Dear Prospective Pastor Candidate,

Christ Community Church-Montreat is seeking a Senior Pastor to lead the congregation and staff into a fruitful future in the years ahead. The Session of Christ Community Church-Montreat has decided to bring on a Transitional Pastor to serve the congregation and staff until we find the right person to serve as our permanent Senior Pastor.

Christ Community Church has a long history of serving our community here in the Black Mountain/Swannanoa Valley/Montreat communities. The church is located in Montreat, North Carolina. It meets for worship in Graham Chapel on the campus of Montreat College. The city of Asheville, North Carolina is a few miles west of Montreat.

We invite you to review our Church Information Form and Job Description for this leadership position. If you are interested and so led by the Holy Spirit, please apply for the position. The contact person on our Pastor Search Committee who will be managing all applicants is Mrs. Natalie Schermerhorn (email PastorSearch@cccmontreat.org). She can also answer any initial questions you may have regarding the Senior Pastor position.

Thank you for your interest in this position. We are praying fervently for God's guidance as we seek our next Senior Pastor.

Grace & Peace,

William George, Ed.D.
