

K I R K CROSSING

Kirk Crossing's mission is to be All In. In Christ, In Community and In the World and we believe that everyone has a next step in each of these areas. We are located in Jenks, OK (a suburb of Tulsa) and started as the second campus of Kirk of the Hills but have been an independent EPC Church for five years.

The primary role of the Assistant Pastor for Students and Families is working with our middle and high school students and their families. In addition there will be some pastor responsibilities such as preaching and pastoral, hospital visits, checking in on people in crisis, etc. For the right candidate, there is opportunities to move the position into an Associate Pastor role with a few other responsibilities.
