

WOODLAND

PRESBYTERIAN CHURCH

Senior Pastor

Maturing God's People to Serve a Hurting World

Woodland was formed as a church plant of 2nd Presbyterian Church in Memphis in 1954 on what was then the far east edge of Memphis. In 1956, a kindergarten was formed as a ministry of the church.

As the city has grown, our property now sits in a central part of the greater Memphis area, surrounded by a diverse, mostly middle class neighborhood. The church consists of a mixture of neighborhood families and families that have or have had children at the school. The school has now grown to 330 students and teaches from 2-years old through 8th grade.

We are members of the Central South Presbytery in the EPC.
