

## Meet one-on-one with a professional retirement planner on October 28th!

The EPC benefits office has made arrangements with Fidelity licensed retirement planners to set aside October 28<sup>th</sup> to meet one-on-one with any EPC 403(b)(9) Retirement Plan participant interested in planning for their financial future and retirement. Although this benefit is always available to our Plan participants, we wanted to be proactive in making it as easy as possible for you to schedule a specific time to meet by phone or by video with a licensed professional, at no cost to you, to help you plan for your financial future.

Have you been putting this off? Are you wondering if you're saving enough? Do you know which investments are right for you? Concerned about market fluctuations? It's never too soon or too late to get these questions answered. Grab this opportunity, gain some understanding, and know that you have a plan! Register [here](#) to schedule your time on Wednesday, October 28<sup>th</sup>! Spots are limited.

An email from "Your Benefits Center" should have arrived in your inbox yesterday. If you did not receive this email, make sure you log in to your account through [netbenefits.com/epc](https://netbenefits.com/epc) and add your email address to your profile. This will ensure you receive all Fidelity educational communication going forward.

## ANNUAL OPEN ENROLLMENT NOVEMBER 1—NOVEMBER 30

### Take advantage of your remaining 2020 dental benefit value!

Have you had both of your cleanings this year? With COVID-19, we know that many have not utilized the value in their benefit that provides for two cleanings each year (one every six months) and other services. For more information on our dental plan and coverages, check out our webpage [here](#). If you are enrolled in the EPC Plan, there is still time to take advantage of your 2020 dental benefit coverages before year end... so make that appointment today!

### Sharecare

### Wellness Program

There is still time to get started!

If you are enrolled in one of our medical plans, you are eligible to register for our wellness program, Sharecare. Start by taking the Real Age test and compare your Real Age results to your actual age, and then find Sharecare resources to help you get on track to improved health. Complete the optional activities listed [here](#) to earn 1,000 points and a \$75 gift card reward! If your spouse is on the plan — they're eligible too!

Register free today through [mycare.sharecare.com](https://mycare.sharecare.com)!
