

Are You Receiving Telemarketing Phone Calls?

Register with the National Do Not Call Registry

The National *Do Not Call* Registry lets you limit the telemarketing calls you receive. Stop unwanted sales calls by registering your phone number:

Online: Visit DoNotCall.gov. By phone: Call 1-888-382-1222 or TTY: 1-866-290-4236

If you register online, you will receive an email to complete your request. You must click on the link in that email within 72 hours for your registration to take effect. Visit DoNotCall.gov or call 1-888-382-1222 to verify the status of, or unsubscribe your phone number on the registry.

Placing your phone number on this national registry will stop telemarketing sales calls. But you might still receive calls from scammers and robocallers.

Some telemarketing calls are still permitted. You may still receive phone calls from:

- Political organizations
- Charities
- Telephone surveyors
- Some organizations with which you have a Relationship

Some states have their own *Do Not Call* registries. Contact your [state consumer protection](#) office to find out if your state has its own Do Not Call list and how you can add yourself to it.

EPC Medical Plan Participants...

In an effort to give EPC medical plan participants as many opportunities as possible to improve their overall health and wellness we have made several programs available to all of our plan participants. Our website lists information on all these [Member Care Programs](#). These are there to benefit you and there is no cost to you.

To bring awareness to our participants you may be receiving an email or a phone call from our medical plan administrator Meritain Health, or Livongo regarding the resources available to you or regarding our many chronic conditions management programs.

We are all deluged with junk marketing phone calls and emails that we have learned to ignore; so that you don't miss one that is actually there to help you keep an eye out for the following:

If they call you, you may see **Medical Management Services** or **American Health Holding** appear on your caller ID. The phone number may be coming from a 614 area code number. An email you receive may come from the following email address:
membersupport@email.livongo.com.

**Keep your member ID Card and number handy!*

COVID-19 RAPID TEST KITS!

You can still order **FREE COVID-19** rapid at-home test kits from the government!

Go to COVIDtests.gov to order another set of at-home test kits!

Come by
and say
Hi!

Going to 2022 General Assembly?

Remember to come by the EPC Benefit Resources table to introduce yourself, meet some of our team, and ask any benefit related questions you might have about our medical and retirement plans! We would love to answer any questions you might have! Also, we will be giving away some prizes!
