to share it, so that the world may know that you have come and will come again. Lord, we seek your forgiveness, and we give to one another. We seek your forgiveness for the hardened heart, the pride, arrogance, and the record of wrong which creates so much in us week by week. We ask that,

Lord, you take it away, and allow this dynamic enthusiasm for serving you and the opportunities to do your will rein and rule over your hearts so that you may be glorified and magnified.

And at this General Assembly, we would lift you up, particularly as our Stated Clerk, Dean Weaver, and his supporting staff, all of us, Lord, we lift them up as we lift you up and Lord, we encourage the hearts and minds of your people so that we may build up your church and glorify your name.

We pray this day, Lord, for President Trump and Vice-President Vance. We pray that their work would be fruitful and fulfill your purpose for our country and the world. We ask that you give your grace and wisdom to our president, his advisors, and all elected officials. Grant that the decisions they make will bless the nation and the world, and add to the flourishing of all humanity.

We pray also for our military personnel and their families, especially those who are deployed and in harm's way. We are thankful for the sacrifices they make to ensure the freedoms we enjoy. We pray for their safety, their courage, and their well-being, not only while they are serving but also when their service has concluded and they need to be served by us.

We pray for Governor Gretchen of this great state of Michigan, and we ask that you give her guidance. Guide her hand and encourage her in the work that is pleasing to you.

Lord, we thank you for the hospitality shown to us by the coalition of volunteers serving this year at this Assembly at Ward Church, and we thank you for Pastor Scott and his staff team as they bless us. We ask a blessing on all of those volunteers, church leaders, and congregational members as they serve us.

Guide us now as we seek your wisdom and discernment. We pray all these things in the mighty name of Jesus Christ, our Lord. All God's people said together, 'Amen.'"

PART II  
PERMANENT AND INTERIM COMMITTEE REPORTS

## **BRI BOARD OF DIRECTORS**

This report is available online at [www.epconnect.org/2025-committee-report-bri](http://www.epconnect.org/2025-committee-report-bri)

The Benefit Resources, Inc. (BRI) Board of Directors reports to the 45th General Assembly on its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. **Health and Wellness:** Our members and their churches experienced an average 6.0% health plan premium rate increase for calendar 2025. This increase marks a trend of lower-than-market premium increases over time for our plan. Since 2019, premiums have increased by an average of just 5.4% per year. This continues to be well below the medical care cost inflation and lower than other commercial health plan increases.
2. **Retirement Plan: Plan Growth.** EPC Retirement plan participation continues to grow, with 2,582 participants currently in our plan. The plan is open to all clergy and non-clergy staff. Participation has grown by 350 members since October 2020.
3. **Participation Overview:** Over 2,500 active clergy, staff, and retirees participate in the EPC 403(b)(9) Church Retirement plan. Approximately 2,900 employees and their dependents were enrolled in medical benefit plans provided by EPC Benefit Resources as of March 2025. In 2025, several new churches joined the plan.
4. **Medical Plan Options:** To accommodate the varying needs of EPC member churches and staff, 5 medical plans are offered: Platinum, Gold, and Silver POS Plans, plus Gold and Bronze High Deductible Health Plans with Health Savings Account options. The variety of Plan offerings provide our churches with a range of premium and participant cost sharing levels to choose from.
5. **Financial Strength:** Premiums increased an average of 6.0% in 2025 with minimal changes in copays or deductibles. Our Medical Plan has a very solid financial foundation, assuring us that our members' medical expenses will be covered. The EPC maintains stop loss insurance and is holding over \$5.8 million in reserves as protection against catastrophic claims.
6. **General Plan Operations and Administration: Annual Audit.** EPC Benefit Resources, Inc. financial statements are audited annually by the independent accounting firm Batts, Morrison, Wales, and Lee, Certified Public Accountants. The audited statements are presented to the BRI Board and to the General Assembly. • **Expert Advisors.** Advice and counsel are provided through membership in the Church Benefit Association, Church Alliance, and use of legal counsel, actuarial, and consultants specializing in Retirement Plan and Benefits Administration.
7. **High-Cost Medical Events.** Again, in 2024, twenty-two individuals covered by our plan incurred over \$100,000 each in medical costs. Many require medications costing more than \$5,000 per month. A crucial role of the EPC BRI plan is to protect members, so that a health crisis does not also become a financial crisis. Thank God, the resources of our

plan, made possible by the members and churches who participate in our plan, were there for these families. We encourage our members to utilize tools for the prevention and early detection of serious health conditions to ensure prompt attention and early treatment is received.

8. **Improved Pharmacy Benefit.** In 2024, BRI partnered with BeneCard PBF for administration of pharmacy benefits, enhancing our benefit offering. Many processes were put in place during the implementation to ensure a smooth transition for members and their families with active prescriptions. Members now have access to records via the BeneCard website or by calling 888-907-0070. Other services include personalized care to assist with use of multiple or expensive medications for our members with chronic or serious health conditions. This includes seeking out manufacturer and other cost subsidy programs to reduce out of pocket costs.

### **Recommendations**

**45-28** That ordained ministers drawing retirement income from the EPC 403(b)(9) Defined Contribution Retirement Plan be allowed to designate up to 100% of their retirement income for housing allowance as permitted by applicable regulations adopted pursuant to the Internal Revenue Code.

### **Work of the Committee**

EPC Benefit Resources, Inc. (BRI) continues to advance the mission to improve the health and well-being of our pastors, lay staff team members, and their families in Christian ministry so they can better serve the greater mission to fulfill the Great Commission.

We provide a complete suite of benefits designed to meet the specific needs of churches and plan participants at competitive premiums. Most importantly, benefit offerings are of our own design reflecting EPC Values, and BRI serves as a fiduciary on behalf of participating members. We offer 5 medical-plan options ranging in richness and premium levels to accommodate the budgetary requirements of our churches.

Many of our members have pressing health challenges. To support the overall health and well-being of our membership, every Plan includes a robust menu of free clinical care and wellness programs to accommodate the unique health needs and goals of our members. Additionally, we provide access to life and disability insurance, vision, and dental insurance as well as a pre-tax Health Savings Account (HSA) offering to meet out-of-pocket medical expenses and plan deductibles.

For retirement planning, all EPC employees can participate in our 403(b)(9) Retirement Plan. The plan allows all EPC ordained ministers and staff engaged in ministry to participate. A unique benefit for ordained pastors....the Plan permits retirement funds used to pay housing expenses to be exempt from federal income tax.

We have been focused and diligent in our mission of providing competitive benefit plans, maintaining plan and price stability, encouraging participants to engage in living healthy lifestyles, and achieving above benchmark performing retirement plan returns.

In pursuing the mission of EPC Benefit Resources, Inc., we humbly submit the following annual report of the benefit plans, activities, results for the past year and highlights for the future. We look forward to serving the EPC to advance health, well-being and financial security for our pastors, staff, and families in the year ahead.

## **Health and Wellness: Caring for the Body, Mind & Spirit**

- Competitive Premiums. Our members and their churches experienced an average 6.0% health plan premium rate increase for calendar 2025. This increase marks a trend of lower-than-market premium increases over time for our plan. Since 2019, premiums have increased by an average of just 5.4% per year. This continues to be well below the medical care cost inflation, and lower than other commercial health plan increases.

We achieve these savings by constantly searching for ways to reduce costs and eliminate wasteful spending without compromising our participant experience or reducing benefits. In fact, we continue to add new and different benefit plan offerings to our plan.

As an example, in 2024 we partnered with BeneCard, a pharmacy benefit manager, to administer our prescription drug benefit. In doing so, we improved the benefit offering, allowing participants to utilize their local pharmacy or the mail pharmacy of choice for long-term maintenance medications and removed the co-pay differential. Furthermore, we eliminated over \$1.0 million in wasteful pharmaceutical spending while enhancing our participant experience and maintaining the benefit offering.

- Health Status. The wellness profile of EPC members continues to reveal pressing health status challenges and opportunities for improved health and well-being. These health challenges impact the joy of life and risk of future medical episodes, such as cancer, diabetes, chronic joint pain, heart conditions, high blood pressure, and high cholesterol.

We have members engaged in several health and clinical care programs that address these pressing health concerns and hold promise for restoring health to our members. These programs are profiled in this report, are all provided free of charge as part of our plan offering and are designed to improve health and well-being, to feel better, get better, and be better. Recently added new benefits include pastoral spousal care, member healthcare navigation, and technology-based pain management. Plan members struggling with heart and kidney disease now have easy-to-access programs to improve health.

- Mind & Spirit. BRI is collaborating with the Office of General Assembly (OGA) on strategies to support our ministerial members to enhance mind and spirit health and well-being. In 2024, enrolled members experienced positive results from these services. Now in 2025, we are adding additional support through medical benefits focused on the mental and emotional well-being of our pastors' wives.
- EPC Church Participation. As a self-insured medical plan, the more participants in the plan, the more benefits we can offer to members. We share in each other's medical costs. Yet, several EPC churches still do not participate in the EPC medical plan. Currently, our

participation is at approximately 50% of EPC churches. We are better together in unity. There is strength in numbers.

As we approach benefit decisions for 2026 this summer, we **strongly encourage** all churches to consider participating in our Medical Plan to support one another in ministry. “Bear one another’s burdens and so fulfill the law of Christ.” Galatians 6:2

**Call today.** As your church begins to evaluate health benefits coverage for 2026, engage with the BRI team **now** to discover how the EPC plan can best support your congregation and the broader EPC mission.

### **Retirement Plan:**

- **Tax Advantages.** The EPC Plan is a 403(b)(9) Defined Contribution “Church” Plan, and as such, ordained ministers retain the ability to claim up to 100% of their annual Plan withdrawals used for housing expenses as federal income tax-free even into retirement.
- **Plan Growth.** EPC Retirement plan participation continues to grow, with 2,582 participants currently in our plan. The plan is open to all clergy and non-clergy staff. Participation has grown by 350 members since October 2020.
- **Investment Performance.** The selection of funds available in our Plan, performance and fees are constantly monitored by our Board and professional Plan Consultant to ensure members’ investments continue to grow through changing times. Our Funds have consistently performed at growth levels equal to or better than their benchmarks.
- **Financial Planning Advice.** Members are encouraged to take advantage of free consultations with Fidelity Investment Advisors and to utilize numerous available web-based educational resources. These are available through each participant’s account log-in on Fidelity’s NetBenefits webpage.
- **Compliance and Plan Enhancement:** Retirement Plan administration is regulated by the federal government. BRI utilizes numerous professional resources and an internal Compliance Plan to stay on track with regulatory requirements. As recent legislation has expanded the availability for emergency withdrawals before age 59½ BRI has added new options. Other enhancements will be added over the next few years as permitted by recent “Secure Act” legislation.

### **General Plan Operations and Administration:**

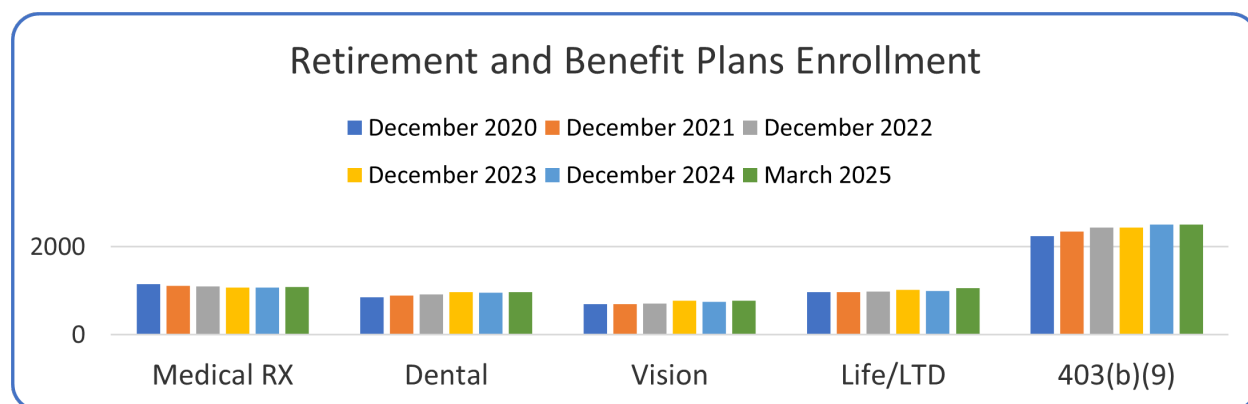

- **Annual Audit.** EPC Benefit Resources, Inc. financial statements are audited annually by the independent accounting firm Batts, Morrison, Wales, and Lee, Certified Public Accountants. The audited statements are presented to the BRI Board and to the General Assembly.
- **Expert Advisors.** Advice and counsel are provided through membership in the Church Benefit Association, Church Alliance, and use of legal counsel, actuary, and consultants specializing in Retirement Plan and Benefits Administration.

- Participation is Critical to the Body. The BRI Office and Office of the Stated Clerk often receive inquiries regarding the requirements for participation in EPC Benefit Plans as mandated by the Acts of Assembly.

The Acts reference the intent that all benefits-eligible EPC Ordained Ministers and all benefits-eligible church staff are to be provided with medical coverage through the denominational medical plan administered by BRI. Although there are many Acts that reference EPC medical and retirement programs, Act 81-04 mandates participation of EPC ministers, and Act 84-08 mandates benefit-eligible ministers and lay employees' participation in the denominational plan. This requirement has been repeatedly affirmed by the General Assembly.

### **Participation & Engagement Overview**

Participation. Over 2,500 active clergy, staff, and retirees participate in the EPC 403(b)(9) Church Retirement plan. Approximately 2,900 employees and their dependents were enrolled in medical benefit plans provided by EPC Benefit Resources as of March 2025. The chart below shows that employee enrollments (without dependents) in our Health and Life benefit plans have been stable over the past 5 years. In 2025, several new churches joined the plan.

### **Medical/Rx Benefits**

The EPC Medical Plan is **OUR plan**, not a plan we adopted from an insurance company. What is covered under the plan is established and guided by the EPC, and importantly, services and medications that run counter to our beliefs are not covered.

**CALL TODAY.** It is not too early to review the benefits of joining the EPC plan for 2026. When you return from GA, encourage your church leaders and Session to engage with EPC Benefit Resources to learn about our Plans, rates, and member health and wellness programs. When all join together, the entire body becomes stronger.

Medical Plan Options. To accommodate the varying needs of EPC member churches and staff, **5 medical plans** are offered: Platinum, Gold, and Silver POS Plans, plus Gold and Bronze High Deductible Health Plans with Health Savings Account options. The variety of Plan offerings provides our churches with a range of premium and participant cost-sharing levels to choose from.

Financial Strength. Premiums increased an average of 6.0% in 2025 with **minimal changes** in copays or deductibles. Our Medical Plan has a very solid financial foundation, assuring us that our members' medical expenses will be covered. The EPC maintains stop loss insurance and is holding over \$5.8 million in reserves as protection against catastrophic claims.

High-Cost Medical Events. Again, in 2024, twenty-two individuals covered by our plan incurred over \$100,000 each in medical costs. Many require medications costing in excess of \$5,000 per month. A crucial role of the EPC BRI plan is to protect members, so that a health crisis does not also become a financial crisis. Thank God, the resources of our plan, made possible by the members and churches **who participate** in our plan, were there for these families. We encourage our members to utilize tools for the prevention and early detection of serious health conditions to ensure prompt attention and early treatment is received.

Virtual Care Option. Members have 24/7 access through the medical Plan's **virtual care** option provided by "98point6". This provides a convenient alternative to visiting a doctor or urgent care facility at no cost or only \$8 (for HDHP participants). A physician is available for the visit and prescriptions can be issued. EPC members who accessed the service in 2024 rated 4.8 out of 5, noting high satisfaction. Visit the EPC Benefits website for more information.

National Provider Network. Our medical benefit is administered through Meritain Health, utilizing the Aetna Choice POS II national provider network. Service representatives from Meritain Health are available to assist EPC Plan participants. On average, the more than 300 calls a month from EPC members were answered within 27 seconds, and our members report that 98.14% of the time, their reason for calling is resolved on the first call. Members who have questions or experience difficulties can call Meritain at 800-925-2272. For additional assistance of issue resolution, Members have access to our BRI team for assistance through our call center at 407-930-4492.

Improved Pharmacy Benefit. In 2024, BRI partnered with BeneCard PBF for the administration of pharmacy benefits, enhancing our benefit offering. Many processes were put in place during the implementation to ensure a smooth transition for members and their families with active prescriptions. Members now have access to records via the BeneCard website or by calling 888-907-0070. Other services include personalized care to assist with the use of multiple or expensive medications for our members with chronic or serious health conditions. This includes seeking out manufacturers and other cost subsidy programs to reduce out-of-pocket costs.

Member Eligibility Platform. BRI transitioned to a new enrollment/eligibility/billing administrator effective January 1, 2025, with the intention of enhancing services to church benefit administrators and plan participants. They now have direct access to their information through the MyEnroll portal. Administrators have direct access to billing information or to update participant information. To date, more than 430 administrators are enrolled with online access, and 130 churches are taking advantage of the automated ACH option for premium remittances.

## **Member Health – Wellness and Member Care Focus; Body, Mind & Spirit**

Your health and that of your family are of critical importance to the BRI Board and the Office of General Assembly and are our top priority. **Your overall health** – body, mind, and spirit – directly impacts the very joy of living to glorify Christ, the care of our families, and the work of caring for and leading EPC congregations in sharing the gospel!

Member health analytics (de-identified health claims data) from our EPC congregation participants provide valuable insight on the current health of our members, hopefully leading to member changes to enhance and restore health and well-being:

- **Basic Preventative Care.** Annual physicals, bloodwork, or other age/gender appropriate health screenings continue to be the best way for our members to proactively manage their health. Unfortunately, **less than 80%** of our participants take advantage of the services available to them through their EPC medical plan participation. Early detection and treatment of conditions is critical to mitigating more complex health challenges that have the potential to change your life.
- **Mind & Spirit.** Similar to the general population, our EPC members also struggle with mental health conditions from the stress of ministry demands and balancing family and personal life. In 2024, **26% of our members** were receiving treatment for either stress, anxiety, depression, sleep disorders, or behavioral health-related conditions, a 2% increase from the previous year. This continues to show that our members are willing to access care and are engaged in regular therapy and coaching meetings, head-on, to face the challenges of life to restore the joy of life.
- **Chronic Conditions.** The percentage of our members struggling with chronic conditions continues to grow along with national trends. Chronic conditions such as high blood pressure, high cholesterol, diabetes, cancers, and digestive diseases continue to be prevalent conditions among our plan membership, **often occurring at a higher rate** than in the general public. We encourage all EPC members with one or more of these conditions to follow up with annual medical visits to your PCP, recommended health screenings and treatments, and to utilize our health and wellness programs. **Clinical evidence over time is compelling:** Early detection **saves lives** and provides a significant opportunity for a more improved lifestyle.

To **assist members**, BRI offers programs that provide additional assistance and practical resources to participants. For example, our **Nurse Health Coaching** program provides education and support to participants with health conditions such as diabetes, high blood pressure, chronic pain, arthritis, high cholesterol, asthma, and various lung, heart, and kidney diseases.

- **New Enhanced Services.** In addition to our existing member health and wellness programs, we added several new programs for 2025, including:

**Personalized Care Navigation**, in partnership with Pinnacle Health, provides Advisors offering one-on-one support to help you manage your health. Once you start working with a

Care Advisor, you'll always talk to the same person, maintaining a relationship with someone who knows you. They assist with scheduling care, exploring treatment options, second opinions for serious diagnoses, or simply answering questions you may have about procedures or surgeries.

Pain Management through **Hinge Health** offers virtual physical therapy at no additional cost to you. This benefit is yours to access immediately. There are no copays or surprise costs. If you are struggling with joint or muscle pain, our program can help you get relief. On average, Hinge Health participants reduce their pain by 68%. Experts help you develop a personalized exercise program you can do at home or on the go. Exercises are designed by a licensed physical therapist to target and relieve your pain.

### **Kidney Care & Heart Care through Sun Life Clinical 360+**

**Kidney Care 360** focuses on identifying and managing risks related to chronic kidney disease, offering tailored interventions to improve patient outcomes.

**Heart Care 360** similarly addresses cardiovascular health, providing guidance and resources to help members effectively manage their heart conditions.

- **Pre-Admission and Post Discharge** Counseling Program, in partnership with Meritain Health, supports reduced unnecessary hospital stays, lower costs, and improved recovery. Case managers support you in advance of elective surgery to prepare for surgery and map a plan for follow-up after discharge to support your progress. The program also offers opioid education, promoting effective and safe pain management and control.
- **Pastoral spousal care** in partnership with **Alongside** provides ministers' wives with emotional and practical support as they support their spouses and families in their own ministry roles.

All of these programs are available at **no additional cost** to EPC Plan participants. Log in to the EPC Benefits website <https://epconnect.org/benefits2024/2025medical/> to access a wealth of information on these and other available personalized care services.

- Site-of-Care Alternatives. A large portion of outpatient healthcare in America is provided through hospital-based and located facilities, including infusion centers, lab testing (bloodwork), imaging centers, physical-occupational therapy, and ambulatory surgery that are part of a hospital system. Patients often do not realize that they have a choice of the facility where the diagnostic services will be provided that includes non-hospital independent facilities that offer the same quality of service, **at significantly lower cost**, and often in more convenient locations.

To help our Members determine what site of care options are available, **several tools and incentives** are now available within the plan to assist members in reducing out-of-pocket costs. We encourage you to inquire about the facility and cost of service before scheduling and accessing a site of care choice.

- Healthcare Bluebook Screening Tool. To make it easier for our Plan members to explore facility alternatives, we offer Healthcare Bluebook through Meritain Health. In 2024, more than 800 searches were completed by EPC members to find highly ranked local care facilities for specific medical tests and treatments.

In many cases, Healthcare Bluebook **pays a cash reward to members** who select one of the recommended centers of excellence for certain medical tests or procedures. Members can access the program through their Meritain online account. Additionally, **reduced out-of-pocket copays** are an integral part of our plan to save members even more money when selecting a non-hospital facility.

- Enhanced Communication & Awareness. The BRI Team strives, along with our healthcare partners to ensure Members are aware of these many helpful programs. Keep an eye out for our communications and those of our care partners. We encourage members to commit to a personal goal to utilize resources on the EPC website and set up accounts with Meritain and Benecard PBF to take full advantage of these important benefits. Look for information about program apps so you can take full advantage of all your plan resources.

In order to ensure important health management phone calls from Meritain and Benecard are not missed (or viewed as spam!), we encourage all members to add these contact numbers to your cell phone contact list: 888-610-0089 for Meritain and 888-907-0070 for Benecard. If contacted by any of our healthcare partners, please take time to learn more about what assistance they offer.

You do not have to walk your healthcare path alone. Two are better than one, because they have a good return for their labor; If either of them falls down, one can help the other up. Ecclesiastes 4:9-10

### **Life, Disability, Vision, and Dental Insurances**

Participation in these supplementary benefits was stable as we moved into 2025. Dental premiums increased in 2025 by 8% showing post-covid activity by members continuing to catch up on their dental care. Negotiations on vision premiums resulted in a flat renewal with a premium rate lock until January 2029.

Life/Disability Insurance rates experienced a reduction in premiums by 7% and 10%, respectively. A 1981 Act of the General Assembly established that Terms of Call for any EPC minister shall provide for life and disability insurance coverage. Over the years, BRI has made these coverages available to EPC ministers, and many have been supported through life insurance proceeds in times of personal loss, and through disability payments when an unexpected accident or illness leads to disability.

All of this coverage is made available to ministers and staff working 30 or more hours per week.

## **EPC Retirement Plan Overview**

**Participation** – As of February 28, 2025, there were 2,582 participants in our defined contribution Retirement Plan. Collectively, our members held over \$251 million in their retirement accounts, or an average balance of about \$95,000 per participant. (Feb ‘25)

**Investment Funds** – A high percentage of EPC members are utilizing the Retirement Target Date (Life Cycle) funds, constituting approximately 43% of invested funds. These funds automatically and gradually reduce members’ exposure to investment risks as they approach retirement.

