How to refine your search results

- A Change the radius of your search.** By default the search will show dentists within 15 miles of a given location, but you can adjust this distance by clicking on “Refine search” and selecting any distance from “5 miles” to “75 miles” from the drop-down menu.
- B Filter your results.** Refine your search results by categories such as specialty, network and language.

The screenshot shows the 'Find a Dentist' interface. The search bar contains 'Dentist, office or keyword' and the location field contains 'San Francisco, CA 94105'. A callout box highlights the '+ Refine search' button and the 'Distance' dropdown menu, which is set to '15 miles'. The callout also shows the 'More filters' section with options for Networks, Specialties, Languages, Extended office hours, Office access, and Board-certified. The main search results show three dentists: David Dickey, Lolita Sibal, and Jeffrey Cox, each with their contact information, network affiliations, and Yelp ratings.
