

Pastor Job Description

Teaching and preaching – leading the congregation in Bible-based worship services.
Sermons should be scripturally sound and relevant to present day discipleship.

Provide pastoral care and visitation for the congregation and those who seek comfort and guidance through the church

Be available for counseling and spiritual growth for members, family, and friends

Teach the congregation how to share their faith and make disciples. Encourage them to use their gifts.

Lead the congregation in revitalization and reaching out into the community.