In addition to the 13 target date funds, members may choose to invest in a selection of 11 **top-rated funds** in various asset classes. Another option is investment through the Plan’s self-directed brokerage link, where participants may invest in any publicly traded security, adding hundreds more choices.

Participants also have the opportunity to “roll over” funds from their IRAs or former employer-based 401 (k) or 403b plan into their EPC Retirement account. Employees and Benefit Administrators can visit the EPC website or call the EPC Benefits Office, or log into their account through Fidelity to connect with a Fidelity advisor for more information.

**Performance** – The Investment Committee of BRI meets quarterly with our retirement plan consultant to evaluate the performance, expenses, and risk profile of each of the 24 investment options offered under the EPC 403(b)(9) Plan. We feel confident that the funds selected provide the best choices to optimize all three objectives.

During 2024, participants enjoyed positive market gains. During the 4th quarter, 54% of the Plan’s funds outperformed their respective peer-group median. Strong relative performance amongst equity markets in the 4th quarter also provided a tailwind to longer-term performance, with the 1-year returns for 2024 coming in with 73% of the Plan’s funds outperforming their peer group median. Medium- and long-term performance was comparable to the 4th quarter numbers, with 45% or more of the Plan’s funds outperforming their peer-group median on a trailing 3-, 5-, and 10-year basis.

Overall, funds are meeting or exceeding national benchmarks with continued positive growth projected over the next 3 to 5 years. Plan assets continue to grow with positive gains and increased participation.

**Legislative Changes** – The EPC Benefit office works closely with its Plan Consultant, the Church Alliance, and legal counsel to ensure legislative compliance. As the U. S. Congress passes legislative changes to the rules that govern retirement plan administration, the BRI Investment Committee consults with specialists regarding the impact of the legislation on our plan and ensures that allowable plan changes that benefit our Plan participants are in place. For example, recent legislation provided for several new reasons that hardship withdrawals can be made, such as to cover expenses incurred due to a declared national disaster. BRI has added a provision for these withdrawals to be made available.

To ensure that the BRI team will be able to effectively communicate plan changes to participants, it is important that members review their accounts regularly and update mailing addresses, email addresses, and beneficiaries as needed.

***Tax-Advantaged Withdrawals*** – Because the EPC Retirement Plan is a 403(b)(9) Church plan, ordained ministers retain the ability to use up to 100% of their annual retirement withdrawals (not to exceed the amount allowable by the IRS) to pay housing expenses exempt from federal income taxes. This continues even into retirement, provided the funds were contributed during the pastor’s tenure as minister and have remained in the EPC Plan.

This proves to be a **significant advantage** for EPC pastors over other retirement plans available in the market without this designation. The BRI team has been working to identify all EPC Teaching Elders within the retirement portal (Fidelity) to ensure that distributions are properly addressed for our ministerial participants.

***Fidelity Investments*** – We continue to partner with Fidelity Investments to administer and advise members on their retirement plan choices. All EPC plan participants are entitled to receive a **free Investment Advisor** review of their investment choices, portfolio performance and progress toward retirement goals at any time by calling Fidelity at 800-342-0860 to make an appointment. We suggest members engage in dialogue with a Fidelity advisor at least annually, if not 2-3 times per year. Gaining a fresh-eyed perspective of your financial retirement plan is vital to guiding the path to retirement, regardless of the length of your runway!

For an additional fee, members can also utilize Fidelity’s Personalized Planning and Advice (PPA) service, which offers personalized planning, tracking, and recurring update services with consideration toward all of their financial goals and resources.

### **Retirement Plan**

Approximately 15% of EPC churches **still do not have any pastor or staff** participating in our 403(b)(9) Plan. Church leaders may feel they have their employees’ Retirement Plan managed through another provider, have mostly part-time staff, or believe retirement benefits for staff are unaffordable. We encourage church leadership to reconsider.

- Being in a 403(b)(9) Church Plan guarantees a Minister the full value of the federal **Housing Expense Tax Exemption** in retirement. Withdrawals from most other plans do not permit the tax exemption. Any Plan that allows for the ministerial housing allowance tax exemption must explicitly state it in its Plan Document and make an annual declaration of the portion allowable under the exemption.
- Part-time employees **are eligible** to participate in the EPC Plan, and it is a good tax-advantaged way for them to save for retirement.
- Providing for pastor and staff retirement is a vital and essential responsibility for church leaders to ensure long-term vitality upon retirement.

## **Future Outlook: Stronger, Together**

The EPC Benefit plans are in a solid position to provide care and support for our members. Our plans are designed to be a partnership with our churches and members, so we encourage everyone to take these steps over the next year to ensure joint success for all EPC members' health, wellness, and retirement security:

- **Plan Participation.** If your church does not currently participate in the EPC Benefit Plans, **PLAN** to evaluate the option with your church leadership by contacting the EPC Benefits office. We are stronger, together. **CALL TODAY** to plan for engagement in 2026.
- **Health Check-up.** Commit to a personal goal for you, your family, and your staff to schedule your annual medical checkup (including bloodwork). Follow up with your physician to complete all age-based recommended health screenings (mammogram, colonoscopy, lung screenings, etc.). **That one result could be life-changing.**
- **Mind & Spirit Health Coaching.** Add Meritain's Nurse Coaching phone number 888-610-0089 and Sun Life's Health Navigator phone number 888-352-4969 to your contact list so that you do not miss any messages from them and will have them available when you need them. **We ALL need a fresh perspective.**
- **Well-Being Services.** Make full use of the free Wellness, Member Care, and Disease Management resources and programs available to you as a participant in the EPC Medical Plan. Keep an eye out for EPC Benefit Resources newsletters, Benecard, and Meritain Health our other well-being partners' outreaches. **Great resources.**
- **Retirement Plan.** Set a goal to place 15% of your income away for your retirement. This can be through a combination of church contributions (**10% for Pastors required** by Acts of the Assembly) and personal payroll-deducted contributions. If you are over 50, there are provisions for you to make additional catch-up contributions. **A vital priority to secure your future.**
- **Financial Advice.** **Contact Fidelity** for a review of your 403(b)(9) account investment fund selections periodically. Review the robust resources available to help you by logging into your Fidelity Account. If you want an expert to make those decisions or you, Fidelity offers a fee-based management service called Fidelity Personalized Planning and Advice. You can contact Fidelity through your account to learn more.
- **Contact Designations.** **Review your contact** information and the beneficiary designations for your life insurance and your retirement account. So that your loved ones are properly cared for.

It is a privilege to serve on the BRI Board as the EPC health and retirement plans we oversee benefit those who serve Christ. We believe our plans are vital to strengthen the body, mind, and spirit of our Members to better serve our communities, and provide for our families, and in doing so, bring more to saving faith in Jesus.

I want to thank my fellow Board members for their dedicated service and passion to advance and elevate the mission of the EPC to better fulfill the Great Commission

### **Recommendations (Detailed)**

#### **Recommendation 45-28**

That ordained ministers drawing retirement income from the EPC 403(b)(9) Defined Contribution Retirement Plan be allowed to designate up to 100% of their retirement income for housing allowance as permitted by applicable regulations adopted pursuant to the Internal Revenue Code.

**Rationale:** To do so permits retired, ordained ministers to take advantage of this significant tax benefit in retirement, thereby making more of their retirement income available for living expenses. Adopting this recommendation on an annual basis provides retired ministers with a readily available reference if asked by tax authorities.

## CHAPLAINS' WORK AND CARE COMMITTEE

This report is available online at [www.epconnect.org/2025-committee-report-cwcc](http://www.epconnect.org/2025-committee-report-cwcc)

The Chaplains Work and Care Committee (CWCC) report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly. This report includes the associative work of the CWCC and Chaplain Endorser.

### Summary of Work

1. Approved fifteen new Endorsements for Chaplaincy (civilian/military). With the deletion of some chaplains for various reasons, our current increased number of Chaplains is now 87.
2. The CWCC Chairman and Endorser, with the support of Bob Garment, EPC Chief Parliamentarian, reviewed the MVC Procedure Manual and provided an edited version of the Manual (areas related to Chaplaincy) to the MVC.
3. As an Officer of Chaplains Alliance for Religious Liberty (CALL), the Endorser accomplished 63 key office visits with Congressional members of both House and Senate Armed Services Committees, and was part of a large symposium on Religious Freedom in America with the National Council on Religious Freedom in Washington, D.C.
4. The CWCC recognizes the extensive work of the Endorser, citing a continued increase of chaplains and his tireless support to them, as well as the impact he is having on Capitol Hill and other venues regarding chaplaincy. The CWCC noted that the Endorser's workload continues to increase and encourages the OGA to look at hiring an Administrative Assistant to support him.
5. The EPC Chaplain Endorser serves as Board Chairman of the National Association of Evangelicals – Evangelical Chaplains Commission, the Chaplaincy Arm of the NAE, as well as serving in multiple other organizations represented in the body of this report.
6. The Endorser accomplished 26 official, in-person Endorser visits to chaplains.
7. The Endorser continued his chaplaincy speaking visits to all EPC Presbyteries, completing all his visits by February 2025.
8. The Endorser participated in the World Conference of Ministry to the Armed Forces in Sao Paulo, Brazil, consisting of over 1900 participants from over 75 countries and held every 10 years in different countries. Because of his reputation and expertise in US Chaplaincy and Endorsement, he was asked to speak on both those subjects to the Conference attendees.
9. The Endorser represents the EPC, CWCC, and chaplains through meetings with associations and conferences in which the denomination has affiliation (names of these are provided in the report body). Meetings were both in-person and virtual.

10. The Endorser continued his direct work and officer positions with three major chaplain-supporting organizations in which the EPC belongs (more provided in the body of the report).
11. The 2025 annual Chaplains Workshop will be held the Friday after GA, featuring PIR Ministries, and Chaplain Vasyl Khimich, Chaplain to the Ukrainian Military and his wife Valya.
12. Further research is being done on developing a Social Network tool for use by the Chaplains and the Endorser/CWCC.
13. The Chairman of the CWCC, RE Bruce Alexander, Chose to step down in March due to health issues. RE Kendra Bowers was unanimously chosen as Chairman to replace Bruce.
14. Two Committee Members will be ending their time with the CWCC. Two TE's were recommended to the Nominating Committee to come on board GA 2025. This keeps the desired balance of the Committee to a ratio of 2-1 TE's to RE's.
15. Revised/updated the EPC Chaplaincy web page to keep it current.
16. Provided recommended wording about Chaplaincy to be added to the Gospel Priorities tab on the EPC website.
17. Besides multiple Endorsement Interviews throughout the year, the CWCC/Endorser accomplished their annual two-day Fall and Winter/Spring CWCC meetings.
18. The Chaplain Endorser's Position was renewed by unanimous vote of the CWCC for an additional 3-year term.

### **Recommendations**

The Chaplains' Work and Care Committee has no recommendations for the 45th General Assembly.

### **Work of the Committee**

#### **Scope of Work**

The Chaplains Work and Care Committee (CWCC) consists of nine members, both Teaching and Ruling Elders, along with the EPC Chaplain Endorser who serves as an ex-officio member with voice and vote. The desired balance of the Committee is a 2-1 ratio of TE's to RE's. The CWCC and Endorser are supported by the denomination's Assistant Stated Clerk. The number of EPC chaplains is growing. With only limited administrative support able to be provided by the OGA, the Endorser is seeking either an Employed or Volunteer Administrative Assistant to support his work and the work of the CWCC.

The military and many civilian institutions require their chaplains to be Ecclesiastically Endorsed by their denominations. Additionally, the EPC expects all chaplains serving in institutional

organizations that don't require Endorsement, to nevertheless be Endorsed under the EPC through the CWCC and Endorser. This requirement is in line with other sending denominations and faith groups. It helps to ensure that all individuals seeking to serve as Chaplains are well vetted and suited for this specialized type of professional ministry, and that we are meeting the expectations of Institutions asking us to send them the "best of our best" to serve.

EPC-ordained ministers and candidates under care of Presbyteries receive EPC Denominational Ecclesiastical Endorsement through the General Assembly's Chaplain Endorser, who is the sole signatory for Endorsements, supported by the Chaplains Work and Care Committee (CWCC). The Committee and Endorser handle the application, vetting, interview, and endorsement process, closely reviewing the qualifications of each applicant for Endorsement. If approved, the Chaplain Endorser forwards the EPC Ecclesiastical Endorsement to:

- The Chief of Chaplains Office of the appropriate military branch for military institutional chaplains (this also includes seminarians entering Military Chaplain Candidate Programs).
- The necessary agency for civilian institutional chaplains, including those seeking Board Certification, entrance to Clinical Pastoral Education programs, and others.

Notification of successful Endorsement is also provided to the Presbytery in which the individual is in process for Ordination or already Ordained and serving in another Calling. In addition, Volunteer chaplains are now properly recognized for their work and receive a letter of "Endorsement to Serve as a Volunteer Chaplain." We encourage all those who are serving as Volunteer Chaplains as an addition to their Calling, to apply and receive this Endorsement so that they may be properly supported and recognized.

Due to the parallel process of Ordination and Endorsement, most of the following categories of Endorsement receive Conditional Endorsement which is explained below.

There are five distinct types of Endorsement, keeping in mind that all EPC chaplains are expected to receive Endorsement:

- A. Military Chaplaincy Endorsement.** For those Called to serve as a chaplain with the Army, Air Force, or Navy (includes Marines and Coast Guard), in an Active Duty, Reserve, or Guard capacity, including Seminarians considering military chaplaincy and entering a military Chaplain Candidate program, or those seeking to serve the Coast Guard Auxiliary Chaplaincy.
- B. Military Chaplaincy Transfer of Endorsement.** For currently serving military chaplains seeking to transfer their ordination credentials and endorsement from their current denomination or ordaining/endorsing group to the EPC.
- C. Civilian Institutional Chaplaincy Endorsement.** For those Called to serve as a chaplain within a civilian institution, including Hospital/Health Care, Hospice, Correctional Facilities, Corporate and Marketplace chaplaincies, Sports Organizations, Education, and more.
- D. Civilian Institutional Chaplaincy Transfer of Endorsement.** For currently serving civilian institutional chaplains seeking to transfer their ordination credentials and endorsement from their current denomination or ordaining/endorsing group to the EPC.

- E. **Volunteer Chaplaincy.** For those (often TE's serving in paid ministry roles) who are seeking to add to their Call of ministry in a "Volunteer" capacity. Volunteer chaplains serve in a variety of locations, providing unpaid and highly valuable chaplain support to various institutions and departments such as Police, Fire, First Responders, Disaster Relief, Health Care, and more. Volunteer chaplains receive a "Letter of Endorsement to Serve as a Volunteer Chaplain."

**Conditional Denominational Ecclesiastical Endorsement is provided for various reasons:** 1) those still in process of Ordination and have successfully completed their written Ordination Exams; 2) as a requirement/expectation by Presbyteries for meeting ordination requirements; 3) for the purpose of applying for a chaplain position that is time sensitive; 4) to assist in the timing of the transfer credentials from another denomination as set forth by a presbytery; 5) to meet requirements by military institutions that there be no disruption in a chaplains Endorsement status; 6) to apply to a Clinical Pastoral Education (CPE) program/residency or to apply for Board Certification; or 7), to submit application to a military Chaplain Candidate Program for Seminarians. Conditional Endorsement is limited in length and can only be renewed by the Chaplain Endorser.

The Committee's secondary—but just as important—function is to partner with Chaplains to be an encourager, and to guide and support them. All employed chaplains endorsed by the EPC will receive regular, direct support from a CWCC member as their partner. Volunteer Chaplains will still be partnered with a CWCC member who will be available to them as needed, such as for prayer requests, concerns, supporting information, and the like.

The Endorser's secondary—but equally vital—function is to provide continuing support and accountability with chaplains, ensure that they are maintaining connection with the EPC, and that they are representing our God and the EPC well in their ministry. The Endorser also ensures, through visits with Chaplains, that leadership is pleased with their work, and in turn, that leadership is supporting our chaplain in their efforts. Another key Endorser focus is that Chaplains receive annual, continuing education and training to better equip them in their work. These speak only of a few of the broad range of the Endorser's responsibilities.

### **Policies, Procedures, Care**

In addition, the CWCC and Endorser develops and implements policies and procedures for EPC chaplain ministry and provides pastoral care for Chaplains and their families as opportunities allow.

### **Chaplaincy Endorsements**

Since the 44th General Assembly, the CWCC approved the following chaplaincy endorsements, bringing the total number of Endorsed Chaplains to 87:

**TE John Macere:** Approved Denominational Ecclesiastical Endorsement to John Macere for Army Reserve Chaplaincy.

**TE John Macere:** Approved Denominational Ecclesiastical Endorsement to John Macere for Civilian Hospice Chaplaincy.

**TE Jonathan Sasser:** Approved Denominational Ecclesiastical Endorsement through the EPC Chaplain Endorser for Jonathan Sasser to serve as a Civilian Hospital Chaplain and/or Marketplace Chaplain.

**TE Edward Ramer:** Approved Denominational Ecclesiastical Endorsement to Edward Ramer for U.S. Bureau of Prisons Chaplaincy conditional upon successful Transfer of Ordination from the NAE to the EPC.

**TE Ryan Swieringa:** Approved Denominational Ecclesiastical Endorsement to Ryan Swieringa for hospital chaplaincy conditional upon successful Transfer of Ordination from the CRC to the EPC.

**TE Kate Mauch:** Approved Denominational Ecclesiastical Endorsement to Kate Mauch for hospice chaplaincy and for application for Board Certification conditional upon successful Transfer of her Ordination credentials from the PCUSA to the EPC.

**TE Christian Zebley:** Approved Conditional Denominational Ecclesiastical Endorsement for Christian Zebley to serve as an Active-Duty U.S. Navy Chaplain upon successful accession by the U.S. Navy.

**TE Joshua Fellrath:** Approved Conditional Denominational Ecclesiastical Endorsement for Joshua Fellrath to serve as an Active-Duty U.S. Air Force Chaplain upon successful accession by the U.S. Air Force.

**Leonilda Ruiz Perez:** Approved Denominational Ecclesiastical Endorsement for Leonilda Ruiz Perez for providing chaplain support to EMT's, Disaster Response Teams, the Puerto Rican Government, as well as Dean of the School of Counseling and Chaplaincy in Puerto Rico.

**TE Jim Howe:** Approved Denominational Endorsement for Jim Howe to serve as a Volunteer Sheriff's Department chaplain in Weed, CA.

**Scott Glover:** Approved Denominational Endorsement for Scott Glover to serve as a Volunteer Chaplain for his community of Kingsport, TN.

### **Operational Handbooks**

Further edits were made to the Chaplain's Handbook to make it an even more streamlined and efficient tool for Chaplain use.

### **Updating Chaplaincy Forms for Digital Access**

Chaplain Application and Information Forms require consistent updates to keep them current. The Endorser, with the support of the EPC Communications Team, ensures that these updates happen in a timely fashion. These are all accessible online at <http://www.epconnect.org/chaplaincy>.

### **EPC Chaplaincy Webpage**

The ever-evolving EPC Chaplaincy web page at <http://www.epconnect.org/chaplaincy> is continually updated as necessary by the Chaplain Endorser through the EPC Communications Team. Updates keep the page current and user-friendly, while providing easy access to Endorsement Applications along with a clear explanation of the EPC Endorsement process for all seeking to serve as Chaplains.

### **Social Networking Tool for Chaplains**

In 2023 a presentation was provided by one of our EPC Chaplains, PJ Werner, regarding information sharing and networking among EPC Chaplains. The Endorser with CWCC Support is continuing further research on developing a Social Network tool for use by the Chaplains and the Endorser/CWCC

### **Chaplaincy as Part of Gospel Priorities**

CWCC Chairman Bruce Alexander, Chaplain Endorser Mark Ingles, and incoming Chairman Kendra worked collaboratively with the Office of the General Assembly to incorporate the chaplaincy into the appropriate sections of the EPC website.

### **Chaplains' Workshop**

All chaplains are expected to attend the annual Chaplains Workshop. The Chaplains Workshop had been recognized as a Leadership Institute offering at previous GAs, as much of what was presented would be valuable to both chaplains and non-chaplains alike. Because of changes in

the format and schedule for General Assembly, the elimination of the Leadership Institute offerings, and due to some decisions made through the NLT several years ago, it was decided that General Assembly, which always included a day for the Chaplains Workshop, would only be three days. We were therefore informed that we could not hold the Workshop at the Host Church for 2024, and likely for the years following, an unintended and grievous consequence of the NLT decision. After an exhaustive attempt to allow the Workshop to still occur at last year's GA location, Hope Church, it was to no avail. Therefore, the 2024 Chaplains Workshop was held at Highland Heights EPC in Cordova, TN on the Friday following GA. TE Tim Foster, Navy Reserve Chaplain, former member of the CWCC, and current pastor of Highland Heights EPC, graciously offered his facility for the Workshop. Rev. Bonnie Gatchell was the speaker throughout the day on the topics of Trauma and Abuse, Mandatory Reporting, Burnout, and more.

Again, this year we were not permitted by OGA to have the Workshop at the Host Church, Ward Church – Northville. Thankfully, we were able to reserve use at the Farmington Hills Campus of Ward. Though it has presented its own set of hurdles, the staff of that Campus has been very gracious and helpful, and we don't expect any issues. The focus for Workshop 2025 is two parts:

Part 1 of the Workshop will feature Vasyl and Valya Khimich from Ukraine. Vasyl and Valya Khimich have a powerful Ukrainian story. Vasyl is a chaplain to Ukrainian military servicemembers. Together they lead an active, multi-faceted ministry of prayer and tangible support to service members on the frontlines, wounded service members, their families, and war-caused widows and orphans, all on a volunteer basis. Their focus is to encourage, comfort, care, and evangelize. Vasyl is also the head of the "Organization of Military Christians of Ukraine," Ukraine's largest military Christian fellowship.

The title of Part 2 featuring PIR Ministries is, "Cultivating a Culture of Ministry Health: A Culture where life, leadership, and ministry flourish in Christ". PIR Ministries staff will provide workshop sessions on the challenges and opportunities that ministry life presents. Bringing experience and practical insights to the issues of ministry health, staff members of PIR Ministries will focus on Cultivating a Culture of Ministry Health, A Culture where life, leadership, and ministry flourish in Christ, as well as sessions on Burn Out, Self-Care, and much more.

During GA we are planning on the Presentation of Chaplains to the Assembly during one of the Business Sessions. Also, we will host one of the Network Lunches, with Vasyl and Valya presenting on the topic: "Resting on the Firm Foundation of Christ in the Midst of the Horrors of War: A Ukrainian Chaplain's Experience and Perspective". In addition, there will be a Chaplains Dinner on Wednesday of GA.

### **Marriage Enrichment Opportunities**

With the desire to help enrich the marriages of our chaplains, the Chaplain Endorser has been periodically sending emails to the chaplains focused on various ways to enhance one's marriage. He is also planning to put together a focus paper to be sent out to all married chaplains. It will contain various marriage enrichment and maintenance opportunities in support of maintaining good marital health.

### **Privileged Communications/Confidentiality Brief**

The Chaplain Endorser continues collaborating with Bob Garment, EPC Chief Parliamentarian regarding the arena of privileged communications, confidentiality, and mandatory reporting, something that already exists for many of our EPC Chaplains. For example, the Department of Defense has a strict policy that provides nearly absolute adherence to the provision of Confidential Communications with Chaplains, following closely the absolutes of Penitent Privilege/Confessional, afforded to Catholic Priests. Further discussion will continue, in possibly developing a policy on this for all TE positions.

### **Chaplain Visits**

Chaplains receive personal visits from the Endorser, preferably every three years at a minimum. Even with some limitations imposed by rising travel costs and limited travel budget, the Endorser was able to accomplish 26 official/personal Endorser visits to chaplains, their supervisors, and leadership. These visits develop an ongoing and closer relationship with our Chaplains, along with helping to ensure their professional development. In addition, these visits provide important relationship-building between the Endorser and Supervisors and other Leadership to whom the Chaplain is accountable.

### **Endorser Presbytery Visits**

The Endorser began his chaplaincy speaking visits to all EPC Presbyteries in September of 2023. He completed speaking at all 16 Presbyteries by February 2025. The focus of these visits was to speak about and better educate the Presbytery on the specialized ministry of Chaplaincy. The relationship between Ordination and Endorsement, its professional standing, and how Presbyteries can better come alongside Chaplains in various, important ways was also addressed. As the most rapidly growing form of ministry in the country, it was highly appropriate and timely to make these visits.

