First Presbyterian Church - Bucyrus, Ohio is seeking to fill the position of FULL-TIME LEAD PASTOR. This 74-member church will be celebrating its 200th anniversary in 2028 and is located in the City of Bucyrus which is approx. 65 miles directly north of the state capitol of Columbus and 45 miles south of Lake Erie one of our country's Great Lakes. We are located approx. 110 miles southwest of Cleveland and 170 miles northeast of Cincinnati. We have been a member of E.P.C. since 2012 after previously being affiliated with PCUSA.

More detailed information can be discovered about the church and it's missions in our Church Information Form and at our website [www.firstpresbucyrus.org](http://www.firstpresbucyrus.org) and on our facebook page [www.facebook.com/FirstPresBucyrus](http://www.facebook.com/FirstPresBucyrus)

One special item we're particularly proud of is that we recently created a "new" part-time position **Director of Spiritual Care** (which has been filled by one of our Ruling Elders, that recently retired from the teaching profession) -- this person will work hand-in-hand with the LEAD PASTOR as well as our staff and an active-membership in ministering to our congregation and community.

After six (6) years of faithful service, our former pastor recently chose to move to an "EPC New Church Plant" in Montana. Now our church membership is prayerfully seeking a pastor with the following gifts, skills and characteristics:

- Solid Biblical knowledge with appropriate academic degrees (Proverbs 1:7)
- Sound in the Reformed Doctrine and also The Essentials (as described by the EPC)
- Highly effective teacher/preacher whose messages are Biblically based and presented to all ages and levels of education in language that is easy to understand and can be applied to growth in our daily lives (Daniel 12:3)
