MORE ABOUT FAIR OAKS CHURCH

Since 1952, Fair Oaks Church has a rich history of following God in leading generations to proclaim the life-giving message of Christ and transformed lives by His grace.

- **Our Vision.** We are committed to making disciples of Jesus in a healthy church family, so that everyone in Fair Oaks and beyond can flourish.

- **Our Generosity.** We are an irrationally generous church family. Whether it is providing a warm meal and bed for area homeless during Winter Guest House, helping fellow communities through environmental disasters, or volunteer teams deploying to a range of international missions, we cherish encouraging others about the boundless love of Jesus.

- **Our Family.** We are a multi-generational church family that currently averages weekly in-person service attendance of 500 and an online attendance of 50. There is something for everyone, including children, youth, family, and a multitude of groups that connect us in many ways.

- **Our Values.** We seek to become fully mature in Christ by displaying our values in **Service, Generosity, Unity, Transformation, Outreach, Joy and Love,** which manifest in our passion for the gospel, living obediently as followers of Jesus while at the same time, rooted in reformed theology and our membership with the Evangelical Presbyterian Church (EPC)

- **Our Location.** The Fair Oaks community has a unique suburban and semi-rural composition, with great schools, a quaint village center and winding paths along the famous American River (down river from where Gold was discovered in 1848). We enjoy a cost of living that is 14% below the state average.

- **Our Campus.** Fair Oaks Church is located on eleven beautiful acres of oak studded land on top of a hill adjacent to a large community park and public library. Our campus footprint is on two acres of the land with a large, worship center, a multi-use conference facility, and a Kids and Youth building built in 2014.