### **Participation in the Worldwide Conference of Ministry to the Military**

The Endorser participated in the Worldwide Conference of Ministry to the Military, which occurs every 10 years. This weeklong Conference was held near Sao Paulo, Brazil, with over 1900 participants from 75 countries. The Endorser, as requested by the Conference leadership because of his noted expertise on US Military Chaplaincy, shared with the entire Conference about many areas of interest concerning Chaplains serving in the United States Military and how all Chaplains that are part of the military are required to be Endorsed by their respective religious body. It was an outstanding week of enlightening presentations, incredible worship, and wonderful experiences with people from all over the world.

### **Association Relations**

The Endorser represents the denomination and chaplains in associations with which we have affiliation, as well as at seven professional conferences. This includes NCMAF (National Conference of Ministry to the Armed Forces), NAE-ECC (National Association of Evangelicals – Evangelical Chaplains Commission), the Chaplaincy arm of the NAE, CALL (Chaplains Alliance for Religious Liberty), ECVAC (Endorsers Conference for Veterans Affairs Chaplaincy,

AFCB (Armed Forces Chaplain Board), MCA (Military Chaplains Association), FCMM (Fellowship of Christian Military Ministries), and the NCRF (National Council on Religious Freedom).

### **Endorser's Association Officer Roles**

Serves as Board Chairman for National Association of Evangelicals – Evangelical Chaplains Commission (NAE-ECC), the Chaplaincy Arm of the NAE. In addition, he also serves as part of the Advisory Board for the new Board of Certified Chaplains. The Endorser also continues as Treasurer for the Chaplains Alliance for Religious Liberty (CALL), and as Secretary for the Endorsers Conference for Veterans Affairs Chaplaincy (ECVAC). The EPC is a member of all these organizations.

A special note regarding Chaplain Alliance for Religious Liberty (CALL), in which Endorser Mark Ingles serves as an Officer. Since 2011, CALL has been on the front lines and has led the effort to secure the religious liberties of chaplains and those whom they serve. The Organization strives to enable all chaplains to serve to the broadest extent of their constitutional mission and endorsement, and they nurture and support an environment that cherishes the role of chaplains in American culture. Keep them in prayer as they strive, through direct congressional, legal, and military institutional engagements, to ensure that no American, especially those who serve our nation, are denied their constitutionally protected rights to freely exercise their religious beliefs. Through his Association with CALL, the Endorser accomplished 63 very productive office visits with various members of Congress who are part of the Armed Services Committees of both the House and the Senate. These meetings focused on Religious Freedom and Religious Liberty, and numerous other issues and challenges, particularly facing our Chaplains. The Endorser was also part of a large symposium on Religious Freedom in America in Washington DC.

### **Clinical Pastoral Education (CPE) Partial Funding**

Recognizing the great importance of CPE for Chaplains, particularly in the arena of Health Care, discussion continues about the potential for providing partial funding of CPE Courses through the Care of Chaplains Fund, and possibly from Presbytery funding. A working paper will be created by two CWCC Members that will be discussed at a future CWCC Meeting.

### **CWCC Edits of the MVC Procedural Manual on Chaplaincy Matters**

CWCC Chairman Bruce Alexander and Endorser Mark Ingles worked together to edit the MVC Procedural Manual on areas related to Chaplaincy. After review by the MVC during their MVC Annual Meeting, the MVC chose to refer people to the revised Endorser and Chaplains Work & Care Committee Handbook, which contains exhaustive information for answers and direction related to Chaplains and Chaplain Endorsement.

This is particularly pertinent related to Presbytery Ministerial Committees and the work of the Chaplains Work and Care Committee on those pursuing Chaplaincy. This allows both the Permanent Ministerial Vocations Committee and the Permanent Chaplains Work and Care Committee to support Presbyteries as they consider those seeking a Call to Chaplaincy.

### **Committee Member Transitions and Appreciation**

Committee Chairman Bruce Alexander made the decision to step down at the March CWCC Annual Meeting, due to various health and personal family challenges. Bruce gave 7 years of outstanding service to the Committee as both a Committee Member and Chairman. We so very much appreciate Bruce's insight, leadership, and dedication to the work of the CWCC. He has been a great friend to the Chaplains and to all of us on the CWCC. We will continue to pray for Bruce and his wife, as they tackle the challenges they are facing. We love you and will miss you greatly. After much consideration of the current Committee Members, Bruce and Mark put forth to the Committee Kendra Bowers as a recommended choice to replace Bruce. Nominations were solicited for other names, but there were none. The Committee unanimously voted to select Kendra as the new Committee Chairman. Everyone agrees she will be an excellent Chairman.

### **Chaplain Endorser Renewed**

Since Endorser TE Mark Ingles' three-year term as Endorser expires in June, TE David Snyder made the motion that was seconded by TE Marty Carpenter to renew Mark's term as the EPC Chaplain Endorser for another three years. The motion passed unanimously.

### **Personal Remarks from Chairman Bruce Alexander**

EPC Chaplains serve as ambassadors for the denomination, the institution that employs them, and our Lord and Savior, in settings where the people in their mission fields may have no contact with a church. Frequently Chaplains are expected to serve in locations that are many miles from the nearest EPC church and presbytery. The Chaplains Work and Care Committee (CWCC) provides a much-needed support system for them by maintaining contact with them, encouraging them, praying for and with them, and providing a communication channel to the denomination.

The CWCC consists of 9 members: 6 TEs and 3 REs with diverse backgrounds and experiences. The current committee includes REs from Wisconsin, Tennessee, and North Carolina. TEs on the committee include an active-duty Army Chaplain, 2 hospital Chaplains, one police chaplain, two retired Army Chaplains, and one retired Air Force Chaplain. The Chaplain Endorser serves as an ex-officio member of the CWCC. It has been an honor to serve with this dedicated and humble group of servants. I regret that health issues dictate that I step aside after almost 8 years on the CWCC. RE Kendra Bowers has assumed chairmanship of the committee, and I wish her well.

### **Personal Remarks from Endorser Mark Ingles**

It's hard to believe I've been serving as Endorser and "Chaplain to the Chaplains" now for 13 years! When I started, I had 32 chaplains to support and take care of; now I have 89! That is totally indicative of the ever-increasing growth of chaplaincy.

As the number of EPC chaplains continues to expand, it has proven to be quite challenging to keep up with all the inquiries we are receiving and endorsements we are processing. I'm thankful for the members of the Chaplains Work & Care Committee, and the outstanding leadership of the outgoing Committee Chairman, Bruce Alexander, the incoming Chairman, Kendra Bowers, the helpful secretarial support of member Dave Snyder, and though limited, the OGA support afforded by April Hair. Also appreciated is the support of Michael Davis as the OGA resource

person for the CWCC and my work as Endorser. Without their support, my work would be much more wearing.

Our Chaplains continue to impress me over and over with the amazing work they are doing and the moving stories they have shared about the lives they have touched. Chaplains ministering within secular environments are at the exciting forefront of ministry. As highly skilled, trained, and godly professionals, it takes a combination of special qualities, mindset, strengths, and skills to be a chaplain. Chaplains complement the work of the Church by providing a reach to people that might not darken the door of a church, yet yearn for some sort of spiritually anchored support (or just a listening ear and shoulder to lean on) in their challenges of life. It is a tremendous joy to be their Endorser and excited about the impact they have as an invited guest in the midst of multiple secular workplaces. They go to where people are, their very work centers, daily lives, and bedsides, that many in other types of ministries often can't go. To see our chaplains used by God to help those entrusted to them through some of the most difficult and challenging times in their lives is a beautiful thing. Thank you for your support and trust in me as your EPC Chaplain Endorser.

## **DISASTER RELIEF COMMITTEE**

This report is available online at [www.epconnect.org/2025-committee-report-drc](http://www.epconnect.org/2025-committee-report-drc)

The Disaster Relief Committee (DRC) report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. The EPC Office of General Assembly and the Disaster Relief Committee sent \$100,000 to Central Carolinas Presbytery to distribute to the churches for immediate needs (\$10,000 per church) on October 3rd after Hurricane Helene hit the Asheville region.
2. The DRC sent Cliff Mansley, Toni Harris and Whitney Alexander to assess western North Carolina on October 15-17, 2024, and to meet with as many pastors as possible to provide hope and assistance.
3. The stated clerk, Dean Weaver and Whitney Alexander went to Valley Hope Community Church in Swannanoa on October 30-Nov 1, 2024; to visit with as many pastors as possible and provide hope and financial assistance for any immediate needs they may have from Hurricane Helene.
4. The DRC sent Whitney Alexander to First Presbyterian Church in Dexter, New Mexico to assess the flooding damage and provide financial assistance to one of our EPC churches.
5. The DRC sent Toni Harris back to Swannanoa, NC to meet with Valley Hope church staff with the possibility of building a permanent facility for work teams for the next few years to help in the Asheville region. After many months of permit delays, it was decided to ask our churches to call surrounding camps (ie, Ridgecrest Camp) and Adventures in Mission (AIM) to house our EPC work teams in the coming months and years of recovery.
6. Working with the Office of the General Assembly in preparation of establishing a DRC informational page on the current EPC website.
7. The completion of re-roofing ten (10) homes in Selma, Alabama in 2024 was very successful with Reverend Steve Burton and DRC member Toni Harris, leading the project.
8. The DRC members Dave Shanklin and Toni Harris and their churches brought supplies to western North Carolina and to Selmer, Tennessee this past year. Many EPC churches responded to the needs in North Carolina, Tennessee, Georgia, Florida, New Mexico and California this past year.
9. The Disaster Relief Committee helped to reroof a new EPC church plant in Clearwater, Florida by providing financial assistance under the leadership of former DRC member,

Jim Winter. Jim Winter checked on all the Florida churches in his Presbytery after three significant hurricanes hit and went across Florida in 2024.

10. Disaster Relief Committee member, Rev Dr Paul Gibson facilitated an Emotional Trauma Workshop at Valley Hope Community Church in Swannanoa, NC in March 2025. This workshop was attended by all 13 teaching elders in the Asheville region and was well-received. Our desire is to provide this workshop in the next few years for all Presbytery's that are willing to invite Dr Gibson for a 4–6-hour time frame (ie, a mini retreat before the Presbytery meeting begins).
11. The DRC approved additional financial assistance, and the Office of General Assembly sent \$25,000 to each of the eleven EPC churches in the Asheville region for hurricane disaster assistance for their church needs and pastoral assistance for counseling and family assistance in April 2025.
12. The DRC has been busy thinking how we can educate all our churches to be prepared and begin coming up with disaster plans before the next storm arrives unexpectedly.
13. The DRC provided a fund for Disaster Relief in the forest fires of Los Angeles and surrounding communities. We are still receiving funds to assist churches in the future recovery work and rebuilding that will be going for years to come.

### **Recommendations**

The Disaster Relief Committee has no recommendations for the 45th General Assembly.

### **Work of the Committee**

#### **Proactive Disaster Preparedness for Congregations**

Every congregation should be prepared for the possibility of a disaster impacting their community. Church leadership should proactively discuss and establish a response plan for such events. Consider the potential effects on your church campus, members' homes, and the surrounding community. While preparing for hurricanes, floods, tornadoes, earthquakes, or wildfires can be challenging, it is far better than reacting without a plan. Our Disaster Relief Committee is here to assist you with the planning process.

#### **Work in Swannanoa, North Carolina, and the Asheville Region**

The DRC immediately kept in touch with all the western North Carolina churches after Hurricane Helene flooding touched the lives of 11 western EPC North Carolina churches and their congregations. The damage was incredible to thousands of homes and took the life out of our shepherds who were guiding their flock to the best of their ability while caring for their own families. It was chaotic the first few weeks as each pastor was guiding their respective church families and shepherding the hurting in their communities. We have not seen anything this extensive since Hurricane Katrina in 2005.

## **Work in Selma, Alabama**

One of our actions as a committee this past year was to continue assisting Cornerstone Presbyterian Church (Rev Steve Burton) with financial assistance to complete ten roofs on homes in Selma, Alabama in 2024. Our EPC Domestic Disaster Fund contributed \$60,000 along with three churches: Hope Presbyterian Cordova, TN, First Presbyterian Baton Rouge, and Cornerstone Presbyterian Selma, contributing \$60,000. This project between two churches in Selma, Alabama was a beautiful picture of the body of Christ loving our brothers and sisters who needed roofs for their homes. We are proud of the work Toni Harris did in leading this roofing project.

## **Establishing the Committee and Responding to Disasters**

The DRC had six zoom calls in our second year to continue establishing our mission purpose statement and vision for assistance with natural disasters. The DRC had many disasters to discuss this past year, especially in North Carolina, Florida, and New Mexico.

The DRC visited western North Carolina churches in October and November 2024 after Hurricane Helene disaster, and we provided financial assistance and hope to 11 churches, and in March 2025 provided emotional trauma workshop led by Rev Dr Paul Gibson for 13 EPC TE's in this region. The DRC also visited First Presbyterian Church in Dexter, New Mexico in late October after the flooding in their community. Rev Suzanne Zampella has done incredible work in this aftermath of flooding in her community. The DRC sent committee members to Selma, Alabama; Selmer, Tennessee; and to Missouri and Arkansas to assess the tornado damages in many small communities.

There have been many EPC heroes in the past year that have assisted across this country. I do not know all of you but am very grateful for the hundreds of churches and individuals that have given to the EPC Domestic Disaster Emergency Fund which has helped thousands of people across this country.

## **Dear Evangelical Presbyterian Church**

Every disaster is a call to prayer. This is the one thing that we can all do. As your Disaster Relief Committee (DRC), we feel the need to remind each other that although every disaster deserves a Christian response, we do not have the capability or the capacity to respond with material relief in every situation. However, this does not mean that our response is apathy or lack of caring. Prayer is the primary tool of the Christian to shape the world, so we must pray.

We face a challenge. Sometimes we have the capacity to give to a disaster, but we may not have the capability to provide clear direction for our giving. At other times we may have the ability to help but we do not have the local capacity to deliver that care. In disasters, our desire to help meets our finite abilities and capacities. We are a small denomination and as such we must carefully choose our times to act in addition to prayer.

As such, we have set the following guidelines: Prayerfully, we will enact EPC Disaster Relief efforts where we have a local EPC congregation that has been seriously affected; showing the compassion of our Father to the world. We are convinced that good stewardship calls us to

mitigate needs through the local expression of the Evangelical Presbyterian Church. We recognize that many disasters will occur where we do not have a local EPC presence, in those cases, we call on all congregations to pray and respond as they are moved. Your giving to the EPC Domestic Disaster Relief Fund is always appreciated.

The EPC Vision statement states: “To the glory of God, the EPC family aspires to embody and proclaim Jesus’ love as a global movement of congregations engaged together in God’s mission through transformation, multiplication, and effective biblical leadership.”

Caring ministry begins with prayer and continues with the family of God helping those in need.

In His grip,

Disaster Relief Committee of the Evangelical Presbyterian Church

### **Additional Information**

Our only desire is to ask our Heavenly Father to cease with all the natural disasters in the world. Biblically, we will continue to have flooding, fires, and earthquakes; but we have had an unusual large number of disasters throughout the United States this past twelve months. Please be in prayer for all who are still recovering from natural disasters.

## FRATERNAL RELATIONS COMMITTEE

This report is available online at [www.epconnect.org/2025-committee-report-fraternal-relations](http://www.epconnect.org/2025-committee-report-fraternal-relations)

The Fraternal Relations Committee report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### Summary of Work

1. The Committee takes as its charge to Identify, Develop, and Implement relationships with other bodies of Christians that will promote the Lordship of Jesus Christ, the unity of His Body, and the strengthening of the Kingdom of God on earth. (84-06).
2. The Committee's remit covers: • Ecumenical Relationships: National Association of Evangelicals; World Reformed Fellowship. • Domestic Relationships: Associate Reformed Presbyterian Church; Christian Reformed Church; Covenant Order of Evangelical Presbyterians. • International Relationships – Pending: Presbyterian Church in Ireland. • International Relationships – Existing: St. Andrew's Presbytery, Argentina; UNEPREF – National Union of French Protestant Reformed Evangelical Churches; Evangelical Reformed Church of Kazakhstan; Church of Jesus Christ in Madagascar; Presbyterian Church of Brazil (IPB); Presbyterian Church of Mexico (INPM); and, Evangelical Presbyterian Church, Sierra Leone.

### Recommendations

**45-07** The Fraternal Relations Committee recommends that the 45th General Assembly approve the revised Articles of Agreement with the St. Andrew's Presbytery of Argentina through 2030.

**45-08** Recommends that the 45th General Assembly approve entering into a formal Fraternal Relationship with the Presbyterian Church in Ireland (as described in *Acts of Assembly* 12-10. 1a)

**45-09** The Fraternal Relations Committee recommends that the 45th General Assembly approve the 'Affirmation of Fraternal and Confessional Relations between the Presbyterian Church in Ireland and the Evangelical Presbyterian Church.'

**45-46** The Fraternal Relations Committee recommends that the 45th General Assembly withdraw its formal fraternal relationship with The Church of Jesus Christ in Madagascar; and that future relationships be through the World Reformed Fellowship.

### Work of the Committee

1. Having been in conversation with the Presbyterian Church in Ireland for several years, the Committee is pleased to recommend a formal fraternal relationship between the denominations. We bring the Affirmation of Fraternal and Confessional Relations for the Assembly's consideration. We expect that, as the relationship deepens, this document will form the basis of a more detailed Memorandum of Understanding.

2. The Committee has been developing the fraternal relationship with UNEPREF, the National Union of French Protestant Reformed Evangelical Churches. Members of the EPC's Church Planting Team are assisting with a new church development in Bordeaux. We would like to encourage partnerships between UNEPREF congregations and local EPCs. A Memorandum of Understanding between the two denominations should be ready to be brought to next year's GA.
3. Having worked with representatives of the St. Andrew's Presbytery of Argentina, we are pleased to recommend an updated version of the Articles of Agreement through 2030.
4. Since we have not been able to contact representatives of The Church of Jesus Christ in Madagascar for several years, effectively, no reciprocal relationship exists. We are recommending that the EPC withdraw from a formal fraternal relationship, but that we maintain contact through the World Reformed Fellowship.
5. The Committee has been in contact with the Synod of the Nile in Egypt. Representatives will, God willing, attend the 45th General Assembly.
6. The Committee welcomed a growing relationship with La Iglesia Evangelica de los Pinos Nuevos in Cuba, especially the introduction of experienced Cuban Church Planters to the EPC. However, the Committee will not be pursuing a fraternal relationship at this time.
7. Our partners in the Evangelical Presbyterian Church of Sierra Leone continue to experience significant growth, particularly among the Muslim community. The Committee encourages churches and presbyteries to support the work of EduNations in Sierra Leone.
8. On behalf of the committee, TE Josh Hammans has been translating various documents so that these can be made available to fraternal partners and others as appropriate. We have seen the need for Constitutional documents and training materials in various languages, including Spanish, French, Korean, and Arabic.
9. The Committee continues to work with the Office of the General Assembly to invite, welcome, and serve fraternal guests to the Assembly.
10. The Committee has maintained informal relations with the following denominations: the Presbyterian Church in America (PCA) and the Reformed Presbyterian Church of North America (RPCNA).

### **Recommendations (Detailed)**

#### **Recommendation 45-07**

Recommends that the 45th General Assembly approve the revised Articles of Agreement with the St. Andrew's Presbytery of Argentina through 2030.

**Rationale:**

*Acts of the Assembly* 09-03 defines the agreement with longtime, highly valued Fraternal Partner, the St. Andrew's Presbytery of Argentina. The existing Articles of Agreement expire in 2025. Representatives of both bodies have been working to update this Agreement, which is now presented for approval. (The document is appended).

**Recommendation 45-08**

Recommends that the 45th General Assembly approve entering into a formal Fraternal Relationship with the Presbyterian Church in Ireland (as described in '*Acts of Assembly*' 12-10.1a).

**Rationale:**

Concurrent with *Acts of the Assembly* 84-06, the Permanent Committee on Fraternal Relations proposes to act upon an instruction from the General Assembly (*Acts of the Assembly* 94-03), concerning our relationship with the Presbyterian Church in Ireland. We believe that a formal relationship would be profitable for both denominations in carrying out the Great Commission, commensurate with *Acts of the Assembly* 12-10.1a.

**Recommendation 45-09**

Recommends that the 45th General Assembly approve the 'Affirmation of Fraternal and Confessional Relations between the Presbyterian Church in Ireland and the Evangelical Presbyterian Church.'

**Rationale:**

The Permanent Committee on Fraternal Relations recommends the following document as a letter of intent, upon which a more detailed Memorandum of Understanding will be developed.

**Affirmation of Fraternal and Confessional Relations between the Presbyterian Church I Ireland and the Evangelical Presbyterian Church (USA)**

Compelled by the clear teaching of Scripture that the body of Christ acts for his glory in its mutual support and cooperation, and acknowledging our common confessional heritage within the reformed tradition, the following is affirmed by the General Assemblies of the Presbyterian Church in Ireland, meeting in Belfast, Northern Ireland from 10-12 June 2025, and the Evangelical Presbyterian Church (USA) meeting in Detroit, Michigan, from 17-19 June 2025.

We each, through our various agencies and courts, will seek tangible ways to express our commonality of purpose in witnessing to the gospel of Jesus Christ.

These expressions may include:

- Invitations for appointed representatives of each denomination from time to time, to attend and exchange fraternal greetings at meetings of their General Assemblies.

- Opportunities for ministers in training to benefit from exchange visits and other means of educational cooperation, for the enrichment of their preparation for ordination and service.
- Consultation between office-holders, and practical cooperation where appropriate, on matters of mutual concern in mission and ministry, including (but not limited to) local mission, overseas partnerships, public policy, and the wider mission of the Church of Christ.
- The mutual sharing of published resources and research, sharing models of best practice, and other insights for the enhancement of the life and witness of our churches.
- Possibilities for short-term mission-team visits and other similar ventures to be mutually supported, as appropriate.
- Encouragement of bi-lateral bonds of fellowship between congregations of both denominations, including prayerful and relational support, pulpit exchanges, and visits.

### **Recommendation 45-46**

Recommends that the 45th General Assembly withdraw its formal fraternal relationship with The Church of Jesus Christ in Madagascar, and that future relationships be through the World Reformed Fellowship.

### **Rationale:**

The Permanent Committee on Fraternal Relations evaluated the relationship between the Evangelical Presbyterian Church and The Church of Jesus Christ of Madagascar and found no evidence that the relationship, as defined in *Acts of the Assembly* 16-07, was in practice. Numerous attempts to contact representatives of the Church of Jesus Christ of Madagascar were unsuccessful. As a result, the committee does not believe this relationship meets the criteria for Fraternal Relations established in *Acts of the Assembly* 12-10. However, relations may still be maintained through the World Reformed Fellowship.

### **Committee Members**

### Summary of Work

1. The MVC worked with Presbytery Care of Candidates and Ministerial Committee Chairs to understand common issues that these committees regularly face and to identify best practices to resolve these issues.
2. The MVC worked to be the shepherd of the shepherds by helping with the personal, emotional, financial, and spiritual needs of several EPC pastors and churches
3. The MVC interviewed individuals who were seeking to engage with the Candidates Educational Equivalency Program for ordination.
4. The MVC held a third annual “on-boarding” training session in January with Ministerial and Care of Candidate Chairs.
5. The MVC met with TE Bob Stauffer, National Director of Church Health, and TE Bill Rasch who provided updates regarding what is occurring in this area of the EPC’s ministry.
6. At our September 2024 meeting the MVC members were paired with Ministerial Committee Chair members in both face-to-face and Zoom break out rooms in which the MVC facilitated various discussions in their groups.
7. The MVC met with TE Annie Rose, Director of Ministerial Support and Development, to be updated regarding the work and fruit of her ministry and to approve edits regarding the Personal Information Form. She also expounded on the Gospel Priority ministry of Effective Biblical Leadership and emphasized the team’s dedication to supporting both teaching and ruling elders through webinars and other resources.

