

EPC Open Enrollment

Once each year our churches and ministries have an opportunity change between medical plans or add coverage for benefits such as dental, vision and life/disability insurances. **Annual Open Enrollment for 2022 coverage occurs November 1 - November 30, 2021.** No action is needed if you plan to remain under your current coverages, your enrollment will automatically continue.

DID YOU KNOW...

The average wait for an in-person primary care visit is **24 days**?¹

Even "Urgent Care" facilities are often backlogged a few days.

BUT...

If you are enrolled in any EPC medical plan (or have EPC dental, vision or life insurance coverages) then you are automatically enrolled in our telemedicine benefit with 98Point6 where there is **NO waiting and NO appointments** necessary for a primary care physician visit!

AND...

Even better there is **NO co-pay** for your visit! Your visit begins on-demand and immediately with an Automated Assistant, who collects details about your symptoms and medical history. The physician joins shortly after, ready and up-to-speed.

Not Sure How to Get Started with 98point6 then follow these steps:

Step 1— Download the app: Using your mobile device download the 98point6 app from the [Apple App Store](#) or [Google Play](#).

Step 2— Register your account: Enter your mobile phone number and you will receive a unique PIN by text to confirm it's you.

**** After registering you will be "Visit Ready" for future visits, and all you will need to start your visit is your mobile phone number! (No passwords needed!)**

Step 3 – Complete your profile: Answer a few personal Questions.

Step 4— Start your visit: Answer a few introductory questions and then a doctor will join your visit.

EPC Medical Benefit – Enhancements for 2022

Arriving for 2022 will be a more convenient **single ID card** that includes both your **medical** and **prescription** benefit information. You will only need to carry one card that can be presented to both your doctors and at the pharmacy counter.

Administrator Corner

➔ Every church has a four-digit account number that appears on your monthly invoice. Have this number ready if you contact our Administrative Office with eligibility, enrollment or billing questions.

Make Time for Your Health!

Schedule your Annual Physical **NOW!**

Stay on top of your preventative screenings and schedule accordingly!

See the [2021 Preventative Schedule here](#)

Just like our cars need maintenance to avoid major breakdowns, our bodies malfunction if we don't take preventative measures. Annual care and preventative health screenings detect problems early while they are still curable. Most preventative care and screening have a \$0 copay under the EPC benefits.

EPC Retirement Plan Monthly Workshop

This month's workshop

Navigating Market Volatility

will be made available on-demand for your convenience.

If you wanted to make a change in your retirement investment lineup would you know how to go about it?

Have you ever wondered if you are supposed to be doing something with your retirement investments when you are hearing about volatility in the financial markets?

Ever wondered if you can make additional contributions to your retirement account?

After this on-demand workshop you should be able to...

- ✓ Consider if you should change your Investments
- ✓ Understand how to pull money out of the market and the effects of moving to cash
- ✓ Learn why to consider saving more in a workplace savings plan