9. The MVC reviewed possible editing suggestions for the Ministerial Vocation Committee Procedural Manual that reference the Candidating process.
10. The MVC reviewed the process utilized by graders of the Ordination Exams with a discussion about any potential changes and addressing any concerns that have been raised.
11. As a result of engagement with the Graders of the Ordination Exams new rubrics for grading and responses by the Graders were developed and approved.

12. The MVC met with the ministries: Faithful Presence, Route One and House of Gladness and approved each as a Recommend Resource for pastors in the EPC.
13. The MVC reviewed the process by which ministries are approved as a Resource for the EPC and will craft more effective means by which to evaluate and utilize the approved Resources.
14. The MVC voted unanimously to upgrade the quality of the leadership by approving TE Chris Curtis as its new Chair beginning at GA 2025.
15. The committee engaged in discussion regarding the Associate membership status of retired pastors within presbyteries and the challenges associated with it. The members agreed to investigate the historical reasons behind the voting restrictions and discuss this issue in depth at a future meeting.
16. The Committee unanimously approved the proposed revisions to the Bible, Theology, Polity, and Exegesis ordination exams answer keys and scoring rubrics.
17. The MVC received a presentation from Dr. Gregory Perry of Thirdmill Seminary Ministry.
18. The Executive Director of EPC Benefit Resources, Bart Francescone, provided an overview of the EPC retirement benefits.
19. The Director of Transitional Pastors, Bill Rasch, clarified the process of transitioning pastors within the denomination and emphasized the need for standardization.

21. Assistant Stated Clerk Michael Davis provided an overview on Gospel Priorities.
22. The MVC entered into discussion about the following topics: Challenges faced by small, rural congregations without pastors. Roles and responsibilities of Commissioned Pastors and Transitional Pastors within the Presbytery. Importance of proper preparation for Teaching Elders and the potential for commissioning pastors, perhaps through a licensing process, to fill gaps in smaller churches.
23. Assistant Stated Clerk Michael Davis provided updates and discussion on the 2025 Next Gen Leadership Summit being held in St. Louis, MO, March 25-27, and partnership with CCO (Interdenominational campus ministry) and the EPC, and future connection opportunities.
24. The MVC received information about PIR's Clergy Sabbatical Tool.
25. Discussion was held regarding Face-to-Face, which occurs each year at General Assembly as required by Acts of Assembly 83-02. The MVC voted to encourage Face-to-

Face to be held earlier in the GA schedule when more churches are present at the meeting.

26. A discussion was held regarding performance reviews for those Ministerial Committee Chairs who are remunerated for their ministry to their presbytery. A Rivers and Lakes document will be reviewed and possibly used in the future.

31. The MVC approved a new Westminster Subscription Authorization form. (Approved 3/18/25)
32. The MVC approved editing the Request for Ordination Exams online form to eliminate the need for all documents listed after “Presbytery Certification”, including PIF upload, and make seminary information “optional” for CEEP Candidates. It was also approved to change the language from “Chairman” to “Chairperson.” In addition, if the box labeled “CEEP” is checked “Yes”, the requirement for the seminary information should become optional. (Approved 3/18/25)
33. The MVC edited Page 42 of the Procedure Manual, second paragraph to add “ordinarily” after the comma in the first sentence and eliminated the last sentence of the paragraph. The sentence to be eliminated is: “In order to release the exams, the Office of the General Assembly shall have a current Personal Information Form on file for the candidate and verify that all requirements have been met.” (Approved 3/18/25)

### **Recommendations**

The Ministerial Vocation Committee has no recommendations for the 45th General Assembly.

### **Work of the Committee**

#### **Scope of Work**

The Ministerial Vocation Committee (MVC) continues its purpose to best support, encourage, and equip Teaching Elders to best be able to fulfill their call as Pastors, which will ultimately strengthen the ministry to which they are called.

The MVC engaged in dialogue with the Ad Interim Committee on Ordination Standards to review and evaluate how our ordination process can be most effective as it involves the Candidate, the local church Session, the Presbytery, and the Office of the General Assembly.

The MVC met with and approved six Candidates to participate in the Candidates Educational Equivalency Program (CEEP).

The third annual “on-boarding” Zoom meeting was held in January 2025 to engage with Ministerial Committee and Care of Candidates Chairs and introduce, or reinforcing, what the Procedural Manual for Ministerial and Candidates Committees contained.

The MVC approved a revised Physicians Medical Release Form.

The MVC updated and revised the Personal Information Form.

The MVC reviewed and approved the Westminster Subscription Form.

The MVC reviewed and approved the Candidate Responsibilities.

## MODERATOR'S REPORT

This report is available online at [www.epconnect.org/2025-committee-report-moderator](http://www.epconnect.org/2025-committee-report-moderator)

The Moderator's report to the 45th General Assembly of his work during 2024-2025.

### Summary of Work

Greetings to you in the Name that is above all names, Our Lord Jesus Christ!

We remember four decades of blessings God has given the EPC as we return to this special place we call Ward Church. Think of the many co-laborers that have gathered here to serve the Lord and share His pleasure as we work together to Glorify Him and Enjoy Him forever. I am sure the best part of being a Moderator is the opportunity to collaborate with the finest servant leaders from across this denomination.

I would like to recognize four outgoing members from the National Leadership Team who represent the spirit of EPC leadership:

RE Earla Bethel, Presbytery of Florida and the Caribbean, is like a fresh breeze of the islands. What wonderful encouragement and a fountain of prayer she has been for the NLT these last six years. She is a savvy businessperson who brings confidence to do the right thing for the Glory of God.

TE Brian Evans, Presbytery of the Midwest, brings a sense of call to serve our Lord that is needed in all leadership teams. I love his calm sincere presence as we seek the Mind of Christ together. He speaks the truth in love.

TE Michael Flake, Presbytery of the Coastal Mid-Atlantic, is wise beyond his years and a pleasure to work with. It has been my honor to witness the next generation of leaders emerging and flourishing. Our future looks bright.

TE Joe Kim, Presbytery of the Pacific Northwest, is a smart leader who is wise. He has the theological depth that comes across as kindness because he is kind. I watched him lead us through a literal tornado! He is a natural blessing.

God has blessed the EPC with hundreds of servant leaders just like these four I thank today. The church is blessed when we share what we have with the Body of Christ. This year we are reminded of the Firm Foundation as Christ builds His Church, and the gates of hell shall not prevail against it!

The direction of the EPC continues to move toward the Four Gospel Priorities driving our mission. Every NLT meeting this year was focused on the Strategic Priorities of the EPC:

- Church Planting Networks have grown, and I have seen groups of churches come together as partners or patrons to start new EPC church plants. Together we can do more than we have been able to do by ourselves. The goal is to have every congregation involved either as a Parent, Partner, or Patron to a new church. We can do this.

- This year we have seen almost every Presbytery establish a Church Health Coordinator. Revitalizing an existing church or providing a Transitional Pastor is good stewardship and a blessing to those congregations. The Transitional Pastor Training is designed to answer the challenges we face today.
- We have learned much from Engage 2025 as a Global Movement. There are still unreached and unengaged people groups. That continues to be our focus as the fields are white for harvest and the workers are few. I am excited for what God calls us to be as part of His worldwide church.
- Thinking about Effective Biblical Leadership from a Ruling Elder's point of view reminds me of how blessed I was to have mentors take me to GA as a young man. My love for the EPC was nurtured by the relationships formed at GA. Our founders saw engaged RE's as vital to the health of the church. Help lay the foundation for the Next Gen leader by bringing them to the Equipping Sessions and Network Lunches. I am grateful for the Elders who brought me years ago and the welcoming spirit of the EPC family.

My prayer for you this year is that you may feel The Lord's pleasure as you serve His church. May we encourage one another toward growth in our relationship with Jesus and each other as we serve Him together. It has been my honor to serve The Evangelical Presbyterian Church as Moderator. May God continue to grow this family. He is faithful and He is so good.

Respectfully submitted,

*Victor Jones*

## **NATIONAL LEADERSHIP TEAM**

This report is available online at [www.epconnect.org/2025-committee-report-nlt](http://www.epconnect.org/2025-committee-report-nlt)

The National Leadership Team (NLT) report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. Approved the Intercessory Prayer Initiative to support church health and spiritual growth.
2. Promoted Zenaida Bermudez to Executive Director of Operations, effective September 2024.
3. Oversaw the development of strategic priorities in church planting, church health, and global movement initiatives.
4. The NLT formally approved the Stated Clerk Position Description from 2019-2020, which Dean Weaver interviewed under and was called.
5. Formed a Moderator-appointed Ad-Interim committee to draft a Pastoral Letter on Disability and Access, especially regarding the sacraments.

### **Recommendations**

**45-37** That the 45th General Assembly approve the FY26 Administrative Budget.

**45-38** That the 45th General Assembly approve the FY26 Special Projects.

**45-47** That the 45th General Assembly approve the 44th General Assembly Minutes.

### **Work of the Committee**

During the past year, the National Leadership Team has actively engaged in advancing our Gospel Priorities through focused discussions and collaborative efforts. The NLT convenes for two days, four times a year—twice virtually and twice in person to assess progress and strategize future initiatives.

The standing committees within the NLT include Personnel (Chair: Neil Smith), Finance (Chair: Earla Bethel), and Strategic Planning (Chair: Chris Danusiar). Our twelve members are equally divided among these committees, fostering a comprehensive approach to leadership.

Our NLT meetings involve Gospel Priority Directors, including Tom Ricks (Church Planting), Annie Rose (Ministerial Health), Marc De Jeu (Church Health/Evangelism), and Gabriel de Guia (World Outreach). This collaboration enables us to leverage expertise and resources efficiently, such as the joint effort by Church Planting and World Outreach to address church needs in refugee areas across the U.S.

The NLT welcomes Marc De Jeu as the new Church Health director, succeeding Bob Stauffer, for whom we owe a tremendous amount of gratitude.

The NLT has also prioritized exploring additional revenue streams to support our Gospel Priorities and to support the Medical Benevolence Fund, which is vital for our pastors and their families' well-being.

Moving forward, we recognize that our work is in service to the EPC and grounded in our reliance on Christ, who instills in us the strength, humility, and commitment necessary to fulfill our mission. We remain dedicated to serving the needs of the denomination for the glory of our Lord and Savior, Jesus Christ.

## **NEXT GENERATION MINISTRY COUNCIL**

This report is available online at [www.epconnect.org/2025-committee-report-next-generation-ministries-council](http://www.epconnect.org/2025-committee-report-next-generation-ministries-council)

The Next Generation Ministries Council report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. The Next Generation Ministries Council continued with follow-up support for previous Summit attendees to empower Next Gen workers, provide resources for their ministry work, and build longer-term connections by encouraging the development of networks at the Presbytery level.
2. We hosted 63 Next Gen workers at our Next Gen Ministry Leadership Summit at Central Presbyterian in Clayton, MO to accomplish this task.
3. We began planning for our fifth Next Gen Leadership Summit to be held in Spring 2026.

### **Recommendations**

The Next Generation Ministries Council has no recommendations for the 45th General Assembly.

### **Work of the Committee**

#### **NextGen Leadership Summit**

Acting upon a motion approved by the 39th General Assembly, the Next Generation Ministries Council planned, invited, and hosted over 63 NextGen ministry workers coming from 12 Presbyteries at our fourth Leadership Summit in April 2025 in Clayton, Missouri at Central Presbyterian. This Summit was created in order to model and cultivate NextGen networks at the Presbytery level. Everyone at the Summit was refreshed by worship and prayer, equipped by preaching and through idea sharing, and connected to the EPC and their home Presbyteries. But more than simply being a conference, after four Summits we are seeing great steps at the Presbytery levels of NextGen Presbytery Networks with three of our Presbyteries already establishing standing Next Gen Committees on the Presbytery level for the purpose of mutual edification, idea sharing, and joining arms in ministry to children, youth, college, and families. In addition we are seeing Next Gen workers cultivate structures and opportunities to work together even when no formal standing committee exists.

Behind this desire is a belief in the power of connectionalism that is part of our firm foundation as Presbyterians. Great things happen when God puts us side-by-side. As a denomination we believe this in as presbyters at Presbytery meetings and at General Assembly. Now we are bringing the gift of connectionalism to the much-needed area of Next Generation Ministries in the EPC where many serve in un-ordained roles and do not benefit from the presbytery support that Teaching and Ruling Elders receive. For this, we are incredibly grateful for Presbyteries and

local churches for funding and sending their NextGen workers to the Summit to continue investing in this worthwhile endeavor and for presbyteries taking this call seriously by starting up standing committees as well as designating presbytery gatherings for Next Gen Workers to gather.

### **Follow-Up**

Continuing this work means the Council has followed up with support for NextGen workers and budding Presbytery networks. We hope to see even more of these NextGen Presbytery Networks so that the work of NextGen Ministries can benefit from the gifts of our connections to one another throughout the EPC at the Presbytery level. We have begun planning for our fifth Summit in Spring 2026 in order to continue connecting NextGen workers within Presbyteries and are working on a new rotational basis for hosting the Summit to better enable Next Gen workers from all around the country to take part.

### **Recommendations (Detailed)**

The Next Generation Ministries Council has no recommendations for the 45th General Assembly.

The Nominating Committee report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. Nomination of Moderator and Moderator-elect for 2025.
2. Review committee vacancies.
3. Nominations for permanent committees, boards, and GA standing committees.
4. Follow-up on finalizing slate of nominees.

### **Recommendations**

**45-01** That the 45th General Assembly elect TE Dave Strunk as Moderator of the 45th General Assembly.

**45-02** That the 45th General Assembly elect RE Jack Cathey as Moderator-elect of the 45th General Assembly.

**45-03** That the 45th General Assembly elects the slate of nominees for the 45th EPC General Assembly permanent committees, standing committees, and boards.

### **Work of the Committee**

The Nominating Committee works throughout the year between General Assembly meetings seeking to discern the Lord's will for each of our Committees and encouraging members of each Presbytery to apply for permanent committee positions.

The committee met on March 6, 2025 via video conference to review committee vacancies and work on filling the slate to present to the 45th General Assembly.

Many of the nominees were contacted and sent in the proper paperwork before our meeting; however, some were contacted on the day of the meeting, and further contacts were conducted by email and phone after the March 6 meeting. For those positions not filled on March 6, Nominating Committee members subsequently voted by email.

The committee would like to thank the staff of the Office of the General Assembly for their support and guidance.

## **Recommendations (Detailed)**

### **Recommendation 45-01**

Nominee for Moderator of the 45th General Assembly

Dave Strunk

TE, Presbytery of the Southeast

Dave grew up in a Christian home with two wonderful parents, and the middle child between two sisters. He became a Christian at 9 years old, when his dad prayed with him on the living room couch. At the age of 17, Dave sensed a palpable and unrelenting call to pastoral ministry while on a church mission trip. Being from Knoxville, TN, Dave went to the University of Tennessee, and immediately upon graduating in 2006 got married to his wife Laura and moved to Denver to attend Denver Seminary where he graduated three years later (in 2009). Throughout seminary and following for ten years, he was involved at the volunteer, staff, and ordained level at Cherry Creek Presbyterian Church. All three of the Strunk children were born in Colorado and baptized at CCPC. In 2016 the Strunks moved back to their home in Tennessee in order to plant an evangelistic church out of their mother church, Cedar Springs Presbyterian Church. Church of the Redeemer was launched in 2017 in Alcoa, TN, and Dave has been lead pastor ever since.

### **Recommendation 45-02**

Nominee for Moderator-elect of the 45th General Assembly

Jack Cathey

RE, Presbytery of the Central Carolinas

Jack Cathey is a Ruling Elder at Lake Forest Church in Huntersville, NC, where he and his wife Anne have been involved as founding members. Jack and Anne have two adult married children who reside in the greater Charlotte area. Jack is a graduate of Wake Forest University, where he completed his undergraduate degree in accounting. He also graduated from Virginia Tech, where he earned both a Master's and Doctoral degrees in accounting. After graduate school, Jack joined the faculty of the Turner School of Accountancy at the University of North Carolina, where he has been a member of the faculty for the past 36 years.

Jack grew up in a Christian home and committed his life to Christ at Windy Gap (a Young Life Camp) in 1975. Jack was first called and elected to serve as a Ruling Elder at Forest Hill Church in Charlotte, NC. During a time of significant growth, the Forest Hill Session voted to begin church planting. Jack voted in favor of this motion, and, much to his surprise, he found himself in a skating rink in Huntersville, NC, stacking chairs two years later. Being a part of starting and establishing Lake Forest has been a very fulfilling experience. He has served on the active session many times and has been a part of many search committees that hired staff as the church grew.

When the Lake Forest Session felt the time was right to begin their own church planting work, Jack was appointed as a co-leader of the Church Multiplication Commission along with Teaching Elder Mike Moses. To date, Lake Forest has planted five new churches, including

Storyhill Church, Lake Forest Westlake, Lake Forest El Buen Samaritano (a Spanish-speaking plant), Lake Forest UCity (a multi-ethnic plant), and Lake Forest Cabarrus.

For the past 11 years Jack has served as a member of the EPC's National Church Planting Team. He has focused on helping the team organize its work and develop a national approach for church planting including the work of the National Director and the Regional Directors. He has also been a part of planning and attending the annual EPC Church Planter's Retreat.

**45-44:** Recommends that the 45th General Assembly sustain all matters pertaining to the resolution of complaints (**D. 14**) with respect to Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Cases I-VII).

### **Work of the Committee**

#### **Constitutional Matters**

The Permanent Judicial Commission convened to examine all overtures and recommendations from Presbyteries, permanent committees, and ad interim committees, that potentially amend the Constitution, for clarity and consistency of language and for compatibility with other provisions of the Constitution of the Evangelical Presbyterian Church, with the objective of presenting its recommendations to the General Assembly (**G.21-3.D.2.a-b**).

#### **Judicial Matters**

Beverly Heights Church, located in Pittsburgh, Pennsylvania, was a particular congregation in the EPC Presbytery of the Alleghenies (the “POA”) until February 15, 2025, at which point the POA voted to acknowledge Beverly Heights Church’s departure from the EPC. No party appealed the POA’s acknowledgment.

Beginning on January 27, 2024, and continuing throughout the 2024 calendar year, the session of Beverly Heights Church, including its pastor Nathaniel Devlin, TE, filed with the General Assembly Permanent Judicial Commission (the “PJC”) a series of complaints against the POA. The complaints alleged numerous violations of the scriptures and the Book of Order.

In addition to having extensive written exchanges, the PJC met eight times in 2024 and twice in 2025 to discuss and resolve the complaints, which were captioned as follows:

- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, I
- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, II
- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, III

- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, IV
- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, V
- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, VI
- Session of Beverly Heights Church, et al. v. Presbytery of the Alleghenies, VII

PJC Chairman Forrest Norman, RE, served as legal counsel for the POA during the Beverly Heights matter. Consequently, Chairman Norman recused himself, taking no part in the PJC deliberations or decisions related to Beverly Heights Church. Stated Clerk Dean Weaver, TE, who is a member of the POA, also took no part in the PJC deliberations or decisions. PJC member Brian Wyatt, RE, served as moderator pro tem.

### **Recommendations (Detailed)**

#### **Recommendation 45-11**

The Permanent Judicial Commission recommends that the 45th General Assembly approve revisions to **G.11-2**.

**Rationale:** The PJC finds the proposed amendment meets the standards of clarity and consistency of language and for compatibility with other provisions of the Constitution of the Evangelical Presbyterian Church.

#### **Recommendation 45-13**

The Permanent Judicial Commission recommends that the 45th General Assembly approve a new section titled **G.18-3.E** defining Session's authority in the Session Endorsement process and renumerate the subsequent divisions of **G.18.3**.

**Rationale:** The PJC finds the proposed amendment meets the standards of clarity and consistency of language and for compatibility with other provisions of the Constitution of the Evangelical Presbyterian Church.

#### **Recommendation 45-15**

The Permanent Judicial Commission recommends that the 45th General Assembly approve revisions to **G. 19-4.B**.

**Rationale:** The PJC finds the proposed amendment meets the standards of clarity and consistency of language and for compatibility with other provisions of the Constitution of the Evangelical Presbyterian Church.

#### **Recommendation 45-17**

The Permanent Judicial Commission recommends that the 45th General Assembly approve revisions to **G. 21-2.D.1**.

**Rationale:** The PJC finds the proposed amendment meets the standards of clarity and consistency of language and for compatibility with other provisions of the Constitution of the Evangelical Presbyterian Church.

#### **Recommendation 45-29**

Recommends that the 45th General Assembly approve the amendments to Rules for Assembly VII § 7-3 and that recommendation 45-30 the original overture from RLP be answered with reference to this.

**Rationale:** The original overture from the Presbytery of Rivers & Lakes concerned the definition and procedures related to overtures received by the General Assembly in a proposed amendment to *Rules for Assembly 7-3*. While reviewing the language of the original overture, additional provisions were necessary to further clarify how the General Assembly processes the receipt of overtures from the lower court. The PJC recommends these amendments, which assume the adoption of the original overture from Rivers & Lakes, and also expands upon the original proposed language, which is why it is appropriate to simultaneously approve this amendment and answer the original overture with reference.

#### **Recommendation 45-31**

Recommends that the 45th General Assembly approve the amendments to *Rules for Assembly VII § 7-5* and that recommendation 45-32 the original overture from RLP be answered with reference to this.

**Rationale:** The original overture from the Presbytery of Rivers & Lakes concerned the definition and procedures related to overtures received by the General Assembly in a proposed addition to *Rules for Assembly 7-5*. While reviewing the language of the original overture, additional provisions were necessary to further clarify how the General Assembly processes the receipt of overtures from the lower court. The PJC recommends these amendments, which assume the adoption of the original overture from Rivers & Lakes, and also expands upon the original proposed language, which is why it is appropriate to simultaneously approve this amendment and answer the original overture with reference.

#### **Recommendation 45-33**

Recommends that the 45th General Assembly approve amendments to *Rules for Assembly XIII 13*.

**Rationale:** The proposed amendments to Rules for Assembly § VII necessitate additional amendments to Rules for Assembly § XIII which are here presented for the sake of procedural consistency.

#### **Recommendation 45-39**

Recommends that the 45th General Assembly answer recommendation 45-40 with reference to recommendation 45-10 the original recommendation from the AiC.

**Rationale:** The Evangelical Presbyterian Church is a three-office church: Teaching Elders, Ruling Elders, and Deacons (G.9-1). “Elder” is not understood by our Constitution to be one office with two functions (Teaching and Ruling), but two distinct offices: a first office (Teaching; G.11-2) and a second office (Ruling; G.9-8). Therefore, as distinct offices, those ordained as Ruling Elders are potentially not equipped to serve in an advisory capacity for Candidates pursuing the office of Teaching Elder. Furthermore, the recommendation proposed by the Ad Interim Committee on Ordination Standards addresses this very matter and provides a helpful point of clarification on the same issue raised by the Presbytery of the Midwest. If approved by the Assembly, the PJC recommends that Recommendation 45-40, the original overture from the Presbytery of the Midwest, be answered with reference to Recommendation 45-10, the proposed amendments to Book of Government 11 by the Ad Interim Committee on Ordination Standards, which would have the effect of answering Recommendation 45-40 in the negative.

### **Recommendation 45-41**

The Permanent Judicial Commission recommends that the 45th General Assembly adopt the recommendation to amend the *Act of Assembly 12-11* as presented in recommendation 45-41.

**Rationale:** The PJC finds the proposed amendment meets the standards of clarity, consistency of language, and compatibility with the other provisions of the Constitution of the Evangelical Presbyterian Church.

### **Recommendation 45-44**

Recommends that the 45th General Assembly sustain all matters pertaining to the resolution of complaints (D. 14) with respect to Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Cases I-VII).

#### **1. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case I)**

- To SUSTAIN the PJC’s March 22, 2024 Order compelling the session of Beverly Heights Church (the “Complainant”) to provide a more definite statement on which relief may be granted in Beverly Heights v. POA, I. See Exhibit A – PJC Order dated March 22, 2024.
- To SUSTAIN the PJC’s April 24, 2024 Order finding that the complaint in Beverly Heights v. POA, I states grounds on which relief may be granted and ordering the POA (the “Respondent”) (a) to appoint one or more representatives to defend the complaint and to direct its appointed representative(s) to file with the PJC an answer to the complaint no later than May 25, 2024, and (b) staying further actions of the Respondent pursuant to its December 28, 2023 charges of contempt against the Complainant. See Exhibit B – PJC Order dated April 24, 2024.
- To SUSTAIN the PJC’s June 21, 2024 Order in Beverly Heights v. POA, I, clarifying the PJC’s April 24, 2024 Order and declining (a) to stay the Respondent’s plan to conduct a review of the Complainant’s finances and (b) to investigate the Respondent’s Administrative Commission. See Exhibit C – PJC Order dated June 21, 2024.

- To SUSTAIN the PJC’s September 5, 2024 Opinion in *Beverly Heights v. POA, I*, (a) determining not to sustain the complaint; (b) holding, as a matter of church law, that a presbytery is entitled to act under the Book of Discipline on matters related to a request for dismissal under Book of Government section 5-10, as long as that action does not amount to dismissing, dissolving, or dividing the local church and its elders prior to completion of proceedings under such section; and (c) lifting the PJC’s April 24, 2024 stay order. In its opinion, the PJC also found that certain actions and recommendations of the Respondent’s Administrative Commission were the reason Beverly Heights Church sought dismissal from the EPC. The Complainant’s alleged violation of the actions and recommendations had been the subject of certain contempt charges filed by the Respondent on December 28, 2023. The PJC concluded that, while the dismissal process under Book of Government section 5-10 was ongoing, the only sanction that could be entered against the Session of Beverly Heights Church or Teaching Elder Devlin, upon a guilty verdict relating to the contempt charges, was admonishment. “Entering any sanction other than admonishment in this matter,” the PJC concluded, “would constitute an impermissible action to dismiss, dissolve, or divide the church and its elders in violation of the constitution of the Evangelical Presbyterian Church.” See Exhibit D – PJC Opinion dated September 5, 2024.

## **2. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case II)**

- To SUSTAIN the PJC’s August 1, 2024 Order (Amended) dismissing under Book of Discipline section 14-8 the Complainant’s second complaint for failure to state grounds on which relief may be granted. The effect of this dismissal was to allow the Respondent’s order of a financial review of the Complainant to continue. See Exhibit E – PJC Order (Amended) dated August 1, 2024

## **3. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case III)**

- To SUSTAIN the PJC’s January 8, 2025 Order dismissing under Book of Discipline section 14-8 the Complainant’s third complaint for failure to state grounds on which relief may be granted. The PJC determined that the complaint was time-barred under Book of Discipline section 14-6. See Exhibit F – PJC Order (Amended) dated August 1, 2024.

## **4. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case IV)**

- To SUSTAIN the PJC’s January 8, 2025 Order dismissing under Book of Discipline section 14-8 the Complainant’s fourth complaint for failure to state grounds on which relief may be granted. The PJC determined that nothing in Book of Government section 5-10A or the PJC’s prior opinion in *Beverly Heights v. POA, I*, would prohibit the Respondent’s Judicial Commission from, after trial, holding one or more of the elders of Beverly Heights Church in contempt regarding a matter unrelated to the congregation’s outstanding request for dismissal and, even during the dismissal process, imposing on the guilty party(ies) any penalty within the full range of disciplinary sanctions set out in the EPC constitution (e.g., admonition, suspension, removal from church office, and excommunication). The Complainant’s statement that the Respondent’s Judicial Commission is “planning to exceed its authority” was an insufficient basis for granting relief. The fourth complaint, the PJC concluded, was simply not ripe for adjudication. See Exhibit G – PJC Order dated January 8, 2025.

## **5. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case V)**

- To SUSTAIN the PJC’s January 17, 2025 Order (a) striking a portion of the Complainant’s fifth complaint under Book of Discipline section 14-8A.2; (b) subject to such modification, finding that the complaint states grounds on which relief may be granted; (c) ordering the Respondent (1) to appoint one or more representatives to defend the complaint, (2) to direct its appointed representative(s) to file with the PJC an answer to the complaint no later than midnight on Tuesday, February 18, 2025, and (3) to provide the record of the case are required in Book of Discipline section 14-8C; and (d) declining to stay any proceedings below that were related to the complaint. See Exhibit H – PJC Order dated January 17, 2025.
- To SUSTAIN the PJC’s February 26, 2025 Order dismissing the Complainant’s fifth complaint for lack of standing. On January 25, 2025, after trial, the Respondent removed from office by judicial sanction the members of the session of Beverly Heights Church, including Teaching Elder Nathaniel Devlin. No appeal of that removal was filed with the PJC. Moreover, on February 18, 2025, the clerk of the Beverly Heights Church session notified the PJC that, on February 15, 2025, the Respondent voted “to formally acknowledge the departure of Beverly Heights Presbyterian Church from the EPC.” Thus, the clerk concluded, “it is our understanding from the [Respondent] that Beverly Heights Presbyterian Church no longer has standing nor membership in the EPC and is not an independent congregation. .... [A]s an independent congregation, we will no longer pursue or respond to any complaints filed previously with the Permanent Judicial Commission of the EPC.” See Exhibit I – PJC Order dated February 26, 2025.

## **6. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case VI)**

- To SUSTAIN the PJC’s January 31, 2025 Order (a) striking a portion of the Complainant’s fifth complaint under Book of Discipline section 14-8A.2; (b) subject to such modification, finding that the complaint states grounds on which relief may be granted; (c) ordering the Respondent (1) to appoint one or more representatives to defend the complaint, (2) to direct its appointed representative(s) to file with the PJC an answer to the complaint no later than midnight on Tuesday, February 18, 2025, and (3) to provide the record of the case are required in Book of Discipline section 14-8C; and (d) ordering the Complainant not to hold, and the Respondent not to require the Complainant to hold, any additional votes or gatherings under Book of Government section 5-10 without leave of the PJC. See Exhibit J – PJC Order dated January 31, 2025.
- To SUSTAIN the PJC’s February 26, 2025 Order dismissing the Complainant’s sixth complaint for lack of standing. See Exhibit K – PJC Order dated February 26, 2025.

## **7. Session of Beverly Heights Church, et al v. Presbytery of the Alleghenies (Case VII)**

- To SUSTAIN the PJC’s February 26, 2025 Order dismissing the Complainant’s seventh complaint for lack of standing. See Exhibit L – PJC Order dated February 26, 2025.

## **PRESBYTERY REVIEW COMMITTEE**

This report is available online at [www.epconnect.org/2025-committee-report-prc](http://www.epconnect.org/2025-committee-report-prc)

The Presbytery Review Committee (PRC) report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. Working from a common set of specific requirements for EPC Presbytery Minutes reflecting the EPC Constitution, the Rules for Assembly, and certain of the Acts of the Assembly, two members of the Committee read each set of the Minutes from at least 4 of our 16 presbyteries and presented those for concurrence by the entire Committee.
2. The Committee also reviewed the responses from the various presbyteries to those Exceptions cited for their 2023 Minutes to approve the acceptability of those responses
3. The Committee also reviewed the lists of attendees for all Presbytery Stated Meetings for 2024 to ascertain the level of commitment by all EPC church sessions to our Presbyterian form of government as reflected in their attendance at the meetings of their presbytery.

### **Recommendations**

**45-35:** That the 45th General Assembly direct the Office of the General Assembly to upload digital copies of the General Assembly Minutes from meetings 1-26.

**45-41:** That the 45th General Assembly adopt a change to the current policy regarding the approval and recording of ministers' Terms of Call. (Act of Assembly 12-11)

**45-42:** That the 45th General Assembly approve the Exceptions requiring a Response as found in the 2024 minutes of 12 of our 16 Presbyteries.

**45-43:** That the 45th General Assembly approve the responses of the Presbyteries to those Exceptions sent to them by the 44th General Assembly.

### **Work of the Committee**

The foundational basis for this annual review is the connectional character of our Presbyterian denomination. As the *Book of Government* 16-3 states: "Because all courts of the Church have a mutual connection with one another, the act of each court should be considered representative of the whole Church. Therefore, no one court is separate and distinct from all the other courts. This mutuality and connectivity find expression in the right of review and control in the ascending order of the courts." Maintaining an accurate consistency between presbyteries ensures that both the legal and historical record of each presbytery is preserved for the reference and understanding of future generations.

Of necessity, this Committee's task is compressed into the eight weeks between the receipt of certified Minutes for at least three Stated Meetings held by each of our 16 presbyteries during the

calendar year 2024 and the publication deadline for the docket of this General Assembly. This review requires that at least two members of the Committee read each set of Minutes submitted by each of the EPC's 16 presbyteries and then meet online with the Chairman to reach concurrence on any required changes and final approval. This can only be accomplished by having a team of committed Ruling Elders and Teaching Elders with a good understanding of the requirements of the **Book of Order**, the *Rules for Assembly*, and the pertinent *Acts of the Assembly*. It also requires a competent and dedicated support staff from the Office of the General Assembly. Vanessa Mullendore from the Office of the General Assembly supported us again this year.

This year we found that 4 of our 16 presbyteries had no Exceptions. Although a few were new to the demands of the tasks of Presbytery Stated Clerk, all have taken their assignment very seriously and are improving each year.

This year the Committee also recognized that the requirement expressed in the *Acts of the Assembly* 12-11 regarding the requirement to publish the compensation details of all Teaching Elders called in pastoral ministry to churches was not being followed by a majority of our presbyteries but was rather being referred to the Presbytery Ministerial Committees for that review. After conferring with the Parliamentarian of the General Assembly we decided to propose a change to this *Act of the Assembly*.

The Committee also continued a recent practice of reporting to the General Assembly the number of churches who apparently did not have any representation at any of the meetings of their presbytery during the year 2024. Although this fraction has been dropping since it was reported as 10% in 2021, we found that it has apparently risen 11% for the year 2024.

### **Recommendations (Detailed)**

#### **Recommendation 45-35**

Recommends that the 45th General Assembly direct the Office of the General Assembly to upload digital copies of General Assembly Minutes from meetings 1 through 26.

#### **Rationale:**

The Presbytery Review Committee observes that the Acts of Assembly for Assemblies 1 – 26 are not available in either printed or downloadable digital form and haven't been for several years. The continued availability of the history of our denomination is of value both historically and legally. The committee encourages the Office of the General Assembly to treat the completed digital preservation of those documents as a high priority in 2025/2026.

#### **Recommendation 45-41**

Recommends that the 45th General Assembly adopt a change to the policy regarding the approval and recording of ministers' Terms of Call, superseding the actions of the 18th, 31st, and 32nd General Assemblies (Acts 98-04, p.185, 11-08, p.200, and 12-11, p.191)

**Rationale:**

- a. The Review Committee observes that many presbyteries find that the significant variations in church size and “local” costs are so variable within a given presbytery that it is not realistic to expect the entire presbytery to properly judge the relative adequacy of any individual proposed Terms of Call. The Ministerial Committee is usually much better able to make that assessment based on its required review of the annual reports from each TE in the presbytery.
- b. Changes to item “c” still provide the members of Presbytery with an ability to review any specific Terms of Call if needed.
- c. The Review Committee finds that only six of the 16 presbyteries currently comply with the AoA 12-11 as it is currently written.

**Recommendation 45-42**

Recommends that the 45th General Assembly approve the following Exceptions Requiring a Response as found in the 2024 Minutes of 12 of our 16 Presbyteries.

**Alleghenies**

The Committee recommends that the Minutes of the Presbytery of the Alleghenies be approved with the following *exceptions*.

- a. Assistant Pastor Wes Piel – term not specified. 50, pg. 1085, 13C, **G.** 10-5, 10-6, *Acts of Assembly* 02-04.
- b. Assistant Pastor Aaron Badenhop – term not specified. Assistant Pastor Rob Peterson – term not specified 51, pg. 1151, 19B, C5, pg. 1223, 09A. **G.** 10-5, 10-6, *Acts of Assembly* 02-04.

## STATED CLERK

This report is available online at [www.epconnect.org/2025-committee-report-stated-clerk](http://www.epconnect.org/2025-committee-report-stated-clerk)

The Stated Clerk's report to the 45th General Assembly of his work during 2024-2025.

### Summary of Work

“I give thanks to my God always for you because of the grace of God that was given you in Christ Jesus”

– I Corinthians 1:4

As I look back on the first year of my second term serving you as the Stated Clerk of our beloved EPC family, I am filled with gratitude. Coming out of last year's assembly and my re-election, I was deeply strengthened by the many cards, emails, texts, phone calls, and conversations that encouraged me. Over the course of this year, through all the challenges and the tremendous strides forward in our shared mission to live out the Great Commission, that encouragement has only grown. Thank you!

In 2016, at our 36th General Assembly, we changed the name of the Committee on Administration to the National Leadership Team. In 2018, at the 38th General Assembly, we amended *The Rules of Assembly* X. 10- 1A to further define and clarify the role of the NLT by adding the responsibilities of mission, vision, and strategy to the National Leadership Team. In 2019, the Stated Clerk Search committee created a revised position description for the new Stated Clerk to align with the NLT's responsibilities. In short, the National Leadership Team supervises the Stated Clerk to carry out the wishes of the General Assembly. My report this year reflects how I was called to serve you as your Stated Clerk.

**Growing The Kingdom.** Some plant, some water, but God causes the growth. In pursuing our common mission to carry out the Great Commission, we together have identified four Gospel Priorities. Elsewhere in your Commissioner's Handbook, you will find more detailed accounts of how the Lord is working in building effective Bible leaders throughout the EPC that help lead increasingly healthier congregations that in turn, multiply by producing other reproducing churches both domestically and globally. The growth is palpable. This year marks an important milestone for our Gospel Priorities, as our Assistant Stated Clerk, Michael Davis, now oversees all four, with his gifted eyes on our ever increasingly working together (we are Presbyterian after all) as our Chief Collaborative Officer. When Jeff Kim and Johnny Long from EPC World Outreach partner with Tom Ricks and our Church Planting Leadership to lay plans to plant a church together in France, that is working together for the advance of the Great Commission. That is fulfilling our mission. That's just one of many examples. Again, more to be found in reading the many compelling reports at this GA.

The EPC as a whole continues to grow modestly against the larger post-COVID decline evident in the American Church. Our membership largely remained flat, with 125,754 members recorded in our Annual Church Reports (ACR) and 626 congregations. In the last year, we grew by almost 16% in first-time professions of faith and by 20% in Adult Baptisms, both encouraging trends of our living our mission through the primary responsibility of all three of the EPC Church Courts – to do evangelism.

| Three Year Comparison           |  | 2022    | 2023    | 2024    |
|---------------------------------|--|---------|---------|---------|
| Membership                      |  | 125,870 | 125,829 | 125,754 |
| Congregations                   |  | 627     | 629     | 626     |
| Baptized Infants                |  | 1,613   | 1,722   | 1,621   |
| Professions of Faith (18+)      |  | 1,831   | 1,975   | 2,246   |
| Professions of Faith (under 18) |  | 1,039   | 1,124   | 1,338   |
| Adult Baptisms                  |  | 675     | 723     | 870     |

There will be more churches joining the EPC by transfer in the coming year, with an estimated 20 in the pipeline across the country as I write this, and numerous more making inquiries. But our growth as a family of churches, while extending biblical hospitality to those who knock on our doors, must continue to be through the exponential growth of church planting. That is what effective biblical leaders in healthy churches do: they share the gospel, plant churches, and as God sees fit, the Kingdom grows.

**Future Focused** – In the early days of our founding, you would commonly hear our leaders calling the EPC to be “inwardly strong and outwardly focused.” In short, our Presbyterian and Reformed heritage helps us to remain inwardly strong, and our Evangelical and Missional commitments help us to remain outwardly focused. We must be faithful to both our heritage and our mission.

As we look ahead to the years in front of us with hope, there are great challenges before us. While the challenges our National Leadership Team wrestles with are many, perhaps the most pressing is the concern about a leadership pipeline. As a missional denomination, we have no camps, colleges, seminaries, or campus ministries. For many denominations, these institutions provide a “feeder system” for rising leadership. In the EPC, we have multiple partners leading these kinds of organizations, but we need to do more in working with them to address a shortage of incoming pastors, church planters, chaplains and global workers (among others). With potentially as many as 50% of our current pastors retiring in the next 3-5 years (baby boomers) we have a good temporary measure started with the training of over 300 Transitional Pastors, but we also need a longer-term solution to address pastoral vacancies, especially for our smaller churches. We earnestly desire to support the great work being done by our smaller churches, since 64% of our congregations comprise less than 100 members. As such, under the direction of the National Leadership Team, we are working to develop multiple strategies to help address the expected increasing pastoral openings in our smaller churches. Stay tuned in the next year for more updates on this vital work.

There are other forward-looking initiatives in the works as well. One exciting new work is the comprehensive task of translating all of our materials and resources into Spanish to better serve many of our existing congregations and our growing number of new Spanish-speaking church plants. Another new work is building out new and strategic Fraternal Partnerships that will help us to carry out the Great Commission in some of the hardest and most challenging places we have yet to reach with the Gospel. At this assembly, we will celebrate a long-awaited partnership with the Presbyterian Church of Ireland, build on a long-standing relationship with St. Andrews

Presbytery in Argentina, and welcome new friends from the Synod of the Nile (Egypt) as we explore a fraternal partnership. By God's grace, we are increasingly a part of a real global gospel movement.

**Promoting the EPC Ethos** – Coming out of last year's General Assembly, I was determined to listen widely and carefully and to work with the National Leadership Team to promote our long-standing ethos of kindness and grace-filled orthodoxy. Some conversations have been with leaders who serve on various GA committees (we have 24 committees or subcommittees of various types currently doing the work of the General Assembly between meetings, which constitutes over 250 commissioners from our local congregations (see BOG 20-1) both RE's and TE's from all around the country and all our 16 presbyteries). Other conversations have been at presbytery meetings with individuals and groups, and some with presbytery leadership teams. Each conversation was good, with some more challenging than others, but each filled with grace and listening. The ethos of the EPC was ever present, and I hope and trust that we are leaning into the EPC's historic DNA of relational accountability and building trust. It's hard, and ongoing work, but so important if we are to move forward together to carry out the Great Commission.

Under the authority and accountability of the National Leadership Team, the Stated Clerk also is called to assure that the EPC is financially healthy so that it is able to carry out its mission. As you will see in our financial reports this year, God continues to bless our family of churches financially and we continue to be good stewards of those resources in carrying out our mission. Our annual financial audit (in the finance report) continues to demonstrate sound accounting and financial practices and our revenue from POI (Percentage of Income) continues to grow faster than the pace of inflation, something PMA (Per Member Asking) was increasingly unable to do. Whereas in the past the NLT authorized appropriate designated or unrestricted funds to support and supplement Church Health and Church Planting, those positions are now fully supported in our proposed operational budget. We invested in our Gospel Priorities and that work is being sustained by God's grace through the generosity of our churches.

**Developing Young Leaders** – We continue to make significant strides in gathering, encouraging, and equipping the rising generation of leaders in the EPC. Our Next Gen Summit continues to grow, attracting and empowering young leaders (see their report at this assembly) from across the country, and we continue to see more and more presbyteries creating their own Next Gen Councils and promoting Next Gen retreats and ministries. One of the great resources and opportunities for us in the next few years will be pairing rising leaders with established leaders. With the EPC now celebrating our 45th GA, it is imperative that we "pass the baton" well, from one generation to the next. This will be a key focus in the next few years.

**The Larger Church** – It has long been important that the EPC Stated Clerk be connected to the larger church. I continue the tradition of the Stated Clerk serving on the Board of the National Association of Evangelicals. I have found the annual meeting of denominational leaders to be helpful. I am also privileged to serve on the board of The World Reformed Fellowship. This year EPC TE Cameron Schaffer, led an important theological consultation on the Church hosted by EPC Congregation Fourth Presbyterian Church in Bethesda, MD. Senior Pastor Todd Smedely of 4th Pres and Pastor Emeritus Rob Norris are also both on the board of WRF, with Rob serving so well as the National Director.

In December, I attended the State of the Church conference hosted by the Barna Institute and the good people at Gloom. The EPC has contributed to and is benefiting from the depth of data being produced on the State of the Church, specifically in the area of Discipleship.

This focus on discipleship will be another important point of emphasis as we continue to endeavor to live out our mission of carrying out the Great Commission (make disciples).

**Office of the General Assembly Operations** – Living in central Florida and working out of the Office of the General Assembly has enabled me to be fully engaged in the day-to-day operations of our Office of the General Assembly. If the EPC’s mission is to carry out the Great Commission, then the mission of the OGA is to “serve those who carry out the Great Commission.” To be on mission, the 28 FTE’s (full-time equivalent staff) in Orlando, which include our two subsidiary corporations (ESG or World Outreach and BRI – Benefits Resources Inc) do not do the work of the General Assembly but serve those who do. While assembling an effective team amid the reality of work post-covid has been a challenge at times, we now have a fully staffed, highly motivated and dynamic team that exists to serve our 24 committees and subcommittees, our presbyteries, local congregations as well as our global workers, chaplains and fraternal partners around the world. It is an honor and privilege to serve alongside them as we serve those who carry out the Great Commission. Whether it is preparing to implement another General Assembly (an all year task) or provide funds in disaster relief; answer polity questions or get the right forms into the hands of the right persons; social media communications or setting up online giving for some of our under-resourced congregations, the OGA exists to serve you!

Each of the areas I have highlighted in this report follows the framework of my position description as approved by the National Leadership Team. While this is far from everything I do as your Stated Clerk, I do hope it will give you a sense of how I have been called to serve you and our beloved EPC family. It is the most challenging, and yet the greatest honor and privilege of my life. The summary of my position description says this, “The EPC Stated Clerk is a servant leader and a visionary. The primary qualification is to be passionate about the Gospel of Christ. The Stated Clerk will be passionate about the EPC and want to see it thrive. The Stated Clerk will model and communicate the ethos and values of the EPC.” It is my deepest prayer, that by the grace of God, that I might fulfill this high calling to the best of my life and ability. Your love and support have meant the world to me and to Beth. Thank you!

Together on the Firm Foundation that is Jesus Christ,

Coram Deo!

## WORLD OUTREACH COMMITTEE

This report is available online at [www.epconnect.org/2025-committee-report-wo](http://www.epconnect.org/2025-committee-report-wo)

The World Outreach Committee (WO) report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### Summary of Work

1. Supporting our global workers being sent, in transition, and on the field.
2. Establishing key organizational partnerships.
3. Strengthening the WO leadership team.
4. Setting up a Nominations Subcommittee to steward future leadership.

### Recommendations

**45-45** That the 45th General Assembly approve Crossworld as a Co-op Agency.

### Work of the Committee

**Supporting Global Workers Being Sent and in Transition:** This year, we continued to lean into supporting our global workers, with an emphasis on pastoral care and relational connection. To accomplish this, WO increased collaboration with sending churches and presbyteries, as well as worked to strengthen our organizational structures to support our workers. The result has seen enhanced onboarding experience, spiritual formation support, and team-building. We have also intentionally focused on supporting our global workers as they are being sent. The WO team continues to provide pastoral care and personalized coaching for those navigating transitions, whether due to relocation, role changes, reentry, or crisis. In addition to the care, regular times of intercession were held for global workers. We also began organizing around regional networks that can support future connections, gatherings, and support as workers seek to stay tethered to one another and the EPC. We remain committed to ensuring every global worker is sent well, supported fully, and sustained for long-term impact in their calling.

**Establishing Organizational Partnerships:** In 2025, the WOC invested in building and deepening organizational partnerships to extend our reach and multiply impact. We've continued investing in collaborations with like-minded organizations and mission agencies focused on church planting, theological training, diaspora ministry, and missionary care. These partnerships are being shaped by establishing a shared vision, theological alignment, and a commitment to those with minimal access to the Gospel. These partnerships are helping us steward our resources more wisely while accelerating the global reach of the Gospel. We'll continue to seek out partners who share our passion for innovative, Spirit-led mission.

**Strengthening the Leadership Team:** Recognizing that healthy leadership is foundational to long-term mission effectiveness, we prioritized strengthening the World Outreach leadership team. This year included a Spirit-filled strategic process and comprehensive review of team

roles, communication rhythms, and decision-making processes. We strategically added operational and mobilization leadership roles to close identified gaps and build capacity. The positive impact of these decisions is already being experienced.

WO is implementing a regional model of care and connection to best support the expanding global team. A key aspect of this work will be developing the regional leadership teams in areas like spiritual formation, pastoral care, cross-cultural competency, and overall team health. WO is pursuing ways to continue integrating spiritual rhythms into our leadership culture, prioritizing prayer, retreat, and discernment in our planning and leadership.

**Setting Up a WO Nominations Subcommittee:** In 2024, the WOC launched a Nominations Subcommittee to help us prayerfully identify, get to know, and recommend the next generation of committee members for World Outreach. The team was chaired by a member of WO and supported by other committee members and WO staff. We began in prayer and outlined a first draft of how the subcommittee would serve the EPC nominations process and WOC. We clarified qualifications and expectations, focusing on spiritual maturity, global vision, and cross-cultural sensitivity. A timeline was developed for vetting, including interviews, reference checks, and times of corporate prayer. We also worked alongside denominational leadership to broaden the awareness of this opportunity, intentionally reaching out to underrepresented voices with a heart for the nations. Already, this process has yielded a deeper, more intentional pipeline of candidates for future service on the WOC. We believe this subcommittee will help us steward leadership with wisdom and mission alignment for years to come.

### **Engage 2025**

In 2010, at our 30th General Assembly, the EPC launched Engage 2025, a commitment to reach the unreached, especially in the Muslim world. A goal was established for each presbytery to identify an unreached people group by the year 2025 and formalize a unified effort to aid the planting of indigenous churches where none existed among their chosen people group. In the past year, three more presbyteries made their commitments official, bringing us to 16 out of 16 presbyteries toward the 100% goal. We celebrate God's expansive work in and through our presbyteries.

### **Final Remarks from the Chairman: Wes Peterson**

As Chairman of the World Outreach Committee, I'm both grateful and hopeful as I look back on this past year and look ahead to what's next. This has been a year of meaningful steps forward. Rooted in prayer and discernment, we've strengthened our leadership structure, deepened care for global workers, expanded strategic partnerships, and launched a nomination process for future committee members. These efforts reflect a clear desire: to reach those with least access to the good news of Jesus Christ. As our Executive Director, Gabriel has emphasized, global missions are shifting rapidly, becoming more urbanized, more complex, and more interconnected. Yet, in the last year, we're not just holding ground but preparing to break new ground. Here are a few ways God has opened the door for expansion:

ITEN (International Theological Education Network):

- Deep partnerships in Central Asia led to invitations for regular theological and leadership development training across multiple cities and five additional Muslim-majority countries.
- Expansion beyond our official sites is underway, with new ministry frontiers opening rapidly.
- Two new younger couples have joined the ITEN team, strengthening our future reach.

Member Care:

- Two talented couples were added to the Member Care team to provide proactive, holistic support for our global workers.
- A new international missionary respite center was established, offering a safe place for counseling, rest, and renewal for those serving on the field.

Mobilization:

- Individuals who completed the Kairos course are actively seeking ways to pray, send, and engage in missions.
- Graduates of the 9-month Missions Cohort are volunteering with World Outreach, and some are deploying to the mission field.
- The “Connecting Mission Leaders Conference,” hosted by EPC WO, brought together mission leaders and pastors who are now collaborating to creatively mobilize prayer, sending, welcoming diaspora communities, and deploying new workers.

In the next five years, we look forward to living out the directives of the Master plan in four categories:

**Empower:** We will activate churches and individuals in growing missional communities to live into Great Commission practices such as praying, sending, going, welcoming (diaspora), and making disciples.

**Engage:** We continue the work of Engage 2025 toward the long-term vision of seeing adopted peoples reached with healthy and indigenous reproducing churches and creatively expanding our engagement of least-access people groups.

**Equip:** Equipping global workers and national partners is critical to building capacity, long-term sustainability, and stewardship of those the Lord has called to join in this work.

**Innovate:** We will participate in God’s work of reaching least-access peoples by developing new strategies and international collaboration. Through this, we can envision sustainable church planting, discipleship, and leadership development that is culturally grounded and adaptable.

In all of this, the local church remains at the heart of all we do. Through Spirit-empowered leadership, global partnerships, and strategic partnerships, we believe God will continue to use the EPC in powerful ways.

Thank you for your prayers, support, and partnership in this work.

In Christ,

Dr. Wes Peterson

### **Recommendations (Detailed)**

#### **Recommendation 45-45**

Recommends that the 45th General Assembly approve Crossworld as a Co-op Agency.

#### **Rationale:**

As an approved Co-op agency, Crossworld would provide WO the ability to send more workers to the mission field, specifically to locations with the least access to the gospel, through professional work placement options. Attaining visas as a religious worker is no longer a viable pathway to establish oneself in most countries that are void of or opposed to the gospel and the church. Crossworld helps place global workers into legitimate professional jobs in communities in need of those skills and also desperately in need of the light, love, and truth of the gospel. Crossworld has been sending workers for 90 years and has an extensive network of marketplace opportunities that help people of all kinds of vocations find their place in gospel-sharing, disciple-making, and church-planting, utilizing a professional platform.

## AD-INTERIM COMMITTEE ON ORDINATION STANDARDS

This report is available online at [www.epconnect.org/2025-committee-report-interim-committee-ordination-standards](http://www.epconnect.org/2025-committee-report-interim-committee-ordination-standards)

The Interim Committee on Ordination Standards report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### Summary of Work

1. We focused on evaluating and revising the current ordination process to provide a clearer path to a more effective bar for Teaching Elders in the EPC.
2. We met multiple times online and in person to develop a new framework for the ordination process with the goal of clarifying the roles, responsibilities, and relationships between the candidate and the ascending courts of the church.

### Recommendations

**45-10** Recommends that the 45th General Assembly approve revisions to G. 11-2.

**45-12** Recommends that the 45th General Assembly add a new section titled **G. 18- 3. E.**, defining Session’s authority in the Session Endorsement process and renumbering the current **G. 18- 3. E** to **G. 18- 3. F**.

**45-14** Recommends that the 45th General Assembly approve revisions to G. 19-4 B.

**45-16** Recommends that the 45th General Assembly approve revisions to G. 21-2 D.1

**45-18** Recommends that the 45th General Assembly revise *Rules for Assembly* X.C.5 to eliminate “extraordinary” language and replace it with CEEP. Additionally, add X.C.7 to clarify MVC’s authority over all standardized forms in the ordination process.

**45-19** Recommends that the 45th General Assembly revise *Acts of Assembly* 82-07. 1-2 to clarify all written exams are governed by the MVC and eliminate the language of “extraordinary circumstances”

**45-20** Recommends that the 45th General Assembly create new *Acts of Assembly* 12- 12 eliminating the requirement for a Bachelor’s degree from an accredited college/university.

**45-21** Recommends that the 45th General Assembly require a criminal background check with a three-year expiration date to be submitted by the Session prior to endorsing an individual for Candidacy.

**45-22** Recommends that the 45th General Assembly require all candidates to undergo a standardized National Background Check conducted through the Office of the General Assembly and paid for by the Candidate’s Presbytery before being approved for ordination.

**45-23** Recommends that the 45th General Assembly require individuals seeking to be taken under care as Candidates submit the forms “Application for Candidacy” and “Preliminary Questionnaire” available on the EPC website.

**45-24** Recommends that the 45th General Assembly require all candidates under care to have a current physical exam, and a psychological exam (which includes the most current version of the MMPI), including a personal assessment with the psychologist administering the exam.

**45-25** Recommends that the 45th General Assembly require all candidates, before final examination by the Presbytery, to submit a completed and current PIF.

**45-26** Recommends that the 45th General Assembly approve a “third year” for this committee to review and recommend any changes to our ordination standards.

### **Work of the Committee**

The 43rd General Assembly of the Evangelical Presbyterian Church voted to create an Ad-Interim, Moderator-appointed Committee on the Ordination Standards. The purpose of the committee was to review the current processes and standards related to the ordination of Teaching Elders in the EPC. In an era of growing skepticism and significant change in traditional theological education, the goal is to evaluate the effectiveness of the current model in preparing and equipping men and women from different backgrounds and life experiences to meet the demands of pastoral ministry in the 21st century, North American and Caribbean context and recommend any potential changes to a future General Assembly.

Our committee has met for two years. The first year was dedicated to listening and soliciting as much feedback as possible on our current ordination process and standards from all Teaching and Ruling Elders. We used tools like denomination-wide emails, surveys of current Teaching Elders, a General Assembly Networking lunch, and many informal conversations across the EPC to gather as much data as possible on the effectiveness of our current ordination process and standards. Our desire for this process was to be as open and transparent as possible and make sure every voice was heard and everyone felt valued.

Our second year has been dedicated to reviewing, evaluating, and revising our current ordination process. Our committee has met almost monthly since last year’s General Assembly with in-person meetings in September 2024 and March 2025 and we have prepared recommendations for changes to the *Book of Government*, *Acts of Assembly*, *Rules of Assembly*, and the Ministerial Committee Procedure Manual. As you review our proposals in preparation for General Assembly this summer, please keep in mind that our recommendations are focused on the “ordination process” at this point, and we will be asking the General Assembly for an additional year to review, evaluate, and recommend any potential changes to the current ordination standards. We also invite you to contact us with any questions about our recommendations as well as join us for our Networking Lunch at General Assembly this year to offer your feedback before bringing our recommendations to the floor.

The guiding philosophy behind our recommendations has always been to “seek a clearer path to a more effective bar.” To that end, we have sought to bring clarity, consistency, and efficiency to our process while maintaining respect for the different courts of the church and the need for

robust national standards. Key discussions were held along the way on the roles and responsibilities of the candidate, Session, Presbytery, and Office of the General Assembly. We acknowledged the real tensions we face as a denomination as we seek to call, equip, and retain effective Teaching Elders in the EPC. And we recognize the need to continue to improve communication between presbyteries, local churches, and candidates so the candidacy experience is a positive and life-giving one.

Perhaps the biggest change we are recommending this summer is the breaking down of the ordination process into three distinct phases. The **“Applicant”** phase will be governed by the Session and will include elements like membership in the local church, criminal background check, Session endorsement, and the assignment of a Session liaison who will assist the Applicant throughout the entire ordination process and focus on spiritual formation. This phase comes to a close with the standard interview with the Ministerial and/or Care of Candidates Committee and reception into the Presbytery as a Candidate. Phase two of the ordination process is the **“Candidacy”** phase, which is governed by the presbytery. It includes an Advisor who assists the Candidate with elements like filling out the PIF, continuing to explore their sense of call, and preparing for the written and oral ordination exams. Once the Candidate has passed their examinations and been received as a member of the Presbytery, they enter the third and final **“Minister-Elect”** phase of the ordination process. These changes will require some extensive revisions to our current *Book of Government* and *Acts of Assembly* which we will be presenting to you this summer.

### **Recommendations (Detailed)**

#### **Recommendation 45-10**

Recommends that the 45th General Assembly approve revisions to **G. 11-2.**

#### **Rationale:**

- **G.11-2.A**
  - Applicant refers to the one petitioning to become a Candidate.
  - Since church members are subject to the jurisdiction of the Session, the process of seeking the Session’s endorsement is described prior to the Applicant submitting their name to the Presbytery.
- **G.11-2.C**
  - The Applicant becomes a Candidate under care upon declaration of the Moderator.
- **G.11-2.D**
  - Since Candidates remain members of the local church during their preparation for ordination, a Liaison between the Candidate and the Session provides fuller care for the Candidate.

- **G.11-2.E**
  - This provision would give the Presbytery freedom to assign a Candidate's Pastor as the Advisor when deemed appropriate. It also clarifies that the spiritual nurture and oversight of a Candidate lies with the Session and not solely with the Pastor.
- **G.11-2.F**
  - The supervision of a Candidate may determine that the Candidate has ceased preparation for ordination or is in some other manner failing in the needed preparation for office. The details for this evaluation are included the Procedural Manual for Ministerial Committees (p. 43).
- **G.11-2.G**
  - This clarifies that there are two educational pathways toward ordination: a Master of Divinity degree, and education equivalent to a Master of Divinity degree. For a description of "equivalent" see: *Acts of Assembly* 82-07; 12-12; and 14-08.
- Deletion of present **G.11-2.I**
  - This would eliminate the ambiguous and often confusing third "extraordinary" pathway toward ordination.

#### **Recommendation 45-12**

Recommends that the 45th General Assembly add a new section titled **G. 18- 3. E.**, defining Session's authority in the Session Endorsement process and renumbering the current **G. 18- 3. E** to **G. 18- 3. F**.

**Rationale:** **G. 18-3.E** – The Session retains immediate jurisdiction over both the Applicant and the Candidate during the ordination process. These three responsibilities expand upon the Session's role in the preparation of Applicant/Candidate for ordination.

#### **Recommendation 45-14**

Recommends that the 45th General Assembly approve revisions to **G. 19-4 B**.

**Rationale:** These proposed amendments, which emerge from previously proposed amendments to **G.11-2** (See: Recommendation 45-10), are offered for the sake of clarity and consistency.

#### **Recommendation 45-16**

Recommends that the 45th General Assembly approve revisions to **G. 21-2 D.1**

**Rationale:** The Ministerial Committee or other designated Committee of the Presbytery has the responsibility for Applicants seeking to come under Care of the Presbytery. This proposed amendment, which emerges from previously proposed amendments to **G.11-2** (See: Recommendation #45-10), is offered for the sake of clarity and consistency.

### **Recommendation 45-18**

Recommends that the 45th General Assembly revise *Rules for Assembly* X.C.5 to eliminate “extraordinary” language and replace with CEEP. Additionally, add X.C.7 to clarify MVC’s authority over all standardized forms in the ordination process.

**Rationale:** We eliminated the “extraordinary” language and replaced it with “educational equivalency” or the CEEP process. We also clarified the Ministerial Vocation Committee’s authority over all the national standardized forms for the ordination process.

### **Recommendation 45-19**

Recommends that the 45th General Assembly revise *Acts of Assembly* 82-07. 1-2 to clarify all written exams are governed by the MVC and eliminate language of “extraordinary circumstances”

**Rationale:** We revised *Acts of Assembly* 82-07 in order to clarify the authority of the Ministerial Vocation Committee over all national written exams in the ordination process, as well as eliminated the language of “extraordinary circumstances.”

### **Recommendation 45-20**

Recommends that the 45th General Assembly create a new *Acts of Assembly* that supersedes *Act of Assembly* 12-12 eliminating the requirement for a Bachelor’s degree from an accredited college/university.

**Rationale:** While some seminaries require a bachelor’s degree, other educational institutions and the CEEP process do not. We believe making this change creates greater access and opportunity for those who may be able to fulfill our educational requirements without a bachelor’s degree.

### **Recommendation 45-21**

Recommends that the 45th General Assembly require a criminal background check with a three year expiration date to be submitted by the Session prior to endorsing and individual for Candidacy.

**Rationale:** We believe this is a best practice for the church and it is best done at the beginning of the process to identify any potential issues before the ordination process begins. We believe this is best overseen by the local church Session and should be updated every three years.

### **Recommendation 45-22**

Recommends that the 45th General Assembly require all candidates to undergo a standardized National Background Check conducted through the Office of the General Assembly and paid for by the Candidate’s Presbytery prior to being approved for ordination.

**Rationale:** We believe the Candidate should also undergo a National Background Check administered through the Office of General Assembly in order to demonstrate due diligence and provide a standard for the background check process. This national standard provides a uniform process that all Candidates for ordination in the EPC undergo in order to reduce potential

liability and, more importantly, give local churches confidence in the character quality of the people they may be calling to serve as Teaching Elders.

#### **Recommendation 45-23**

Recommends that the 45th General Assembly require individuals seeking to be taken under care as Candidates submit the forms “Application for Candidacy” and “Preliminary Questionnaire” available on the EPC website.

**Rationale:** While in wide use, the “Application for Candidacy” form and “Preliminary Questionnaire” are not currently required. We believe all national standardized forms in the ordination process should be constitutionally required.

#### **Recommendation 45-24**

Recommends that the 45th General Assembly require all candidates under care to have a current physical exam, and a psychological exam (which includes the most current version of the MMPI), including a personal assessment with the psychologist administering the exam.

**Rationale:** We believe all Candidates should undergo a thorough physical and psychological exam to make sure they are prepared to handle the rigors of ordained ministry. Current data suggests that pastors across the United States are suffering from significant mental and physical distress that is directly impacting their ability to minister effectively. We believe that by requiring physical and psychological exams, we can better equip our Candidates to serve in the ordained ministry.

#### **Recommendation 45-25**

Recommends that the 45th General Assembly require all candidates, prior to final examination by the Presbytery, to submit a completed and current PIF.

**Rationale:** As stated above, we believe all national standardized forms in the ordination process should be constitutionally required and this includes the Personal Information Form (PIF).

#### **Recommendation 45-26**

Recommends that the 45th General Assembly approve a “third year” for this committee to review and recommend any changes to our ordination standards.

**Rationale:**

The committee is requesting a third year in order to review the ordination standards themselves and present any recommendations to next year’s General Assembly. This is necessary to complete the final part of the charge we were given when we were initially established.

## **AD-INTERIM COMMITTEE ON SAME SEX ATTRACTION**

This report is available online at [www.epconnect.org/2025-committee-report-interim-committee-on-same-sex-attraction-and-ordination-standards](http://www.epconnect.org/2025-committee-report-interim-committee-on-same-sex-attraction-and-ordination-standards)

The Ad-Interim Committee on Same-Sex Attraction and Ordination Standards report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

The AIC on Same-Sex Attraction and Ordination Standards met several times throughout the past year. We are not presenting any actionable items to the General Assembly in 2025, but are providing a report on our progress, which includes preliminary recommendations to amend the Book of Government, Position Paper on Human Sexuality, and the Same-Sex Attraction section within the Pastoral Letter on Human Sexuality. These recommendations reflect our execution of the GA's mandate to study the Scriptures, the Westminster Confession of Faith and Catechisms, and Reformed tradition in order to clarify, strengthen, and align the EPC's witness on this topic.

### **Recommendations**

The Ad-Interim Committee on Same-Sex Attraction and Ordination Standards has no recommendations for the 45th General Assembly.

### **Work of the Committee**

The 44th General Assembly of the Evangelical Presbyterian Church voted to create a moderator-appointed, Ad-Interim Committee on Same-Sex Attraction and Ordination Standards. The 44th General Assembly charged the committee to study the Scriptures, the Westminster Confession of Faith, and Catechisms to bring clarity to our witness regarding:

- 1) Theological anthropology, with respect to human sexuality as it pertains to contemporary usage of the sexual self-conception and how such language comports with Scripture and the Westminster standards;
- 2) Progressive Sanctification and how it informs the Reformed understanding of the mortification of sin and the doctrine of repentance;
- 3) Concupiscence as it relates to a Reformed conception of the Christian's new nature in Christ, and when homosexual temptation, like other temptations, disqualifies one from ordained office;
- 4) The Christian hope for those who experience and flee sexual temptation, especially homosexual temptation; and
- 5) How the answers to these questions might inform standards for officers who have struggled in these areas but have mortified such temptation and desire.

The Committee is further charged to review our Position Papers, Pastoral Letters, and the Book of Order and to recommend potential changes that will clarify, align, and strengthen our witness to the larger world.

The Committee shall make an interim report to the 45th General Assembly, and a final report and recommendations to the 46th General Assembly.

The committee understands that our charge is to clarify, align, and strengthen the EPC's witness in light of our doctrinal standards, not to alter those standards or witness. This committee was *\*not\** formed to study the permissibility of homosexuality or to reassess the EPC's position on the topic. Rather, the committee was formed to address how the EPC should consider the expectations for penitence and sanctification of someone who experiences ongoing same-sex attraction but remains committed to the historic and orthodox biblical sexual ethic, and then to address in what circumstances such a person would be qualified for ordained office in the EPC.

Our committee met in person at the General Assembly Office on September 18-19, 2024, and then held several additional meetings (either as a whole committee or in smaller working groups) both by video conference and then again in Orlando on February 12-13, 2025. Our approach was to review the EPC's Position Papers, Pastoral Letters, and the Book of Order, identify the sections that we believed needed to be revised or expanded in conformity to and by the terms of our mandate, and then draft edits to those documents that reflect a clarified and strengthened witness in light of our doctrinal standards.

This report is the interim report prior to our final report and recommendations to next year's 46th General Assembly. We have included as part of our report the first public draft of potential recommendations to the Book of Government, Position Paper on Human Sexuality, and the section 'Same-Sex Attraction' in the Pastoral Letter on Human Sexuality. For these latter two documents, we have included two versions: a 'clean' document with all the proposed edits without notation for ease of reading, and a document that compares and contrasts the current version of the documents with the proposed edits.

During the 45th General Assembly we will be holding a workshop where we will report our process and reasoning more fully and receive feedback from the commissioners. We encourage individual presbyteries to discuss these documents during their Fall 2025 or early Winter 2026 meetings; if any presbytery would like to invite a member of our committee to join them to answer questions and receive feedback, please email us at: [Ad-Interim.SSA@epc.org](mailto:Ad-Interim.SSA@epc.org). Any additional feedback can be provided by completing the [FeedbackSSA](#) form.

Our committee is still evaluating potential revisions to the recommended reading list in the Pastoral Letter and welcomes suggestions. We also welcome additional feedback on all of these documents. Our plan is to revise our work in consideration of feedback received during the 45th General Assembly workshop, emails from presbyters, and our conversations with presbyteries over the coming months, and to produce a final set of recommendations for the 46th General Assembly sometime in the February-April, 2026 range.

Please keep our committee in your prayers. Already God has blessed us and heard your prayers — our committee members have worked well together and have been delighted to discover that we were all much closer together on this topic than might be expected at first glance. Our prayer is that our work will be helpful for building up the body of Christ and maintaining the unity of the Spirit in the bond peace in obedient faithfulness to God's word.

## **BOOK OF DISCIPLINE TASK FORCE**

This report is available online at [www.epconnect.org/2025-committee-report-book-of-discipline-task-force](http://www.epconnect.org/2025-committee-report-book-of-discipline-task-force)

The *Book of Discipline* Task Force reports to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. Reviewed Book of Discipline and prepared proposed revisions for purposes of simplifying, clarifying and reorganizing its provisions with a goal of making it easier to use.
2. Considered changes to address the topic of abuse in a clear and comprehensive manner.

### **Recommendations**

The Book of Discipline Task Force has no recommendations for the 45th General Assembly.

### **Work of the Committee**

#### **From the Sub-Team on Simplifying, Clarifying, Organizing**

Need for revision of the Book of Discipline (“BOD”). There is a general sense that the BOD is hard to follow.

- Experience using the BOD has revealed places that are unclear or inconsistent or have left unaddressed situations that should be corrected.
- Abuse (physical, emotional, or spiritual) is of increasing concern and is not addressed in the current BOD.

Values behind the proposed revision:

- Create an easy to follow, step by step organization eliminating the need to skip from one place to another to find information on a topic or process.
- Clarify and simplify language by eliminating wherever possible the “legalese” so those untrained in law can easily understand.
- Fill in gaps that experience has shown to exist.
- Correct any inconsistencies.
- Reflect our current cultural context and concerns where needed.

Substantive changes in the proposed revision:

- Add “abuse” as a category of offense. Definition of abuse has been left blank and will be developed following input from the ad interim committee and other groups working on the topic.
- Change sanction of “admonition” to “reprimand.”
- Clarify who is eligible to file a complaint.

Editorial changes in the proposed revision:

- Significantly re-organized to improve the flow of thought.
- Eliminated the use of gender-specific pronouns where they are unnecessary.
- Replaced technical terms when possible.
- Removed cross references to Book of Order from text. References will be included as footnotes so they can be updated without an amendment process.

Proposed process for approving the revision:

- Complete final adjustments of the revision for publication.
- May 2025: Create a three-column version of the proposed revision to the National Leadership Team (NLT).
- June 2025: Report progress to the General Assembly.
- Aug 2025: Ask the NLT to send the proposed revision to Presbyteries, Sessions, PJC, Presbytery Clerks and Moderators, and Ministerial Committee Chairs for comment.
- Sept-Dec 2025: Receive comments.
- Jan-Mar 2026 – Review and incorporate comments in the final proposed revision.
- Apr-May 2026 – Send final proposed revision through the NLT to Presbyteries and PJC for review.
- June 2026: Present final proposed revision to General Assembly for approval.
- August 2026: Send adopted revision to Presbyteries as a descending overture for approval.
- June 2027: Ratification by the General Assembly.

### **From the Sub-Team on Abuse**

Need to appoint qualified ad interim committee to address abuse:

- NLT or GA should appoint a committee with expertise and broad representation to recommend further future revisions of BOD – should include professional psychological counselors and trial attorneys with expertise in the area and reflect racial, gender and age diversity. Members of the present Task Force do not possess such experience and expertise.
- The BOD definition of abuse should correspond with the definition that may be adopted upon revision of the Pastoral Letter on Domestic Abuse and Response – though the focus of BOD (discipline of the abuser) may differ from the focus of the Pastoral Letter (care for the abused).
- The ad interim committee should determine whether BOD’s treatment of abuse is more appropriately dealt with interspersed within the framework of BOD (as revised) or in a new separate Chapter of BOD.

Initial steps to treat abuse in Book of Discipline:

- The initial revisions contemplated by this multi-step revision process should at a minimum,
- Define Abuse, naming it as a separate Offense in BOD;
- Take into account trauma to an abused person from expectations that he/she must initiate steps to confront the alleged abuser, providing scriptural underpinning separate from Matthew 18:15;
- Revise limitation of action (statute of limitation) provisions to comport with current legal standards and practice;
- Take into account the need to balance interests of alleged victims and rights of accused abusers;
- Consider criminal law context of abuse and mandated reporting requirements.

### **Recommendations**

The CHLT has no recommendations to present to the 45th General Assembly.

### **Work of the Committee**

#### **2024 Annual Report to Lilly Endowments Inc.**

Evangelical Presbyterian Church Grant Number 2023 2274

#### **Project Aims and Purposes**

The primary objective of this program is to comprehensively implement the Evangelical Presbyterian Church's Church Health methods and structure, transforming the entire denomination from traditional inward-focused congregations into evangelistic, outward-facing vibrant congregations with a new vision and mission that begins with serving their local communities.

Re-vitalizing local churches through the application of Church Health principles and methods is crucial to achieving our mission in the future. These principles are closely intertwined with Evangelism initiatives and the involvement of Transitional Pastors. These three initiatives form a

coherent, integrated, and effective approach for transforming a church's vision and mission into one that serves its local community through a diverse range of ministry opportunities.

In the subsequent sections, we will address the identified topics in two distinct ways. Firstly, we will provide a comprehensive overview from the program management perspective.

Subsequently, we will complement this with illustrative quotes from specific church health coordinators and other leaders who are actively involved in ministry. These quotes will offer an in-depth and firsthand perspective on the program's impact.

## **Grant Activities**

**Participating Congregations.** Describe the congregations participating in your program. What are their activities? Why are they a good fit for your program?

### **All EPC Churches: Average 2023 Worship Attendance:**

Did not Report = 13%

0-35 = 19%

36-50 = 11%

51-75 = 15%

76-100 = 9%

101-500 = 28%

500-Over = 5%

Being a program addressed to the entire Evangelical Presbyterian Church denomination, our participating congregations span a wide range of sizes and locations. These figures illustrates this diversity. Instead of discussing the denomination based on membership numbers, we focus on the actual average weekly attendance of its churches. We believe this metric provides a more accurate representation of a crucial aspect of the EPC.

Of the various sizes of congregations, we've observed that medium and smaller ones tend to be more receptive and responsive to our program. This could be because they recognize the need to reestablish themselves with a new mission and vision to remain relevant and viable. They understand that the primary way to become a growing and vibrant community is to step outside their boundaries and serve the community. These congregations become a good fit for our program when they realize that the world has changed, and people don't flock to them as they did when the attractional model dominated the church landscape.

Another group of congregations that are a good fit for our program are churches that have recently lost a pastor due to retirement, transfer, or other reasons. They often want a new pastor immediately. However, there are many pastoral calls that aren't a good fit because the congregation lacks the skills to identify the right person or the pastor doesn't fully understand the unique challenges and issues of the congregation. In such situations, we find that using a transitional pastor trained in our methods of church health can effectively lead the congregation over a year or so to develop a clearer understanding of their existing or potential new mission and vision. Once this mission and vision is well-defined, the transitional pastor can more effectively guide the congregation in finding a pastor who aligns with the new role. Candidate pastors can also gain a better understanding of the congregation to determine if a call is a good

fit. Unfortunately, many congregations resist this process and simply want to call the new pastor right away, often leading to a poor match, an inappropriate mission and vision, and a subsequent short pastoral tenure. This cycle can be repeated. At any given time, approximately ten percent of our member congregations are in pastoral transition. Of these seventy congregations, thirty choose to utilize the services of a Transitional Pastor.

**These two groups are the best candidates for our program because they already recognize the need for change through a new mission and vision.**

From the Presbytery of the Pacific Southwest:

I am working with three congregations at the moment. The first is a mid-sized church that is seeking to align their ministries around their new missional vision to SEE Jesus. Currently they are particularly focused on reigniting their Life Groups around this vision with a desire to see their groups being missionally engaged together. A second church I am working with is a second-stage church plant that has struggled to grow based on the transitory nature of the population of San Francisco and the need to grow in their ability to serve to build relationships to share the gospel. I am scheduled to go and lead an evangelism seminar in February. The third church I am working with is a larger congregation that is coming out of a transitional season and is hiring a new pastor. I am working with the new pastor to help him help the congregation catch a fresh vision from God as he assumes this call.

Activities. What key activities did you undertake in the last year? How do these activities advance the key aims to help congregations thrive by:

- 1) Adapting to their changing social and cultural contexts
- 2) Refining their missions and values
- 3) Drawing on Christian practices.

Our first-year activity encompassed establishing the Church Health Team across all 16 Presbyteries, developing training materials, and conducting various seminars and workshops at both congregation and presbytery levels. Our program comprises three primary elements and

associated activities: the Church Health Refocus seminars, training for Transitional Pastors, and evangelism training. Our training events have ranged from individual congregations to multi-congregational gatherings, spanning from a few local congregations to entire presbyteries and even the entire General Assembly. These events typically involve presentations, prayer, and sharing experiences and insights gained from God's work in their lives. We frequently employ cohort models throughout the denomination, and our events are often integrated and geographically centered. The following sections provide summaries of each type of event, along with a few illustrative comments.

Refocus. Our Refocus Seminars guide congregational leaders through a multi-month process of developing a new mission and vision. This transformative journey shifts the congregation's focus from inward to outward, guiding their activities and activities. We successfully conducted over 55 seminars with local churches, attracting an impressive attendance of over 1,500 people.

These workshops were held across the United States, sometimes with a single congregation and sometimes with multiple congregations present. The seminars were usually full-day events. After

the seminars, the congregational leaders collaborated with their pastor, a coach, or a transitional pastor to translate the discussions of the day into new mission and vision statements. These workshops serve as a foundation for more detailed structural and people alignment as the concepts developed and the congregation became more purposefully engaged with the community.

**Transitional Pastor Training.** The Transitional Pastor training program commenced with an initial test training in 2016. This initiative emerged from a recognition of the necessity to equip pastors who would lead congregations during pastoral transitions. The earlier “Interim Pastor” training, adapted from the Alban Institute, was deemed insufficient to address the evolving cultural contexts and pastoral transitions faced by congregations. In addition, it had become clear that this season of transition provided a perfect opportunity to re-establish key church health imperatives into congregational life and practice for those churches in decline. We completed ten Transitional Pastor Training events in 2024 in Tulsa, Oklahoma; Southport, Indiana; Pittsburgh, Pa., and Memphis, Tennessee.

These events were strategically placed across the country to minimize travel costs and encourage participation from Teaching Elders and Ruling Elders. Additionally, we offer “Viability Assessment and the Four Options Seminars” upon request for congregations experiencing decline and struggling to find a meaningful path forward to regain their missional vitality.

Transitional Pastor Training is gaining significant importance, with over fifty percent of pastors planning to retire within the next five years. The COVID-19 pandemic and other pressures have exacerbated the issue, leading to a rise in “Burn Out” among pastors. Moreover, the shortage of pastors in the pipeline, particularly for Reformed, Evangelical, and Missional churches, exacerbates this problem. In response to these challenges, Church Health has developed a comprehensive set of practical and usable resources, comprising over 150 accessible materials for local congregations and their pastors. These resources are instrumental in training transitional pastors.

**Evangelism Training.** Evangelism training, though not a new concept within the historical Christian Community, is not widely or effectively practiced. We’ve chosen a single gospel tool for use across the denomination, derived from “Turning Everyday Conversations into Gospel Conversations.” This tool aligns well with our philosophy of “serving to build relationships and using relationships to share the Gospel.” It positions service as a means of establishing community relationships that can lead to effective Gospel sharing. However, many individuals are hesitant to share the Gospel, often expressing concerns like “I don’t know how” or “I don’t know what to say when the opportunity arises.”

Introducing the “3-Circles” tool, we’ve addressed these concerns. This simple, usable, reproducible, and adaptable tool is designed to suit various situations and circumstances, especially those related to community service. The Church Health coordinators have conducted over 35 training sessions with local churches, training more than 1600 individuals. Beyond these coordinated training activities, numerous thousands of people have also engaged in presbytery meetings to receive training.

The tool's simplicity and reproducibility enable local churches to offer periodic training, retraining, and practice sessions, fostering a culture of evangelism and sharing the Gospel.

Christian Practices. Throughout these activities, we draw heavily on the Christian practice of prayer. Our vision teams spend considerable time in prayer and conducting prayer walks to discern how to impact the neighborhood. Our evangelism training incorporates a ten-step process for creating a culture of evangelism, with prayer being the first and foremost step. Our transitional Pastor training also involves the use of prayer life guides. In addition to prayer, all of our programs and events are rooted in the traditional reformed values and virtues of a Christian life.

From the Presbytery of the Pacific Southwest:

I helped one congregation to adapt their evangelistic strategy in order to respond to their changing social and cultural context. The congregation has to grow in their ability to build relationships of trust quickly in order to share Jesus, and so the evangelism seminar will focus on this area of growth. The work with another congregation is focused on helping them refine their mission and values, moving from a programmatic model of ministry to a more missionally-oriented approach. The coaching that is taking place with the third church coming off of their Revitalization Workshop is to draw upon historical/missional practices to shape their Life Groups..

From a member of the EPC Ministerial Vocational Committee:

The Transitional Pastor training offered by the EPC trains leaders in the essential skills required to navigate life and ministry in the 21st-century North American evangelical church context. We are facing significant headwinds in the coming years with a generational handoff in leadership, pastors reporting increasing rates of burnout, the rise in public church leadership failures, a marked decrease in seminary enrollment, and a culture growing more apathetic, if not hostile, to the Gospel by the day. However, hope can always be found in the promise of God and His great faithfulness. Even now, He is raising up courageous, godly, healthy men and women who are willing to do the hard, long-suffering work of cultivating healthy churches who have a passion to reach their communities for Jesus Christ and fulfill the Great Commission. I could not commend the work of Bob Stauffer, Bill Rasch, and their team of church health coordinators more.

Learning community: Describe the program's congregational learning community. How have congregations interacted with one another? What insights have congregations learned? What challenges or opportunities have emerged through the learning community?

Our Learning community comprises participating churches, Transitional Pastors, their coaches, the National Church Health Leadership Team, presbytery Church Health Coordinators, and our ministry partners at Vital Church and Flourish.

Recognizing that our Transitional Pastor training needed further enhancement to maximize its value for both the Transitional Pastors and the congregation, we forged a strategic partnership with Vital Church Ministries, Interim Pastor Ministries (IPM), and Covenant Order of Evangelical Presbyterians (ECO). By attending their trainings and integrating the best practices they offer into our Transitional Pastor training, we aim to provide a comprehensive and impactful learning experience. With their permission, we've adapted and incorporated portions

of both Vital Church and Flourish materials into our training materials. This partnership is evident in the second edition of our training manual.

Matt Bohling, the head of Flourish (a PCA parachurch organization dedicated to church health and missional vitality), sends his pastors to our foundational Transitional Pastor training. He actively participates in our team of coaches and trainers, contributing to the overall quality of our training.

As congregations begin to understand the significance of having a national organization that offers training materials, workshop management, local leadership, and trained coaches to guide them through the transformative process of shifting from an inward-facing community to an outward-facing community in service to others, our partnership with Vital Church Ministries, IPM, and ECO is proving invaluable.

At the individual congregational level, the interactions vary widely, as illustrated by the following narratives.

From the Presbytery of the West:

The Presbytery of the West has fostered a dynamic congregational learning community over the past year, with a focus on addressing the adaptive challenges and needs faced by churches and their leaders. This has been facilitated by a comprehensive Pastoral Health Survey, which identified key issues related to both personal pastoral well-being and larger organizational health. By engaging with over 35 churches, we sought to meet congregations where they are- at the intersection of individual pastoral struggles and the broader challenges of church leadership.

Through this learning community, congregations have had opportunities to share insights and best practices, particularly in the areas of Evangelism, Pastoral Counseling, and Leading Adaptive Change. One of the most powerful aspects of this community has been the opportunity for peer-to-peer interaction. The process of sharing challenges and solutions has proven invaluable, underscoring that today's complex ministry problems are best addressed through collective wisdom rather than isolated learning or content-driven solutions. One of our key findings has been the realization that adaptive change in ministry is not a matter of adding more information but creating spaces for peer coaching and support.

Our learning community has been a rich, evolving process. The adaptive challenges of ministry today require not just training, but also deep relational engagement and a commitment to ongoing personal and organizational growth. As we move forward, we will continue to refine our approach, deepen our partnerships, and expand our resources to best serve our churches in their journey toward health and vitality.

From the Presbytery of the Pacific Southwest:

Congregations have interacted by sharing models of ministry with one another. Particularly, models of building relationships to share the gospel have been passed on from one congregation to another. Additionally, models of healthy group life have been shared from one church to another in terms of their model of small group life that is more missionally focused.

From the Presbytery of the Midwest:

We have been walking step by step through the Refocus manual. There is a vision team

established with members from the Session, key leaders in the church, and staff. There are 10 people on this team in total. The congregation is about 140. This congregation seems to have some good soil to work in for the 'Refocus' initiatives. They are very ready and willing to do the work involved in the steps of the process, and they seem to rate very well on the Life Cycle assessment in areas of their outlook and vision.

Another church has been on a break from the 'Refocus' process. The early stages of assessment and discerning vision revealed quite a lot of areas where they were lacking alignment in various areas (leadership, congregation, key stakeholders, pastor, staff, and more). I am also working with the council here in the presbytery to refine and codify how we interface as a committee with the Ministerial Committee and individual churches in need of transitional pastors. We are working hard at getting this smoothed out and well-defined in documentation. If it works well, I will certainly be sharing it with the rest of the coordinators to see if it may be implemented in other presbyteries.

I have one coach who is going to be working with a congregation who is seeking membership in the EPC here in the Midwest. Part of the training of the session of that church will fall to this coach as he introduces them to our 'Refocus' and missional outlook on ministry.

### **Challenges and Opportunities**

The most significant challenge lies in congregations' resistance to change. It's arduous to persuade congregations to embark on an unfamiliar journey that may not yield immediate results. They yearn to remain in their familiar surroundings, even though they recognize that this stance eventually leads to a decline in their community's vibrancy. Transitioning from a church-centric to a neighborhood-centric approach is not merely a matter of physical or programmatic alterations; it also entails a profound shift in mental thinking. Additionally, there are specific challenges that pertain to individual presbyteries and congregations.

#### From the Presbytery of the West:

A major challenge that has emerged is how to effectively integrate training and rest in a way that respects the unique rhythms of church leaders. There is a delicate balance between offering substantive training and providing space for the much-needed spiritual and emotional refreshment that leaders require. Additionally, while the cohort model for "Leading Systems and Leading Change" has yielded positive results, there is an ongoing challenge in creating sustainable, long-term peer networks that provide consistent support beyond the initial cohort meetings.

However, these challenges also present opportunities. One of the most promising outcomes has been the formation of networks of peer leaders who continue to support one another in navigating the adaptive changes facing their churches. The "Peer Adaptive Coaching" model has been particularly fruitful, with leaders experiencing tangible benefits from regular, structured peer coaching sessions. This model is now something we plan to expand upon as we seek to create more opportunities for shared leadership development across the Presbytery.

#### From the Presbytery of Coastal Mid-Atlantic:

Since I have regular time in front of our Presbytery, it has been easy for leaders of churches to see their need for transformation. However, this has not translated into a commitment to Church

Health processes/resources to enable their growth. It seems that my presentations in front of Presbytery may inspire those present, but do not then impact the Session of the church as a whole. There is a disconnect between initial inspiration and concrete action.

As a result, I have had difficulty getting commitments from individual churches, and two different trainings were cancelled this fall because the host church did not have sufficient buy-in from the Session (as well as other reasons). For 2025, I have worked with our Stewardship Team to build a process of initial financial commitment from host churches to ensure up-front buy-in.

Another challenge has been navigating competing expectations between the newly-defined goals of transitional pastoring and long-standing transitional pastors who have their own sense of transitional ministry. The good news is that we have a culture of “transitional pastoring” in our Presbytery, the bad news is that the current culture does not fully align with the new culture we are trying to create.

### **Resources: What resources are you using or creating to support congregations? What resources are most effective?**

We categorize our resources into three main areas: financial, people, and information. Of course, the Lilly endowment is greatly appreciated for providing substantial financial resources to support the people and information aspects of the program. These financial resources invest in people: a national leadership team, including a director of transitional pastors, lead church health coordinators, presbytery church health coordinators, and coaches. Each of these individuals brings their unique strengths and skills gained over years of ministry to produce information that ultimately impacts individual congregations. We developed an information repository using “Box,” which contains over 170 items, such as training manuals, assessment tools, workshop materials, and videos for training events. Most of these items can be directly accessed by individual congregations for their use through a simple QR code. The specific resource utilized by any given congregation varies widely and can be adapted to their specific situation and context. Here are some examples from a few Church Health Coordinators.

#### From the Presbytery of the West:

To support congregations, we have created and utilized a range of resources designed to address the pressing needs identified in our survey. Some of the most effective resources include:

**Evangelism Training.** Workshops on Evangelism, including “Evangelism in the Negative World” by Aaron Renn, have proven to be powerful in equipping churches to engage with the cultural challenges of our time. The addition of the 3 Circles model provided a practical framework for churches to understand and communicate the Gospel in a post-Christian context.

**Healthy Relationships & Evangelism Training.** By leveraging research from the EPC, Barna, and Tin Man Ministries, we developed a training that focuses on the intersection of healthy relationships and evangelism. This resource has been particularly impactful in equipping churches to understand the relational dynamics that are foundational to effective outreach.

**Cohort Model.** The “Leading Systems and Leading Change” cohort has provided an invaluable resource for churches facing adaptive challenges. This six-month program, which includes monthly meetings and coaching sessions, has not only fostered learning but also built a network

of leaders who support one another. Peer Adaptive Coaching has become one of the most impactful resources, allowing leaders to gain fresh perspectives and insights from those walking in similar ministry contexts.

In terms of effectiveness, the combination of in-person workshops, cohort models, and peer coaching has proven to be highly successful. These resources foster ongoing connection and mutual learning, rather than just one-time events, and they address the systemic nature of the challenges faced by congregations today.

From the Presbytery of the Pacific Southwest:

The Evangelism Workshop incorporates tools such as how to build healthy relationships, how to share your story with God, and the Three Circles tool that enables people to share their faith in a natural/relational way. The Refocus seminar uses tools (SWOT Analysis, Missional Posture Survey, Church Life Cycles) that help congregations do personal assessments; the Great Commission Matrix helps churches to align their ministry around their missional focus.

From the Presbytery of Coastal Mid-Atlantic:

Out of the abundance of resources at my disposal, I have been particularly grateful for the Missional Posture and Church Health Scorecard self-assessments. Both tools have enabled me to have profitable conversations with leaders based on their own self-reporting.

Leadership: Who are the key leaders of your program? How is their work progressing? In what ways are they changing, growing, or learning through their engagement in this program? Is leadership emerging in unforeseen places?

Leadership of our program operates at multiple levels. The National Director of Church Health serves as the overall leader, supported by a national church leadership team comprising 4-5 individuals. This team provides guidance, expertise, and support to regional church health coordinators responsible for managing 4-5 presbyteries each. Under the regional leadership, individual presbytery health coordinators oversee congregations ranging from 25 to 75 members. Notably, all regional and presbytery church health coordinators are also actively serving as pastors within their respective congregations.

To support individual congregations, church health coordinators are recruited and trained by their presbytery's church health coordinator. Additionally, the presbytery church health coordinator actively develops leadership within their presbytery to achieve the overall objectives of church health within that specific area.

Transitional Pastor Training is led by a team of experts, including Bob Stauffer (National Church Health Director), Bill Rasch (Director of Transitional Pastors), Matt Bohling (Director of Flourish), Marc de Jeu (Church Health Coordinator for the Presbytery of the Alleghenies), Rosemary Lukens (National Church Health leadership team), and Jim Farrell (National Church Health leadership team). Each member of this team has challenged the others to think more deeply and broadly about this work, its application within the larger church, and to bring their unique life experiences to the conversation.

While progress in leadership development has not been uniform across different presbyteries, it has manifested in various ways. We have undoubtedly witnessed the growth of future leaders,

including lead church coordinators, presbytery church coordinators, and coaches. As they gain experience, these individuals continue to learn and adapt, helping churches navigate the challenges of their changing environments. They draw upon what works best for their specific church rather than adopting a one-size-fits-all approach. Moreover, leadership continues to emerge as more coaches step up to new roles, contributing to the overall growth and development of the program.

From the Presbytery of the West:

The key leaders in this program are a mix of pastoral leaders, coaches, and partners from within the Presbytery and beyond. The success of this initiative has been largely driven by leaders who are willing to engage in self-reflection and growth, while also empowering others to do the same. As a result, these leaders are not just providing content but also creating environments where others can learn from their experiences and develop their own leadership capacity.

Over the course of the program, leaders have grown in their ability to navigate complex challenges and have developed a deeper understanding of the importance of peer learning and coaching. Some leaders have emerged from unexpected places-particularly those who have been part of the cohort groups-demonstrating that leadership can develop organically when given the right support and encouragement.

From a transitional pastor:

Having a coach walk with me through this wonderful, challenging moment in a church's life has given me greater clarity with each decision and fuller satisfaction all along the way. Receiving wisdom and sensitivity from my coach's experience has been a highlight of my ministry. We're not meant to do this alone – and it's amazing when we do it together!

Partners: Who are your partners beyond your own institution? Describe how your partnership relationships are developing and working.

At the highest level, we have partners for each of our three primary areas of focus:

- Evangelism: We've partnered with the Family Church in Florida, which provides an evangelism model, an evangelism training program, and a co-vocational ministry leadership program.
- Transitional Pastoring: We've collaborated with Vital Church Ministries, Interim Pastor Ministries (IPM), and Covenant Order of Evangelical Presbyterians (ECO). We attend their training sessions and incorporate the best practices they've developed into our Transitional Pastor training program. With their permission, we've adapted and used portions of both Vital Church and Flourish materials. This partnership is evident in the second edition of our training manual. Matt Bohling, the head of Flourish (a PCA parachurch organization focused on church health and missional vitality), sends his pastors to our foundational Transitional Pastor training. He's also part of our team of coaches and trainers.
- Refocus/Church Health: Rev. Dr. Ken Priddy and the Go-Center provide assessment tools, Church Answers for demographic studies, and speakers at special events.

Additionally, presbytery-level partners have emerged to address specific needs and situations, as illustrated below.

From the Presbytery of the West:

Our partnerships extend beyond the walls of the Presbytery to include organizations such as Barna, Tin Man Ministries, Church Multiplication Ministries, and The Church Cooperative of Denver. These partnerships have been instrumental in providing resources, training materials, and frameworks that have helped shape the direction of our work.

The relationships with external partners have been mutually beneficial. For example, Barna's research on cultural trends has provided invaluable insight for our Evangelism workshops, while Tin Man Ministries has supported our efforts to create relationally driven approaches to ministry. Our partnership with Church Multiplication Ministries has enriched our cohort model, bringing in expertise on mission, multiplication, and gospel motivation. These partnerships are continuing to evolve as we explore new ways to collaborate and serve the broader ministry community.

From the Presbytery of Coastal Mid-Atlantic:

I have been able to serve as a full member of our Presbytery Leadership Team, and this continues to open doors for connection and partnership. I receive help knowing which churches/leaders would be best to follow up with. I am part of the official process when churches enter the presbytery or navigate a pastoral transition, and the Church Health ministry gets woven into the fabric of life of our Presbytery.

Specifically, I have been asked to lead a weekly prayer call for our presbytery, in which I contact churches ahead of time to see how we can pray for them. Doing this has established stronger relationships between me and our churches and helped them see me as an advocate, rather than simply a "presbytery official" (which carries baggage for some).

I am convinced that the compensation model for my position – both the initial plan through General Assembly and now through the Lilly grant – has accelerated my partnership with the Presbytery Leadership Team. Since my compensation is independent of the events/trainings I lead, it prevents any suspicion arising as to my motivations for seeking out particular churches.

Reflection Stories: Share a story or two about something that illustrates the program's progress toward its aims. The story may be about an important event, activity, or people involved in your program.

From the Presbytery of the Alleghenies:

Lebanon EPC in West Mifflin, PA, took very seriously our evangelism training last year and has been very intentionally getting out into their neighborhood through prayer walks and finding intentional ways to share the Gospel through relationships with the local school by their church. They are seeing the culture of an outward focus influencing their longtime members, expectantly welcoming and integrating their many new visitors each Sunday morning. We are working with them now on developing an even deeper missional presence in the community through their evangelistic efforts.

From the Presbytery of the Pacific Southwest:

One of our church plants has struggled financially. In response, the congregation I serve has

provided additional financial support but also empowered me to go and lead a renewal weekend where I will preach and lead an evangelism workshop for that congregation. Their pastor expressed that financial support and leadership support have enabled them to continue in their Gospel witness in the city. Coaching Centerville Pres. and the refocus of their life groups ministry led their Associate Pastor to say that it is great to have partnership and support from another pastor and church that has already positively witnessed growth and change in that area of ministry.

#### From the Presbytery of New River:

A shining example of the convergence of the work of a Transitional Pastor with the work of church health is the Forge Church community in Greensboro, North Carolina. Forge was birthed out of the decline of the Memorial Presbyterian Church. The congregation was in sharp decline and facing a pastoral transition. They contracted with one of our trained Transitional Pastors, to help them figure out God's calling for them going forward. When he helped them face the reality that the community was no longer coming to them and they no longer had the energy to reach the community, they began to think about closing. In the midst of their wrestling, God was doing a work in the heart of an elder at Reynolda Church, a neighbor in the Presbytery.

A church planter felt a call to plant a faith community that served their community and lived invitationally toward that community. His vision was for a faith community named FORGE, standing for: faith, outreach, reconciliation, generosity, and evangelism. It would be a faith community for the community. Memorial Church heard about the vision. They decided to offer everything to the new vision- property, building, finances, and the remaining people. The result was something only God could have brought about: a multi-racial, multi-economic level faith community that serves the larger community in varied ways that matter most to that neighborhood. The Forge is a vibrant and thriving community of faith, which is reaching their neighbors with Good News of Jesus Christ.

#### From the Presbytery of the Great Plains:

Avery is a small neighborhood church comprising an Anglo congregation and a Hispanic Church Plant funded by the Presbytery. The Anglo congregation averaged around 150 in attendance, with a full-time youth minister, part-time music minister, organist, and office administrator. By November 2022, average attendance was around 60, and they had overspent offerings by a very significant amount. An EPC Transitional Pastor (retiree) assumed the pastorate without compensation, enabling the church to continue to operate without significant perturbation of existing staff. The church combined the music, youth, and worship into one full-time position and kept the part-time employees. Eighteen months after the REFOCUS seminar and the start of the visioning process, the church is averaging 92 in attendance, and giving has recovered to the point that a pastor search committee has been formed.

During the revitalization process, the State Department changed rules on visas and forced the Mexican church planter to return to Mexico. The Hispanic church plant is holding its own with lay leadership augmented by training and assistance from the head of the Spanish Cohort Leader for EPC church planting, and the Avery Transitional Pastor. However, the Pastor Search Committee is searching for a bilingual pastor who will pastor both language groups and work toward Avery Church becoming a multiethnic church. This is the perfect strategy for this church as there is a shift in the population in the Avery neighborhood. Within 2-3 years, the Avery

neighborhood will be balanced among English and Spanish-speaking residents and eventually Spanish will be the dominant language group.

**Accomplishments: What were the program's most important accomplishments in the last year? Identify two or three. What discoveries or insights did you make? What surprises you?**

A significant accomplishment is the recruitment and training of a viable church health team that spans the entire denomination, with coordinators in all 16 presbyteries. Through training sessions, workshops, and personal engagement, this team has emphasized the importance of revitalization and redirecting their mission focus outward. We are also making progress in addressing the pastoral shortage by aggressively recruiting and training bi/co-vocational pastors, many of whom are undergoing transitional pastor training. Without this leadership in churches, the inward focus would have overshadowed any outward efforts.

One striking revelation is the number of small churches in the denomination, comprising about one-third with fewer than 50 weekly attendees. Many of these churches are witnessing their dwindling membership, with only a few members sustaining their existence. For many of these churches, the process of revitalization seems too late to be effective, leading to ecclesiastical paralysis. They fear that any action will result in the church's demise. To address this crisis, we have developed a comprehensive program that offers various options for their future. These options include merging with another church to regain viability, being adopted by another church for nurturing and restoration, or even closing the doors to celebrate their life. Many congregations and pastors are relieved to discover these options and find that the denomination is willing to collaborate with them as they redefine their mission to serve their community in new and diverse ways. These options have breathed new life or energy into these congregations, even if it meant closing and celebrating their existence.

**Lessons: What lessons from this past year might be worth sharing with others?**

Churches often struggle to shift their focus outward, but when they do, it can be incredibly liberating for both the church and its community. Developing a culture of evangelism is crucial before expecting visible fruit from evangelism efforts. To achieve this, it's essential to have a unified gospeling tool across the denomination. This tool should be simple, practical, and adaptable, enabling a broader culture to influence local cultures.

Transitional Pastoring is gaining significance as churches grapple with finding pastoral leadership capable of guiding them in seeking and establishing a new vision and mission for their congregation. One effective approach is to place greater emphasis on bi/co-vocational leadership.

From the Presbytery of the Gulf South:

I held several evangelism seminars and have been "fine-tuning" my approach based on my own discernment as well as that of participants. I have come to realize that merely doing a seminar and offering the training cannot be the end of things. We, as church health coordinators, need to continue to engage those churches and pastors to encourage and remind them to keep sharing their faith. We need to continue to stay in touch with the pastors and leaders for their accountability and ours, and to continue to provide them with additional resources.

From the Presbytery of the Alleghenies:

One of our congregations has gone through both the Refocus workshop and evangelism training, has purchased the Know Your Community demographic/psychographic tool we encourage. Over the last year, the congregation has made significant connections with their community's school as part of their effort to get to better know their neighboring community. They find themselves now in a place where they are desiring to develop a more consistent relational presence in the community, where neighbors and church members can grow in relationship, and opportunities to share in the gospel can happen naturally outside of the church. This need to help churches in the deep development of missional presence is a growing point for our church health process.

One of our congregations has gone through our Refocus process for the last two years and has come to the place where we've determined they are not going to be able to make progress in church health as a congregation. Our desire was to help them imagine a generative way to move toward health, but we did not find success with them, in large part due to the capacity of a much smaller, much older church in a severely declining community. Another growing point for our process is to introduce/incorporate creative ways forward for churches in similar situations.

**Modifications: What program modifications have you implemented in the past year?**

Due to the prevalence of small or struggling churches, we've intensified our focus and attention on them. By intervening early in their life cycle and helping them refine their vision and mission, we can foster new growth and community ministry.

In response to the growing demand for leadership in our communities, we're placing significant emphasis on transitional pastoring. To achieve this, we're implementing specific learning objectives.

1. Team training is invaluable. Having attendees with diverse approaches to problem-solving is worth the additional cost. Each trainer brings a unique gifting and style to the work, demonstrating how the process and tools can be effectively applied in various contexts. Moreover, the testimonies of Teaching Elders actively engaged in the training and successfully utilizing the materials and resources reinforce the practicality and applicability of our approach.
2. We've found that this training and resources are valuable for pastors of all levels of experience and in diverse contexts. It provides them with practical insights into how they can assist their congregations in overcoming various challenges. To ensure its wide applicability, we tailor our marketing efforts accordingly.
3. Inviting the Ruling Elders of congregations approaching a pastoral transition to training is highly beneficial. It helps them comprehend the role of a Transitional Pastor and the value of their trained leadership during such a pivotal moment for the church.
4. Creating a bottleneck ensures that congregations receive a clear presentation of the value of a Transitional Pastor and have their contract and work thoroughly answered. This allows for focused questioning by the Director of Transitional Pastors to better identify a congregation's issues and match the trained Transitional Pastor's gifts, skills, and makeup to their needs and struggles.

5. To enhance the consistency and quality of their work, we now require each Transitional Pastor in our system to have a coach. This approach significantly improves the overall effectiveness of their work. We maintain a minimal cost to the congregation, amounting to \$600 per year, making this aspect of our program both affordable and valuable.
6. Additionally, we have implemented an end-of-service assessment of the Transitional Pastor and their work to gain a deeper understanding of their strengths and weaknesses. This assessment also provides valuable insights into areas where we need to improve or expand our training in the future.

**Next Steps: What are your plans for next year? Who is involved in your current efforts to sustain the program beyond the grant period? How is their work progressing?**

Having made significant strides in organization, training materials, key relationships, and numerous early successes in establishing new missions and visions that are significantly impacting the community, it is time to delve deeper into transforming the fundamental culture of congregations. The missional perspective cannot merely be a buzzword at General Assemblies but must be manifested daily in every congregation. To facilitate this transformative journey, we will be introducing new leadership for the national leadership team, who will be better equipped to address cultural shifts within local congregations and guide them toward a stronger community future. To support this endeavor, we have hired a grant writer to secure broader support for the denomination. As the Lilly endowment support diminishes, the individual congregations and presbyteries will be better positioned to embrace outward-facing Christian life as a fundamental aspect of their faith.

From the Presbytery of the East:

In 2025, the Presbytery will designate the year as the Year of Church Health. The new moderator has already embraced this initiative, which will be prioritized over the next three Presbytery meetings. We have implemented a new requirement that all incoming churches participate in the Refocus Seminar. In the long term, I believe the presbytery needs to reassess its bylaws and restructure to be more missional.

From the Presbytery of the Great Plains:

Change the view of the pastors and churches that see Church Health, REFOCUS, and Revitalization as emergency solutions that are only engaged when things get desperate. I hope to stop thinking of Church Health as the trauma doctor in the emergency room and start thinking of myself as the primary care physician who wants to help them stay healthy and avoid the emergency room.

## **CHURCH PLANTING LEADERSHIP TEAM**

This report is available online at [www.epconnect.org/2025-committee-report-church-planting](http://www.epconnect.org/2025-committee-report-church-planting)

The Church Planting Leadership Team reports to the 45th General Assembly on its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. Created an EPC Church Planting Assessment Center instead of subcontracting to other non-EPC organizations
2. Grew our Church Planting Regional Team to three full-time and two part-time
3. Entered into a part-time consulting relationship on Latino church planting with EPC TE Alfredo Forhans
4. Held our annual EPC Church Planters Retreat at Green Lake Conference Center in Wisconsin in mid-October (Yes, the leaves were amazing!)
5. In May, attended the first ministry partnership meeting between the EPC and our fraternal brothers and sister in the UNEPREV denomination in France
6. Held two meeting of our EPC Church Planting National Leadership Team in February & August

### **Recommendations**

The Church Planting Team has no recommendations for the 45th General Assembly.

### **Work of the Committee**

As the EPC continues to grow our church planting footprint, 2024 – 2025 has seen several encouraging signs that we are moving in a very positive direction. Our work is not without challenges and some disappointments, but God is faithful, and he continues to grow his kingdom, in part, through EPC church planting.

1. Structural Paradigm: We continue to work with the conviction that the role of national church planting leadership is to serve and equip local church planting efforts.
  1. Regional church planting directors around the country give hands-on coaching, mentoring, and planning development to local church planting.
  2. National church planting retreat serves to encourage and equip local church planters
  3. Local churches and presbyteries desiring to become parent or partner church planting churches have access to coaching, leadership development, and planter recruitment from national and regional church planting leadership

2. 2024 – 2025 saw new church plants launch in
  1. North Carolina
  2. Southern California
  3. Florida
  4. Mississippi
  5. Washington (State)
  6. Pennsylvania
  7. Virginia
3. Three EPC church plants closed in 2024. With 48 active church plants, our closure rate was 6.5%, well below the national average of 44%.
4. EPC now staffs its own church planting assessment center 2-3 times per year, depending on the number of candidates. Two assessments in 2024-2025 with two more planned for 2025 – 2026.
5. Church Planting Regional Directors (Part-time & Full-time)
  1. Richard Rieves, South Region
  2. Elizabeth Gibson, Atlantic Region
  3. Keon Abner, Northeast Region
  4. Hunter Bailey, Heartland Region
  5. Shawn Robinson, Pacific Southwest Region
6. In 2024 – 2025, we launched Latino-speaking church plants in
  1. Texas (2),
  2. Florida (3),
  3. Oklahoma (1)
7. In 2025 – 2026, Lord willing, we will launch Latino-speaking congregations in
  1. Florida
  2. Puerto Rico

3. Kentucky
4. Oregon
8. Reverend Alfredo Forhans is our part-time EPC Latino church planting consultant, helping us with assessment, coaching, and care for our Latino church planters.
9. Our national church planting retreat was held last October at Green Lake Conference Center in Green Lake, Wisconsin. In 2025 – 2026, we will host two regional church planting retreats. One in North Carolina and the other in Southern California.
10. We continue to explore and grow our church planting partnership with our friends and colleagues in the French denomination UNIPREV.
11. We believe it's important to visit every presbytery once every 18 months, speaking of the Regional Director's work, highlighting what has been done through his/her leadership that would not have otherwise been possible.
12. We would also like to be able to send lead EPC pastors one specific church planting prayer request at the beginning of each month.
13. We will be working with the OGA Communication team on publicizing a list of church plants and creating an "adopt a church plant" link for congregations to access church plants.
14. We will work towards identifying a minimum of two churches per presbytery not actively involved in church planting and coach them on how to set church planting goals for their congregation, including financial support for those goals. Establish a timeframe by which to complete the task.
15. Key to EPC church planting success is the development of the church planter pipeline. We have ongoing working in relationships with Knox, Gordon Conwell, and Reformed seminaries while also engaging with younger EPC pastors and college ministry staff members.

**Summation:** As we continue to expand our church planting capabilities, we are reminded that God is the one who grows his kingdom. Our role is to follow him in faith as we plant churches to evangelize the world with the gospel of our Lord Jesus. Please pray for wisdom, resources, and faith for all of us in the EPC to be faithful to God's call for us to actively plant new congregations across America and the World.

## **EFFECTIVE BIBLICAL LEADERSHIP**

This report is available online at [www.epconnect.org/2025-committee-report-effective-bibli](http://www.epconnect.org/2025-committee-report-effective-bibli)

The Effective Biblical Leadership Team report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### **Summary of Work**

1. The EBL Team produced the “Healthy Pastors, Healthy Families” webinar series to address a range of topics relevant to the well-being of pastors and their families.
2. The EBL Team produced the “Kingdoms & Identities” webinar series to equip our leaders to disciple their people through a charged political season.
3. The EBL Team compiled data from the 2024 Pastor Well-Being Survey and the 2023-2024 MVC Pilot Program to gain insight into the realities EPC pastors face.
4. At our request, the EPC purchased the Sabbatical Planning Toolkit from PIR Ministries as a free resource available to all EPC pastors and churches.

### **Recommendations**

The Effective Biblical Leadership Team has no recommendations to present to the 45th General Assembly.

### **Work of the Committee**

The Effective Biblical Leadership Team works to foster a culture of Christ-centered leadership in the EPC. We believe effective biblical leaders are people of increasingly Christlike character whose example and passion inspire others to follow Christ. As we provide resources and learning opportunities, we focus on developing leaders who are rooted in the love of God in Christ, continually growing in their love for God and others. Much of our work is done online, as we produce webinars that address various topics and highlight resources we hope our Presbytery and local leaders will utilize as they see fit.

One of the newest resources available to EPC pastors and congregations is the Sabbatical Planning Toolkit from PIR Ministries. The EPC has purchased this toolkit so that EPC pastors and their Sessions can plan for a sabbatical that will be a blessing to both pastor and congregation.

## REVELATION 7:9 TEAM

This report is available online at [www.epconnect.org/2025-committee-report-revelation79-task-force](https://www.epconnect.org/2025-committee-report-revelation79-task-force)

The Revelation 7:9 Team report to the 45th General Assembly of its work during 2024-2025, plus recommendations for consideration by the Assembly.

### Summary of Work

1. The committee met at Colonial Presbyterian Church, Overland Park, KS this spring for robust fellowship and fervent deliberation. We are grateful to the pastors, session and staff at Colonial for the warm hospitality.
2. We have updated our website, which contains contact and other essential information: <https://www.epconnect.org/revelation79>
3. As we have sought to creatively conceive of different expressions by which a local congregation might aspire to imitate Revelation 7:9 in our broken world, we have expanded our list from ten to twelve. See <https://epconnect.org/revelation79> or our printed brochure at the OGA table. These are not intended to be exhaustive but suggestive and we would welcome other ideas from churches. Part of our hope in suggesting these twelve paths is to dissuade anyone of the misconception that every church needs to become multi-ethnic to fulfill the ideal of Revelation 7:9.
4. We reiterated a threefold process for interested churches that aspire to imitate a Revelation 7:9 expression as much as possible in a broken world.
5. The Rev 7:9 Team continued to engage with Dr. Harry Li, Senior Consultant with the Mosaix Global Network and Certified Facilitator with the Cultural Intelligence Center, to facilitate the use of a cultural intelligence tool with churches ready to embrace a Revelation 7:9 expression in their local context. This engagement included specialized training for one of our members who can then train others on our team to facilitate the use of this tool, as well as inviting Dr. Li to lead workshops with two different congregations, in different presbyteries, as pilots of what we hope to see implemented across our denomination.
6. We reiterated a coaching model consisting of four (4) teams deploying multiple Revelation 7:9 Team members designated for each region of the country. These coaches walk with a congregation to identify and analyze their local demographics, help them assess their readiness, and assist them in developing a strategy for execution. At our spring meeting, we crafted a flow chart that will assist team members know how to best direct inquiring pastors and churches in their pursuit of fulfilling the ideal of Revelation 7:9.
7. We have sought to engage more proactively with the Church Health Leadership Team, recognizing the value of collaboration between our two teams as we seek to help congregations in their missional outreach to their local communities.

8. Two of our team members, Bob Vincent and Rodger Woodworth, retired from the committee this year. We are most grateful to Bob and Rodger for the valuable contributions they each made to our work. We will miss them both.
9. We currently have representatives on the Team from 12 of the EPC's 16 presbyteries.
10. Approximately 15% of the EPC's churches have indicated interest or are already pursuing some element of a Revelation 7:9 expression – inquiries or in process.

### **Recommendations**

The Revelation 7:9 Team has no formal recommendations for the 45th General Assembly.

### **Work of the Committee**

#### **Our Purpose**

The purpose of the Revelation 7:9 Team is to improve the delivery of the Great Commission and the Great Commandment within a local church's 1-3-5-mile radius.

#### **Our Premise**

America is today more ethnically, economically, and age-diverse than ever before (78 million millennials is the largest birth number in American history, surpassing baby-boomers who numbered 76 million), as well as more gospel averse toward the Lordship of Jesus Christ. Thus if the EPC is to thrive in future generations, it must evolve to reflect these ethnic, economic and age changes without compromising the infallible Word of God.

#### **The World's Perception**

"Perception is reality," so goes the well-known adage. Late last year a major television news outlet in Memphis Tennessee interviewed Team Co-Chairman Rufus Smith and asked the following question: "Why don't more black, white, Latino, or Asian churches work more closely together to arrest some of the city's social, educational, and economic ills?" Although some ethnically diverse churches work together, sadly our disunity is the world's perception. And truthfully there are not enough churches that contradict this perception by leveraging our collective influence. One expression of Revelation 7:9 is for ministers of the gospel of Jesus Christ who agree on the essentials to unify by joining or forming ethnically and denominationally diverse fellowships. Such an alliance could build trust, visibly captivate the world, cultivate empathic relationships, create a viable gospel response that infuses spiritual hopefulness and instills Imago Dei to a fallen humanity, and help to redress social ills in some of our rural towns and mid-size to larger cities.

#### **Our Perspective**

Many of our churches invest heavily in the global component of the Great Commission/Great Commandment of impacting the uttermost parts of the world. However, they invest to a lesser degree in impacting new neighbors in their local neighborhoods of Judea and Samaria. The

Revelation 7:9 Task Force believes that if we proactively pursue our local 1-3-5 radius, more churches will reflect their entire community as well as the descriptive church in John's Revelation, which is illustrative of the coming Kingdom of God on earth.

We have observed two essentials to begin evaluating interested churches aspiring to pursue a Revelation 7:9 expression:

7. First, the Senior Pastor must be a champion (and if not leading the charge, deputize a key delegate).
8. Second, churches that succeed organize a local Revelation 7:9 Team or futurist team setting near-term/mid-term/long-term research and goals.

**Note 1:** We define the term “under-served community” similarly to the EPC Church Planting Network, as a ZIP Code dominated by “Nones” or “Dones”—the religiously unaffiliated (formerly called “unchurched” or “dechurched”)—in their 1-3-5-mile radius. Think Canada, Europe, Portland Maine, etc.

**Note 2:** Even though all churches should be missional, we are not as missional as this broken world demands. To use a technological term, a church aspiring to imitate Revelation 7:9 is simply “rebooting” its evangelistic ecosystem. We also know that the work of Revelation 7:9 can coincide with revitalization by executing with more fervor the Great Commission and the Great Commandment. If a church chooses another path of revitalization, the Kingdom still wins!

### **Recommendations (Detailed)**

The Revelation 7:9 Team has no formal recommendations for the 45th General Assembly. However, we are ready to assist any local EPC church interested in taking a step along the Rev. 7:9 pathway and we recommend the church to contact a member of our team to start the process. We also want all 16 EPC presbyteries to be represented on the Task Force, so we are seeking individuals from the Coastal Mid-Atlantic, Midwest, New River, and Rivers and Lakes to join us. Please contact us if you or someone you know seems suited for this work and we will interview them. Ruling Elders or Teaching Elders are preferred, but not required if the person is a faithful member of an EPC congregation.

### **An Invitation to Interested EPC Churches**

As you execute your church's mission, we understand that not every church is interested in embarking on this pathway. But if you think a Revelation 7:9 strategy can enhance your arsenal or revitalize your congregation and community, please contact us. Yes, it will be eye-opening. Yes, you will make mistakes. No, we do not have all the answers nor know where it will all lead. But we do know that this pursuit will lead us closer to the heart of the Lord for all people. “Your kingdom come; Your will be done on earth as it is in Heaven.” And we know that a Revelation 7:9 path will glorify God the Father as well as make us better practitioners of the Great Commission and the Great Commandment in our local churches and a broken world.

Dear Dean, my Brother,

Please know that Cherry Creek is excited to host GA in June of 2026 in beautiful Colorado, as approved by the Elders on February 9<sup>th</sup>, 2025. While we might be a bit more tightly squeezed, this feels like God's way of bringing us together as His family more. We are planning on GA during 15-18 June, 2026.

God has blessed us as a church in so many ways, and we are thankful to share Jesus' work in serving our denomination. Let us know how we can best honor our small role in this.
